On Camping

The Campaign for Camping began in the fall of 1990 as the Campaign for Camp Stevens in the Diocese of San Diego. The purpose of the project is to raise two million dollars to fulfill our five year master plan to protect the precious natural environment of Camp Stevens and to improve its facilities and programs.

The goal of the campaign in the Diocese of San Diego is \$500,000, and the response has been wonderful - 600 individuals and groups have pledged a total of more than \$450,000 by June 30th of this year. The Campaign for Camping will extend to the Diocese of Los Angeles this fall. The Campaign will have a goal of 1.5 to 2 million dollars which will complete the land acquisition, renovation and new construction at Camp Stevens as well as begin to realize the dream of creating a second camp on the north side of Los Angeles.

In August of 1990, the Diocese of Los Angeles purchased an existing camp near Wrightwood from the Oriental Mission Church. The Episcopal Camp at Wrightwood, as it is now known, is on a 6.5 acre lease site in the Angeles National Forest at 6000 feet, just three miles from the Pacific Crest Trail. The camp has a dining hall and simple cabins which can house up to 80 persons. Already, more than 40 Episcopal groups have held conferences and retreats at the camp and several camp sessions will be offered there this summer. The Reverend Michael Roffina has been hired as the first Director.

The Campaign for Camping will provide funds to complete the purchase of the Episcopal Camp at Wrightwood, to prepare a Master Plan and to implement the first phase of that plan. This will include both renovation and new construction necessary for the property to function more effectively as both a summer camp and year-round retreat center for 80-100 persons.

Thirty-two acres of the most critical adjacent wilderness land on the west side of Camp Stevens is now in escrow. This land will help protect the pristine environment of the Camp as development threatens the Julian area, and it will also offer many new opportunities for hiking and nature study.

A total of 668 campers participated in the Diocesan summer camping programs in 1990, ranging from choir camp to backpacking trips in the High Sierra. They were guided by 109 dedicated counselors who had attended Camp Stevens' unique 10-day leadership training program. The generosity of parishes and ECW groups helped 70 needy children enjoy a week of camp through the Fr. Blum Campership Fund.

An exceptional group of staff people worked hard to provide an adventure-some learning experience for the campers who participated. Joining the young adults from Southern California were volunteer staff members from Australia, Austria, Denmark, Germany, Holland, Italy, Japan, New Zealand, Scotland, the Soviet Union and Jordan. This mix provided a wonderful opportunity for everyone involved to learn more about other countries and cultures.

Attractive new restroom facilities were added to St. Aidan's and St. Mary's dormitory cabins at Camp Stevens this year. This part of the continued

improvement of the conference facilities so that now each of the lodging buildings has one shower, toilet and washbasin for every six guests.

At a special meeting June 30, 1991, the Program Group on Camping voted to create three separate groups to oversee the camps and camping programs in the two dioceses: a Board for Camp Stevens with members from both dioceses which has responsibility for the programs and facilities of Camp Stevens; a Board for the Episcopal Camp at Wrightwood with members from the Los Angeles Diocese having responsibility for that site and programs, and the Program Group on Camping. The Program Group on Camping will now consist of three representatives from each Board; Chair Brad Karelius; the two camp directors; the Diocese of Los Angeles Missioner for Administration, and a representative from the Diocesan Council in Los Angeles. The Program Group on Camping will help coordinate program offerings and budget requests from the two boards and will oversee the Campaign for Camping.

Also this year, Camp Stevens' director, Peter Bergstrom, developed and helped organize the first General Convention Camp Session which was held July 14-20 near Prescott, Arizona and attended by children of Bishops, Deputies and visitors from all around the country.

On Christian Education and Leadership Training

Under the leadership of Deacon Phina Borgeson, CELT has taken some important initiatives and consolidated directions and projects already envisioned by the group. The Third Annual Conference on Scripture drew 74 clergy and laity to Bloy House on February 9th and 10th. The conference this year focused on ways of building a scriptural community within the local parish. For the first time, simultaneous translation to Spanish was offered. On November 9th parish lectors, teachers and clergy were invited to a Conference on the Gospel of Luke, featuring Dr. James Sanders, Professor of Intertestamental Scriptures at the School of Theology, Claremont.

Phina Borgeson and her assistant, Joanne Semon, completed the furnishing and organization of an excellent walk-in educational Resource Center in offices offered by St. James' Parish, South Pasadena. The center includes a "hands on look" at curriculum and supporting material, including videos currently in use by congregations of the diocese. Pre-school through Adult materials are available. CELT has completed reviews of five of the most widely used curricula and those are on file for perusal.

In September and October, four teacher training workshops in Laguna Beach, Camarillo, Inglewood and Upland offered a wide variety of help in both teaching skills and content. The workshops featured the Diocesan Missioner of Christian Education as keynoter and facilitator.

In furtherance of the stated goal of regionalizing Christian Education resources and leadership, Phina met with those responsible for education in

over 25 percent of the diocesan congregations. A series of meetings in each region laid the foundations of a much needed network of educators functioning in small groups throughout the diocese. An analysis of data gathered from those meetings is on file in the Christian Education office. In August Tracy Gaestel of CELT accompanied by Lynda Catalano of Trinity Parish, Fillmore, traveled to South Bend, Indiana, to participate in two-weeks of intensive training for the Catechesis of the Good Shepherd. This is a Pre-School-Kindergarten program which has been proven successful in a variety of language and cultural settings. The curriculum provides a very strong Montessori based program of Christian education for the fastest growing segment of our church schools.

Kim Rohde, Director of Religious Education at St. Gregory's Parish, Long Beach, received training by the National Council on Alcoholism in BABES, a program using puppets to help children deal with issues arising out of substance and other forms of abuse in the home. Kim is ready to both make presentations and help train leaders in this important area of educational and pastoral concern.

On Hispanic Ministry

The 1991 goal of the Hispanic Program Group has been to educate lay people and empower them to fulfill leadership roles.

This past year has represented a time of change and literally the Program Group on Hispanic Ministries restructured itself with the purpose of providing pastoral support and assistance to Churches doing Hispanic ministry in the Diocese.

With its new role as a "working group" they proceeded to actively participate in several new ways. A finance committee was established and this called for a prioritizing of the events of the year. A by-laws committee was also established and the previous by-laws were revised to respond to the needs of the ministry at the present. A youth committee was established to intentionally plan a major youth event.

We launched an active campaign to recruit persons to the Program Group that would be actively involved in the continuing of the shaping of this vital ministry in the Diocese and added many new people to the group.

In the pastoral area we established a Big Brother/Sister program to be of support to the persons in the process for ordination that are hispanic: Zoila Manzanares, Oscar Carroza, and Eduardo Bresciani. We also planned and provided two retreats for clergy doing hispanic ministry. The first retreat was on spirituality and prayer and the second retreat dealt with

the theology and practice of hispanic ministry. And we had a summer camp for hispanic youth at Camp Wrightwood with the theme of "Youth, Constructing a New Creation of Love."

As a result of their hard work, the Program Group also increased the involvement of hispanic Episcopalians in other diocesan events like CELT and Stewardship Workshops by providing bilingual workshops and simultaneous translating at these events, as well as adding many more names to the subscription list of *The Episcopal News*.

The other aspects of hispanic ministry in the Diocese is Casa Rusack. This area of ministry has as its main goal the planning and implementation of education in the Christian Faith and theological education training events for hispanic lay people. During 1991 the Reverends Jose Carlo, Fernando Gomez, Gary Bradley and Carmen Guerrero have offered classes in the Use of the Book of Common Prayer, the Use of the Bible, Vestry Involvement, Church History and Spiritual Development.

The Group also provided the opportunity for 51 hispanic lay persons from this Diocese to attend a lay leadership training event for hispanic people in the Province, and a dozen others to attend a national evangelism event for hispanic lay persons in Dallas, Texas.

On Ministry in Higher Education

The principle interests of the Program Group on Ministry in Higher Education have dealt with the following issues: (A) funding the salaried chaplaincies at UCLA, USC and UCI; (B) developing methods of strengthening the ministries of Canterbury Boards; (c) establishing evaluation policies to review the ministries of our salaried chaplains, Canterbury Boards and parish-based ministries.

(A) FUNDING THE SALARIED CHAPLAINS AT UCLA, USC, UCI:

For some time now, there has been discussion between Bishop Borsch and the Program Group concerning sources of funding for our salaried chaplains. Bishop Borsch has been concerned for the long term financial stability of the chaplains. He believes this stability will come through the development of alumni/ae constituencies and relationships with neighboring congregations who could be the source of capital funds to support each chaplain's ministry.

In the past, the Program Group has seen this stability coming from Diocesan Council in the form of an MSF budget item and the Bishop's contribution from Corporation Sole. We have considered such support of our chaplains to be in the same spirit as would motivate the Diocese to support, for example, the much needed ministry of a mission that could never hope to be self-supporting.

As a compromise, the Bishop has suggested that we have a five year program beginning in 1992 with the following guidelines:

1. for the first three years, the MSF budget and Corporation Sole would guarantee all of the full salaries;

2. in the next two years the support from Corporation Sole would begin to dissolve while the MSF grant held steady;

3. during these five years, the chaplains at UCLA, USC and UCI would work to build up a fund raising support base which would replace the Bishop's support from Corporation Sole while the MSF grant would remain steady at the level either currently supported or at an increasing rate starting in 1992. In either case, the MSF grant in 1995 would be the steady amount the Program Group could rely on as a base for the chaplains to build upon.

The Program Group requested Diocesan Council to discuss this proposal and then take action to work with the Bishop and the Program Group to establish a clear salary policy for our chaplains.

(B) STRENGTHENING THE MINISTRIES OF CANTERBURY BOARDS:

The Program Group is currently working with our Canterbury Boards to encourage their greater involvement in the ministries of the chaplains. This would include the recruitment of Episcopalian alumni/ae who are active throughout the Diocese and the development of ministerial relationships with neighboring congregations. As the ministries of the Canterbury Boards develop, two vital interests will be served: (1) the chaplains will not feel as isolated and lonely as they can due to the unique nature of campus ministry; (2) the board members will take on greater responsibility under the chaplain's leadership for building up other sources of income and endowments and in determining the chaplain's salary. By emphasizing shared ministry between the chaplains, the Canterbury Boards and neighboring congregations, we hope to achieve a less likelihood of chaplain burn-out which often happens in campus ministry.

(C) ESTABLISHING EVALUATION POLICIES

To achieve a sense of mutual ministry between the chaplains, the Canterbury Boards and the Diocese, our Program Group believes it is essential that a process of evaluation with clear expectations be developed and implemented in 1992. Such evaluations would be done in a spirit of positive reinforcement of our chaplains with an emphasis on looking for what has been working in ministry and what could be done to further expand and strengthen ministry.

Our Program Group will seek to implement the following policy.

MINISTRY EVALUATION POLICY (March, 1991)

I. Evaluation Team:

The evaluation team will consist of:

1. a chaplain from another denomination
2. two members from the Program Group on Ministry in Higher Education (one clergy, one lay)
3. the Diocesan Council liaison

II. Evaluation Materials:

The Episcopal Society for Ministry in Higher Education (ESHME) produces an evaluation packet that includes questionnaires for both the chaplain and the Canterbury Board to do a self-evaluation. There there is on-site evaluation.

III. Evaluation Frequency:

Each Canterbury Board (including parish-based ministries) will do a yearly evaluation to be presented to the Program Group in person with a copy to Bishop Talton. These reports will be tied to funding. No funding will be given without this report first being made even in the year it is to be evaluated by an outside evaluation team.

Every three years, an evaluation will be done by an outside team of the UCLA, USC and UCI chaplaincies using the ESHME materials. The team membership will be as described above. The evaluation team will review the ministry of both the chaplain and the chaplain's Canterbury Board.

Parish-based chaplaincies will be evaluated every three years by appointed members from the Program Group.

Much of what has been discussed in this report comes because of the warmly received support given to our Program Group by Bishop Borsch. I would like to thank Bishop Borsch and Diocesan Council for taking the time to join with the Program Group in helping us to make our campus ministries a model program ministry for the Diocese.

Chair

On Mission Congregations

Personnel changes since last report.

Clergy leaving former cures: Canon Harold Hultgren resigned as interim at St. Paul's, Barstow to become priest-in-charge of St. Joseph of Arimathea in Yucca Valley; The Reverend John Cline resigned as Vicar of St. Joseph of Arimathea, Yucca Valley and St. Martin's in the Field, Twenty-nine Palms; The Reverend Pat Barker resigned as priest-in-charge of St. Raphael's, Chino Valley to become interim priest in charge of St. Alban's, Yucaipa; the Reverend Duc Nguyen resigned as Vicar of the Church of the Redeemer, Garden Grove for a position with World Vision, Monrovia; and the Reverend Donald Stivers has retired as Vicar of Christ the King in Goleta.

Clergy in new cures include: the Reverend Bill Ellington, Vicar of St. Paul's, Barstow, former Rector of St. Joseph's, Buena Park; the Reverend Gordon Yeaton, priest-in-charge at St. Raphael's, Chino Valley; the Reverend Hong Nguyen, Vicar of the Church of the Redeemer, Garden Grove; the Reverend Leo Booth, priest-in-charge of St. George's, Hawthorne; the Reverend Mark Gardner, Vicar of St. Michael's University Chapel, Isla Vista from the Diocese of San Diego; the Reverend Stephen Kim, priest-in-charge at St. Nicholas, Los Angeles from the Diocese of Seoul, Korea; the Reverend Esther Brown, Vicar of St. John the Evangelist, Needles from the Diocese of Vermont; the Reverend Bob Ducker, Vicar of Christ the King, Palmdale from

the Diocese of Northern California; the Reverend Lisa Golden, new chaplain at St. John's Church and School in Rancho Santa Margarita from the Diocese of Virginia; the Reverend Ron Bauer, Vicar of St. Margaret of Scotland in San Juan Capistrano from the Diocese of Minnesota; the Reverend Timothy Fountain, Vicar of St. Alban's, Yucaipa from Associate, St. Nicholas, Encino; the Reverend Mitsuo Akiyoshi, non-stipendiary associate at St. Francis, Norwalk from St. Mary's, Los Angeles (Mariposa).

Vacancies (June 1991): Christ the King, Goleta Valley and St. Martin-in-the-Fields, Twentynine Palms.

New Preaching Station: A restart was initiated in April, 1991 in Moreno Valley. The Reverend Bob Noble from the Diocese of San Diego serves as a church planter for us and has received good support from the Riverside area parishes for referrals and mission families to be "on loan" to the new congregation. The formation of a number of house churches has begun.

New Name: The Episcopal Church of Laguna Niguel has been named by the Bishop as: Faith Community Episcopal Church, in June 1991.

New Buildings: Malibu - a vicarage has been build on the hillside of the Church site in Malibu. The Reverend Susan Klein and her family had been living in a leased home and will now have the convenience of living next to the Church building. Rancho Santa Margarita - St. John Chrysostom has completed their first building, a classroom and administration building, which was named after Richard and Ginny Hunsaker (Hunsaker Hall). Phase two, additional classrooms, has begun. The school enrollment is presently over 700.

Changing Status: St. Martin's, Compton was affirmed as a parish at the last meeting of convention. The Reverend Danana Mkhize was elected as first Rector. St. Benedict's Mission, West Covina came into union with convention. St. Margaret of Scotland, San Juan Capistrano, has been recommended for parish status by the Program Group. The Church of the Epiphany (aka the Parish of East Los Angeles), has begun the process to become a mission congregation.

Continuing Education: Two retreats were held this year. The first was a working conference which featured Carl George from The Fuller Growth Institute. The second was a quiet day featuring Suffragan Bishop, Chester Talton. In addition, several mission clergy attended one day seminars for additional training, both locally and regionally. As a result, a number of Vicar support networks have begun to evolve.

Conclusion: The Program Group made a conscious effort this year to meet in our mission congregations rather than at Diocesan Center, in order to experience the life of those mission outposts more directly. Again and again, our board was humbled by the dedication, creativity and hard work evidenced in the congregations we visited and those who made presentations to us. These congregations, often working under severe restraints and with precious few resources, nonetheless faithfully continue to be significant beacons of hope and caring in the communities they serve. The economic recession has been a real challenge for most, especially when coupled with the reality of devolving financial support from the Mission Development Fund.

The Program Group is encouraged by the creative planning responses for alternative land use development to enable establishing a church presence in several locales. Bishop Borsch's hopes to establish a mission church endowment fund over the next few years which could allow us to lend funds from the interest while building the principle, is gratefully received "good news".

This year, one quarter of our mission churches sought and called new priestly leadership. A number of churches which were formerly served by part time clergy have called full time pastors. These developments, while not dramatic, are significant as we build a foundation for significant growth in the future.

The Office of Congregational Development has established a resource center for church growth and in the Fall will be working with the Evangelism Consultation Teams to help us move more boldly forward in this Decade of Evangelism.

The Program Group is grateful to Convention and to Diocesan Council for their trust in us as we seek to responsibly be good stewards of the resources entrusted to us.

The Venerable Hartshorn Murphy
Archdeacon for Congregational Development

On Renewal

Since the Program Group was recently reorganized, it was decided that the initial effort will be to be a vehicle for the exchange of information regarding current renewal activities and resources within the diocese rather than attempting to create programs to be superimposed upon the local congregations; a strategy that is usually ineffective. The current direction encourages the local congregations to develop their own programs, ones that meet their specific local objectives.

To carry out this purpose, the Program Group has developed a quarterly newsletter titled: "Vision", which is to be a vehicle for information about active renewal organizations, current successful renewal activities in local congregations, as well as the calendar of renewal activities within the diocese. The Vision is being sent to all rectors, vicars and other clergy in the diocese.

In addition, the Program Group has sponsored or will sponsor the following activities:

1. A conference on renewal was held at St. Michael's in Anaheim in March with Bishop Borsch as the key speaker. Over 125 attended.
2. Representatives of the ten most active renewal organizations within the diocese were invited to our April meeting. The purpose was to share experiences and for our common support and coordination of activities. Also, by coming together we will get to know each other better and thereby able to work together for the common good. This meeting was so successful that it was repeated in June.

3. The Program Group has sponsored a special Eucharist for the Clergy Conference this Spring, and it will be responsible for a special Prayer and Praise program for the 1991 Annual Diocesan Conference.

4. The Program Group is co-sponsoring the 4th Annual Episcopal Charismatic Conference to be held at Chapman College, August 16-18, 1991.

On Small Parishes

The program group continued to provide support and assistance to those small parishes that requested it. In fiscal 1991 we were able to provide the following:

a. Continued our funding of the Hispanic Music Program at All Saints', Highland Park. This program in it's second year continues to show growth in worship.

b. Provided a two year grant to St. Barnabas, Pasadena, for an after school tutorial program. This is staffed with not only professional persons, but many volunteers from the parish. It continues to serve many of the children in the neighborhood, and assists them in their solid studies.

On Youth

The Program Group on Youth is composed of lay persons and clergy, youth and adults who have a strong commitment to youth ministry on parochial, regional, diocesan, provincial and national levels. The group provides support,

communications, resources, advocacy, and assistance in the development of youth ministry programs and service. It also offers a wide range of activities and training for youth and youth advisors throughout the diocese.

Three regional Youth Rallies were held this year, one sponsored by the Santa Ana Region at Camp Stevens, and one for junior high and one for senior high youth at The Episcopal Camp at Wrightwood sponsored by the San Gabriel Region. Each of these rallies was supported by the Program Group.

The Program Group on Youth continues to participate with young people from throughout the diocese in the annual Diocesan Convention. Young people act as "pages" and "gophers" and are better known as "Fred's Flyers". During the convention this year, five young people of the diocese, one representing each region, participated as delegates with seat and voice.

The Diocesan Youth News, a newsletter for youth and youth advisors, continues to be published by the Program Group. The newsletter is published five times per year and circulation has increased to over 2700 per issue. The newsletter contains articles on issues that young people face and news about what is happening in their church, region and diocese.

The Program Group has developed Happening in the diocese. Happening is a weekend spiritual experience for young people in the 10th, 11th, and 12th grades, and is a national program. The weekends this year were held in the Santa Ana Region at St. Andrew's Church and at Ascension Church, Sierra Madre sponsored by the San Gabriel Region. The Program Group also sponsored New Beginnings I and II at the Episcopal Camp at Wrightwood. New Beginnings is a weekend experience for junior high age young people. A "Search Weekend" was held in April of this year at Camp Whittier in Santa Barbara. Search is a spiritual weekend for young people of senior high age and above.

For the second year, young people from this diocese were participants in the Provincial Synod, held in Los Angeles. Young people had seat and voice in business sessions, and fully participated in all activities. The Youth Presence also hosted a workshop on youth ministry.

Greg Totten, member of St. Mary's Mariposa, represents the youth of the diocese this year on the Provincial Youth Council along with Marge Devine, Youth Ministries Coordinator. The Provincial Council meeting was held in Boulder City, Nevada, for four days in February. Greg and his predecessor, Carlyle Duffield, also attended the Provincial Social Action Project, "Beyond the Comfortable", held in Hawaii. Marge Devine and Corrie Potter represent the diocese on the design team for the Provincial Youth Event to be held in August of 1992.

The Program Group has developed a pilot project in the Santa Ana Region to develop a Santa Ana Regional Youth Council and to further develop a network for youth ministry in that region. Jennifer McKenzie, youth advisor from All Saints', Long Beach, has been chosen as the Regional Youth Coordinator. This project is sponsored in part by the region and by the Program Group.

In addition to its regular training sessions for youth leaders, the Program Group has developed a new program for training persons who are presently or feel called to be youth advisors. This program is divided into two phases:

- 1) "Practical Skills for Youth Ministry", a ten day training event to be

held at Wrightwood in August, and 2) an Internship program in conjunction with Bloy House, where participants will study Systematic Theology, New Testament Theology, and Youth Ministry.

The Program Group has also reinstituted an old tradition, the Bishop's Ball. Held in January at St. Francis, Palos Verdes, the Bishop's Ball is a fund raiser for the Diocesan Center. Bishop Borsch and Bishop Talton attended, and the theme was "Making a Memory". Next year's event will be held at St. Augustine's, Santa Monica.

The Program Group continues its work with local churches and regions in the development of youth ministry programs and the search for youth advisors.

The Program Group welcomes all suggestions, questions, and ideas as well as all persons interested in and committed to youth ministry to become involved in work and planning for the expansion of youth ministry in the Church.

On Church Architecture

The Commission has not been quite as busy this year perhaps reflecting the economy or the difficulty in obtaining loans. In the course of the year we approved three master plans, several plans in progress were reviewed and approved and one final plan was approved. Numerous informal meetings were held with congregations in the beginning stages of talking about new construction or remodeling. We are happy to have several new appointments to the Commission. With great thankfulness for their service, we note the expiration of the terms of Gates W. Burrows, Douglas S. Stenhouse, Nancy Faust, Robert Faxon and Donald S. Gill. Some of these people have served the Diocese on this Commission since the Commission on Architecture was established.

The Commission exists to serve the congregations and institutions of the Diocese as their needs suggest the reconfiguration of older structures or the building of new ones.

On The Clergy Community Conference

The Annual Clergy Community Conference was held October 14-16, at the Gene Autry Hotel in Palm Springs. The speaker was Frederick Beuchner, who spoke on Saints. He shared with us his definition of sainthood and then explored the concept through lecture, stories, and readings from his books. Another highlight of the Conference was a concert given by singer/song writer, Katie Wallace at dinner Monday night.

The 1991 Clergy Community Conference will be held on October 13-15 at Frederick's Holiday Inn in Buellton, near Solvang. We look forward to hearing from our own Dr. Marilyn Adams, who will speak on the topic of suffering.

The Clergy Community Conference is open to all Clergy and Spouses in the Diocese. Financial assistance is available to ensure that all who want to may attend. We welcome all members of the Clergy Community to join us for this time of refreshment and renewing of friendships.

On Diocesan Human Service Ministries

The Commission is composed of at-large members and representatives from the seven canonical human service institutions of the Diocese: The Hospital of the Good Samaritan, St. Barnabas Senior Center, The Episcopal Home, Hill-sides, Neighborhood Youth Association, Seamen's Church Institute, and the Bishop Gooden Home.

1990 saw canonical changes to seat full-time clergy employees of institutions at Convention. In 1991 we seek lay representation from the institutions at Convention. In addition to allocations to St. Barnabas Senior Center, Neighborhood Youth Association and Seamen's Church Institute, in 1990 the Commission assisted in the printing of the child abuse handbook and made a grant to help offset cash flow problems at the Neighborhood Youth Association. 1991 allocations provided startup funds for the Urban Intern program and an information insert in the *Episcopal News* on behalf of the institutions.

On Ecumenicity
(No report filed)

Anglican/Roman Catholic Dialogue - Los Angeles

The year 1900-1991 marked a major transition in the ongoing Anglican/Roman Catholic Dialogue in Los Angeles with the retirement of the two founding figures of that dialogue, the Reverend Canon Harold G. Hultgren and the Reverend Monsignor Royale M. Vadakin. These two pioneers of ecumenism have worked together for over twenty-seven years in an effort to bring about greater mutual respect, understanding, and cooperation between our two traditions. Both have enjoyed considerable admiration and praise for their accomplishments on a local as well as national level, while their leadership and the work of the Dialogue have contributed enormously to the total ecumenical efforts of both Churches.

On-going and bi-monthly meetings prepared the way for a day-long symposium at Loyola-Marymount University on October 24, 1990 commemorating the centenary of the death of John Henry Newman and concentrating on the "Development of Doctrine and Conscience" in his writings. This study day was led by Archbishop John R. Quinn of San Francisco focusing on his paper: *Cardinal Newman: A Study in Integrity*. Responses to Archbishop Quinn's presentation included perspectives from the Anglican, Evangelical, Lutheran, and Orthodox communities. Participants at the symposium were given an opportunity to reflect on the presentation and responses, their questions and comments providing a catalyst for the seventh Southern California Anglican Roman Catholic study conference, which took place on January 29th and 30th, 1991, at Marywood Retreat Center, Orange.

Membership at the Marywood Conference was once again gathered from the Roman Catholic Archdiocese of Los Angeles, the Dioceses of Orange, San Bernardino and San Diego, and the Episcopal Dioceses of Los Angeles and San Diego. Monsignor Vadakin and Canon Hultgren organized and convened the study conference which included clergy, religious and laity from each of the participating jurisdictions, with Dr. John Connolly from Loyola Marymount and the Reverend Richard Yale from the Church of Our Saviour serving as resource people for the discussions which followed. A joint response paper was subsequently published entitled, *John Henry Cardinal Newman: Ecumenical Prophet*.

On April 5, 1991, ARC-LA hosted a dinner at St. Nicholas Church in Encino honoring the Reverend Dr. J. Robert Wright of the General Theological Seminary in New York City, commending him on his enormous contributions to the ecumenical movement nationally and internationally.

The retirements of Canon Harold Hultgren and Monsignor Royale Vadakin reflect an end of an era in ecumenical cooperation. These two priests have been courageous pioneers providing valuable leadership in the Church's continual struggle towards greater Unity. They have laid the foundation for all subsequent work in the Ecumenical Movement locally and their legacy will be enjoyed for generations to come. We, as a Diocese and a Church, owe these two great figures a tremendous debt of gratitude and pray that

the work which they have begun will one day be realized in the fullness of unity for which our Lord Himself prayed.

Anglican/Roman Catholic Dialogue - Orange

The Anglican/Roman Catholic Dialogue in Orange County continued to meet regularly throughout the past year. Two new members were added: the Reverend Reese Riley, Rector of St. Paul's Parish in Tustin; and Mr. Jay Launt, the first lay member of the dialogue in Orange County. Former member, the Reverend Canon Ralph Deppen, continues to participate as a "member emeritus".

In addition to our meetings with priests of the Roman Catholic Church, with the permission of Bishop Borsch, we have set aside two of our five meetings per year to meet with clergy of the Lutheran Church as well. This addition has proven beneficial to all parties.

Primary event during the year was our organization of the Service for the Week of Prayer for Christian Unity, which was hosted at the Episcopal Church of the Messiah in Santa Ana, where the Reverend Brad Karelius is Rector as well as a member of the ARC dialogue. The speaker was Mr. Bill Doulos of Union Station, on the topic of "The Spirituality of Outreach to the Homeless". His talk was very well received by the more than 200 persons present.

On Episcopal Migration Ministries

Episcopal Migration Ministries in the Diocese of Los Angeles is the largest program for refugee resettlement in the Episcopal Church. With an office in Garden Grove and one in the Los Angeles area, it helps resettle hundreds of refugees each year. These are refugees brought here officially by the U. S. Government, mostly from Vietnam and the Soviet Union.

The world-wide population of refugees has grown to over seventeen million. This compares dramatically with the number of displaced persons after World War II: "only" seven million. Meanwhile governmental resources to serve refugees are shrinking. This has led your Commission to review its ministry. No longer can we simply be part of a State Department and national Church network. We must find ways to collaborate with local churches. In fact, there are many congregations which are already engaged in meeting newcomers to their communities. They meet them in various ways. EMM/LA wants to become a supporter of these natural, parochial ministries, and to introduce new ministry possibilities.

In 1991, EMM/LA's first step toward parish collaboration was to introduce Project Home Again. Supported by World Vision, EMM/LA offers local churches training in the resettlement of homeless American families.

Also in 1991, EMM/LA opened a trial program of immigration counseling, especially for Salvadorians eligible for Temporary Protected Status under the new Immigration Act. While this trial program is now over, we have learned a lot for the possible founding of a complete immigration ministry in the future.

Over a third of the churches of the Diocese participated in EMM/LA's "Freedom Sunday", a day of prayer, awareness, and support for refugee ministry, around the Fourth of July. The idea was to thank God for our freedoms and think about sharing them with persecuted people.

As of this writing, the Congress is considering a reauthorization of the 1980 Refugee Act. This new legislation may change the refugee resettlement system substantially. We, on the Commission, hope all the members of our Diocese will be on the alert for new opportunities to help those fleeing persecution. We serve in the name of Jesus who as an infant refugee fled King Herod. Please keep this ministry in your prayers.

On Housing

The goal of the Commission is to stimulate the development of affordable housing within the Diocese. Our efforts are directed toward consciousness-raising with respect to the crisis in affordable housing that is epidemic

throughout our nation, toward education of laity and clergy about the their own efforts.

We work closely with Episcopal Housing Management Corporation, dba Housing Management Associates, which is a non-profit corporation created by the Housing Commission to develop and manage affordable housing. EHMC, under the leadership of Executive Director Alan Mosk and a Board of Directors, manages more than a dozen housing projects in the Diocese.

We sponsored a very successful conference, "Getting Involved in Housing," in November of 1990 at St. Mark's, Upland. Bishop Chester Talton gave our keynote address and many workshops and panels gave practical advice to about 50 lay and clergy parish representatives on church involvement with affordable housing. We were very gratified by this effort and the response, and we are planning another conference -- our third -- for Saturday, November 16, 1991, at St. Francis Church, Palos Verdes Estates, to build on our success.

In preparation for this conference, we have recently surveyed all the parishes in the Diocese to discover their housing-related ministries and interests. We have followed up with this survey and a total of 60 congregations have responded. This material will be compiles in a way that will be helpful to the Commission in its continuing efforts. We will offer consultation to churches who desire our participation.

Many efforts of local congregations prove that the church can make an important difference. The Diocese can be proud of the innovative efforts of so many who supply emergency, transitional and permanent housing for thousands of poor. Yet much remains to be done because of the overwhelming demand.

We are happy to be of service to the Diocese as we give leadership to the quest for decent and secure housing for all of our citizens.

On Liturgy and Music

The commission serves as a resource for the Diocese, for congregations, and for individuals seeking advice about worship and church music. We sponsor workshops and consultants are available to congregations to assist in worship design and planning.

Additionally, we publish a seasonal newsletter for both clergy and church musicians. Twice each year we conduct training for lay eucharistic ministers in each of our regions, and provide masters of ceremonies for all diocesan services. We also provide liturgical and music workshops for the Diocese.

This year we hosted the National Association of Diocesan Liturgical Commissions Annual Conference. Our theme was: "Calling the Church to Ministry and Mission -- the Continuing Work of the Liturgical Movement". This exciting event, when added to the joy in planning the ordination of Bishop Talton, made this year a particularly exciting one.

As I step down as chair of this commission, a position I have been privileged to hold for several years, I want to express my deep appreciation to all of its members. Your giftedness has enriched me as well as our Diocese, and I pledge my full support and participation to our ongoing work that in all things God may be glorified.

On Peace and Justice

We are happy to report that the Commission now has an address, office space, phone and a part-time coordinator, Freddie Schrider. Our coordinator 1) edits *The Mustard Seed*, the commission newsletter; 2) maintains our mailing list; 3) makes personal contact with parishes; 4) sends information out on request; and 5) coordinates commission programs.

Our activities this year have centered around:

I. LIAISONS FROM PARISHES. In response to the resolution passed at the December Diocesan Convention (which called for the formation of a peace and justice committee in each parish and the naming of a liaison to the commission), we have called every parish in the Diocese and have made personal contact with about 80% of them.

II. REGIONAL MEETINGS. We have held meetings with liaisons representing clusters of churches in three regions to exchange ideas and information. (Our hope is that regional peace and justice committees will be formed from these core groups.) To date, we've met once on a regional basis with churches in the Los Angeles and San Buenaventura regions, and many times during the past two years with churches in the Santa Ana Region. A July meeting is set for the San Gabriel Region.

III. LEADERSHIP TRAINING. 1) In July, we are sending two commission members to participate in a national 10-day Industrial Areas Foundation Leadership Training Conference. 2) On Saturday, October 19, we are sponsoring a one-day diocesan-wide Leadership Training Workshop, also given by the Industrial Areas Foundation. We've invited other diocesan commissions to help plan and participate in this event. 3) There will be a follow-up training session (the date to be determined) for all the participants within three or four months of this conference.

IV. NEWSLETTER. 1) *The Mustard Seed* is published quarterly and is sent to all rectors, to other interested clergy, and to the parish liaisons. 2) *Episcopax* is sent to interested clergy and to parish liaisons only.

V. NATIONAL CONFERENCE. We sent members to the National Episcopal Peace and Justice Network Conference and to the National IMPACT Briefing. Both events were held in Washington, D.C.

VI. FUTURE EVENTS. In the planning stage is a possible training workshop in "Verbal Judo" with George Thompson. This deals with crisis resolution through the skillful use of non-threatening words.

On Theology and Human Sexuality

During the past year the Commission has continued to facilitate "open dialogues" in many of our churches. The format used is one that encourages the participants to decide the topics discussed. Abortion, the ordination of homosexuals to the priesthood and the blessing of same-sex marriages were the main concern. An open discussion on similar topics was part of the 1990 Diocesan Convention and was attended by many people. The Commission is prepared to continue to facilitate discussions when asked, and is in the process of developing an educational model for parishes and missions to use in dialogue.

San Bernardino Region

The San Bernardino Regional Council meets quarterly to conduct business for the region. Our membership consists of clerical and lay leaders from each congregation in the region. The Regional Assembly meets in November to discuss up-coming issues which will be presented to Diocesan Convention.

At the Assembly meeting in November, 1990, in addition to reviewing the proposed 1991 budget, much attention was given to the various Resolutions to be presented at Convention. The most debated of the Resolutions dealt with honoring same-sex relationships. While there was a wide diversity of opinion, those presenting their views did so with a sense of respect for others. Giving attention to the Resolutions helped to make the meeting more than just an opportunity to talk about the budget. It became an educational means of becoming aware of important issues facing our Church today and for growing in sensitivity toward fellow members.

We are encouraged by the new ministry which has started in Moreno Valley under the leadership of the Reverend Robert Noble. Father Noble ministers to the Moreno Valley Episcopal community now in house fellowships with an intention of beginning Sunday morning worship services sometime in the Fall of 1991. Deacon Phina Borgeson conducted a Christian Education Leadership Training workshop which was well received by the region. The Regional Council gave \$2000 to support our annual Trinity Regional youth camp which will attract approximately one hundred and twenty-five students to camp in Big Bear. Also, we gave \$1500 to support the ministry of the new diocesan camp in Wrightwood.

This year's Regional Celebration took place at St. Michael's, Riverside with Bishops Borsch and Talton attending. It was a day of celebration both in worship and fellowship. On the whole, our region is very pleased with the concept of the Regional Celebration as being an opportunity for our people to gather for Confirmation and renewal in ministry.

ON ECUMENICAL AND INTERRELIGIOUS AFFAIRS

July 1990 - National Asian/American Consultation of the Episcopal Church was held at the University of Southern California, Los Angeles, in conjunction with the founding Convention of the Philippine Independent Catholic Church Diocese of Los Angeles. Considerable sharing was done between the two groups which was further enhanced by the presence of Bishop Pasco, Obispo Maximo of the P.I.C.

August 1990 - Annual Synod of the Province of the Pacific held in Los Angeles at which time the annual meeting of the Program Group on Ecumenical Affairs for the Province and the Ecumenical Officers of the Province was held. As usual, turn-out was low due to small amount of time for meeting in proportion to high costs of travel, room and board. However, much discussion was held. High on priority lists was the need for improved communication from the National Offices; suggestions included an EDEO newsletter, perhaps nationally and/or provincially - some clarification on the status and future of the Ecumenical Bulletin. Responses to *Implications of the Gospel* tended to be ambivalent - less favorable on content and theology and much more favorable and pressing for the joint action suggestions.

December 1990 and April 1991 - Further consultations and development in relations and cooperating with P.I.C. It should be noted that this is one of the few Christian bodies with whom we are in full and unrestricted communion. In this Decade of Evangelism, this partnership could prove to be invaluable in several areas of the country and need to be developed and encouraged to a greater extent.

January 1991 - Executive Meeting of EDEO in New Mexico. A time of planning for the National Workshop and review of current items referred by the Standing Committee on Ecumenical Relations, especially the continuing developments on the Episcopal Lutheran Concordat.

February 1991 - Annual Meeting of the Program Groups of the Province and the Provincial Council. Special discussion on improved and altered relations with the National Church, especially to the possibility of a local project coordinator more in tune with the west coast.

March 1991 - The annual ARC/Southern California meeting to develop a paper on a subject of mutual interest focused on John Henry Newman, prompted by his movement toward canonization in the Roman Catholic Church, and having

had roots in the Church of England. Results will probably be published in *Origins*.

April 1991 - Annual Meeting of the Episcopal Diocesan Ecumenical Officers and the National Workshop on Christian Unity in St. Louis. Further exploration of the Lutheran Episcopal Concordat and a summary from the Diocese of California; the new Episcopal Church/Russian Orthodox Church Partnership relationship; the new covenant relationship between the Episcopal, Lutheran, and Roman Catholic Diocese of the State of Virginia; development of a new EDEO newsletter.

June 1991 - Special Ecumenical Visitation to Israel sponsored by the Federation of Jewish Councils to study on-site the multitude of political, personal, and religious problems. Included visits with present and past leaders of Israel and various agencies at work throughout the country. Also provided an opportunity to work together with the local ecumenical leaders who participated.

June 1991 - Formal retirement of the Reverend Canon Harold G. Hultgren from the ecumenical activities of Southern California. Approved presentation of resolution to Diocesan Convention commending and thanking him for all his work over the past quarter century.

Other notes. There appears to be a general shift throughout the Province from the use of theological discussion and dialogue as a stepping stone to eventual unity and then establishment of sacramental communion to the concept of sacramental communion as the visible and practical expression of our unity in Christ, through which we will develop and come to understand the other areas of our oneness in Christ. There also is the desire to develop more visible and practical means of being one in Christ, a genuine desire to recognize each other as sister communions on a practical level. As always, there is the concern over the increasingly inordinate cost of meetings outside of our own diocese, either provincial or national. We are actively exploring the possibility of smaller regional gatherings for person to person communication and the use of other means to communicate on the larger level.

SPECIAL COMMITTEES

Committee on Manner in Which Lay Delegates are Determined

A resolution was passed at the Ninety-fourth Annual Meeting of Convention which asked that a special committee investigate and make recommendations relating to the system whereby we compute delegate representation for Convention. The Committee was appointed and met in May, 1991.

The Committee examined the records of the Diocese and found that in 1973 the Convention consisted of 338 clergy and 634 lay delegates. In 1977, after the Diocese of San Diego had been formed and several other churches left the Diocese, there were 283 clergy and 485 lay delegates. Since then, the number of clergy has increased and the lay order has decreased, so that in 1989 there were 314 clergy and 425 lay delegates.

Lay delegates are allocated in proportion to the number of communicants reported by each Parish and Mission each year. The Committee did not consult with other Dioceses to determine other systems that are in use; the feeling of the members is that all systems have shortcomings. Allocation could be proportional to the financial support which each Church gives to the Diocese or to the number of persons attending services. Or all Churches could have the same number of lay delegates.

The Committee was unanimous in favoring attendance at worship as the basis for allocating lay delegates. To implement that decision, it submitted an amendment to the Secretary of Convention and the Committee on Constitution and Canons. The Committee examined the parochial reports of the Diocese and found that the proposed amendment, if it had been in effect, would have added one hundred one lay delegates to the 1991 Meeting of Convention.

SPECIAL REPORTS

The Church Periodical Club

What better way to do the work of Evangelism than to supply Bibles to those who request them or have no other way of obtaining them. This is what the Church Periodical Club (CPC) has been doing for over 100 years. In this diocese last year we did just that, we supplied Bibles to both the Los Angeles Central Prison and Chino Prison Ministries.

Thanks to your generous support at the parish level we supplied our new Diocesan Camp at Wrightwood with prayer books and hymnals. In addition, we have shipped used nursing books and hymnals to the Philippines, paid our Fair Share to Province 8 CPC, supported the Administrative Fund of CPC, and the national granting program of CPC, The National Books Fund.

The Church Periodical Club has only one ingathering a year. Last year our Presiding Bishop, the Most Reverend Edmond L. Browning, designated Sunday, October 7, 1990 as CPC Sunday. Our ingathering totaled \$1,035.42. Other means of financing the work of CPC has been to put coin cards out at

regional and diocesan ECW meetings. In addition, several churches have put CPC in their Outreach budget.

Have you been collecting pennies at your church for the "Miles of Pennies for CPC"? So far this diocese has collected 2 2/3 miles of pennies, \$2,278.50. This is a very easy way to buy books for children, so keep collecting pennies.

How do you use books at your church? Do you pass your church publications on to other members of your congregation? Do you help others learn to read? Do you have a reading center in your church? Do you have a Bible study program at your church? These are some of the ways that books can be used in your church, and are the basic concerns of the Church Periodical Club.

I am very pleased to inform you that your new CPC Diocesan Director will be Marjorie Strawbridge. Marjorie has been a strong supporter of CPC for many years, and will bring new ideas and enthusiasm to the job.

Starting in July, I will be representing Province 8 on the National CPC Board. It has been my privilege to serve as your Diocesan Director for these past five years and I want to thank all of you for your prayers and support.

Please help CPC continue to spread the Christian message by means of the Printed work.

(Canon XXIV, Sec. 24.00-2409)

The Anglican Fellowship of Prayer

The Los Angeles Chapter continues to be an Associated Organization of the Episcopal Church Women. We have new representative on the Board and we are grateful for their cooperation.

The yearly September Annual Meeting was on Saturday, September 29, 1990, at St. Mark's Parish, Glendale. Their rector, the Reverend James Stanton, was Celebrant and Homilist at the opening Eucharist.

The program for the day included three speakers. The topic, Current Directions in Spirituality, was presented by Mr. Fritz Frurip, Executive Director, Center for Christian Spirituality-West. The Reverend Beryl J. Nyre, Associate Rector, St. Gregory's, Long Beach, presented "Why Pray? Doesn't God Know Everything?" The Reverend Gary W. Goldacker, former Rector at St. Michael's, Anaheim, spoke about "Listening to God with all my Being!

This International Prayer Fellowship has as their new Director, the Most Reverend Reginald Hollis, formerly Archbishop of Montreal. As author and

speaker, he is a resource to the Church for retreats and conferences. Since his induction as Director, formats for much of their publicity have changed. Becoming a member through our chapter, Anglican Fellowship of Prayer, P O Box 2164, Los Angeles 90051, will bring to you their new magazine, *Partners in Prayer*, plus many of their resource materials.

Their 33rd International Conference was held in April in San Antonio, Texas. The Reverend Dr. John Claypool, Episcopal priest and well-known author was the leader; the Right Reverend Mark Dyer, Bishop of Bethlehem, PA, bible study leader; and businessman Howard Butt, well known for his charitable activities and his interest in spiritual renewal, was the banquet speaker. As always, their program is a spiritual banquet and has been a source of great interest to many people from our Diocese.

Our booth at Diocesan Convention put much spiritual material in circulation. The *Personal Prayer Notebook* continues to be in demand. Write us for yours. Our Annual Cycle of Prayer Calendar continues to increase its circulation.

Since prayer is the cornerstone and arch over all, we pray that more people will respond to the call from this Fellowship and become a member. Blessings!

The Bishop's Guild

Trinity Parish, Redlands (San Bernardino Region), the Reverend Louis Hemmers, Rector, was our gracious host for our luncheon and meeting on September 24, 1990. Canon Bruce MacPherson was a real pleasure as our luncheon speaker. He brought us up to date on changes at Diocesan House, the Bishop's vision for the future, and the importance of clergy and laity working together.

On October 18th, the Guild held its annual Garden Party. It was held at the beautiful ocean-front home of Linda and Denny Campbell in Corona Del Mar. It was a lovely day, a perfect setting with perfect weather, and the company was delightful and the food delicious. This is our big, annual fund-raiser for our seminarians and this year proved to be very fruitful once again.

In November, the Bishop's Guild held its annual meeting at St. James, South Pasadena (San Gabriel Region), the Reverend Peter Ensor, Rector. The Eucharist was celebrated by Bishop Borsch. Following a delicious luncheon, Bishop Borsch spoke to us on "New Ministry in the Diocese." The Guild was pleased to present to the Bishop another check which will once again be used for financially assisting our seminarians.

February 1991 saw the Guild visiting St. Francis Parish, Palos Verdes Estates (Santa Ana Region), the Reverend Robert Dunn, Rector. We were indeed privileged to have Bishop Talton as our Celebrant and Speaker. What a joy it was to hear from him and to welcome him to the Bishop's Guild. Wonderful food and fellowship completed a most enjoyable day.

At our April 30th meeting at St. Patrick's, Thousand Oaks (San Buenaventura Region), the Reverend John Erickson, Priest-in-Charge, we welcomed the Reverend Carmen Guerrero, Missioner for Hispanic Ministry as our luncheon speaker. Bishop Borsch celebrated the Eucharist for Guild members and guests. We were beautifully hosted to a delicious luncheon and all in all, a lovely day of fellowship was enjoyed by one and all.

The Guild was extremely pleased to be the recipient, in April, of an almost \$29,000 bequest. This will certainly be a tremendous blessing for our seminarians for many years to come.

If you are not familiar with the Bishop's Guild, let me enlighten you. The primary purpose of the Build is to prayerfully and financially under-gird our seminarians. It is a diocesan organization of clergy, clergy spouses, laypeople, and parish organizations. Financial aid which the Bishop is able to provide to seminarians comes largely from Guild memberships and our annual Garden Party. We make no demands upon your time, but we do ask for your prayers for our seminarians. We do need your spiritual and financial assistance. Your gifts are used solely to help seminarians. Membership is open to everyone. An annual donation of \$5.00 or more constitutes membership for the year. With your membership, you will receive the Bishop's Guild Invitations to our meetings and our Garden Party. Please prayerfully consider spiritually and financially helping our priests of tomorrow by becoming a member of the Bishop's Guild today. Membership check and inquiries may be sent to the Bishop's Guild, P O Box 2164, Los Angeles 90051.

Canterbury Irvine Foundation

This past year has been a time of transition for Canterbury Irvine. The chaplaincy continued in an interim through February, when the new Chaplain, the Reverend Sarah Koelling, began her ministry here. In September, the Reverend James Newman, Interim Chaplain, was called as rector of St. Bede's, Los Angeles. Nevertheless, Jim continued to be present at UCI regularly on Thursdays, carrying on the work of the chaplaincy in this mode September through early January.

During this time, Canterbury provided regular worship opportunities and participated in Interfaith Center lunches. The chaplain counselled students and was active in a number of campus speaking engagements. Canterbury Irvine also sponsored the participation of three UCI students at the IV National Gathering -- a large ecumenical conference held in Louisville, KY in late December, 1990.

Diocesan Mission Share Funds, the support of local congregations, and private donations currently make possible a part-time ministry at UCI. New Chaplain Sarah Koelling is on campus Tuesdays, Wednesday, and Thursdays weekly and, in addition, serves as Assistant at St. Wilfrid's, Huntington Beach.

With Chaplain Koelling's arrival, Canterbury was again able to expand its program to include not only regular worship but bible study and opportunities for fun and fellowship, as well. The Canterbury Irvine student community is growing. At the beginning of Spring Quarter, students were invited to the Chaplain's house for dinner and made plans for Spring and Summer activities.

Canterbury's desire to reach out to this thoroughly multi-ethnic university environment is shaping our plans for the future. UC Irvine is the most ethnically and religiously diverse campus of all the UC-system schools in Southern California. Here we live on the cutting-edge of ministry for the 21st Century, and we hope to prepare Christian young adults to faithfully lead the Church of the future.

Our Board has taken the initiative of expanding its membership in order to include people of color and to prepare for intensifying its fund-raising efforts. The Canterbury IRvine Board intends that this will become a full-time chaplaincy, prepared to meet the challenges of effectively ministering in this place.

Daughters of the King

The objective of the Order of the Daughters of the King is to bring women and girls into a personal relationship with Jesus Christ through the Episcopal Church. Daughters pledge themselves to a lifetime of prayer, service and personal evangelism.

Provincial and Diocesan officers of the Dioceses of San Diego and Los Angeles planned and carried out a Province VIII retreat August 24 - 26 for the thirty-five women from Northern California, Arizona, San Diego and Los Angeles areas at Hershey Hall, UCLA. The theme for the three day retreat was "Jesus, the Light of the World". The Daughters also held a meeting prior to the Synod meetings on Monday, August 27, at the Biltmore Hotel, Los Angeles.

Fall Assembly, October 20th, was held at St. Andrew's Church, Fullerton, with Bishop Borsch as the speaker. The assembly was well attended and Bishop Borsch was well appreciated.

Spring Retreat, held at St. Mary's Retreat House in Santa Barbara was led by Father Mark Shier. Titled "Spiritual Practicalities", Father Mark led us in a spiritual inventory of our lives.

Whitty Isaacs, National President for Daughters of the King, was speaker for Spring Assembly, May 4, held at St. Nicholas Church, Encino. A week later, May 12, Whitty instituted a new chapter, St. Therese of Lisieux, at St. Andrew's Mission, Irvine. Using her time well while in California, Whitty also visited Los Angeles chapters and spoke at an Assembly in San Diego.

Seminary scholarship recipients of the Bishop Gooden Memorial Fund this year were: Deborah Dunn Cunningham, GTS and Aiden Koh and William Hardwick at CDSP. The Daughters continue to support two women missionaries in Brazil. Our bi-monthly diocesan newsletter, *The Angels' Wing* is doing well

under the capable leadership of editor, Maureen Turk. Membership stands at over 300, with 24 chapters at this time.

The Episcopal Church Women

We continue to keep active in many areas and have had a rewarding year.

In August, we had the privilege of hosting the 62nd Annual Meeting of the Synod of the Eighth Province. Meetings were held at the Downtown L.A. Hilton with representation from 15 of the 17 Dioceses in our Province. The Opening Eucharist was at St. John's Parish, Los Angeles, followed by a Reception arranged by the ECW Diocesan Board. The meeting included reports, business, elections, workshops and Bible study. Excellent presentations were given by outstanding speakers at the luncheons and banquets. Social times were well planned for fellowship. Their theme, "Windows of Excellence," was indeed attained. It was all excellent.

Today's Woman, in its 10th year October 1990, surpassed in attendance, all previous years. Due to earthquake repairs at St. Edmund's Parish, San Marino, Today's Woman was held at All Saints' Parish, Pasadena. It remains an outstanding program for the women of this Diocese. The workshops are all excellent and one finds it difficult to make a choice. We are fortunate to have Barbara Colbert, Chair, to arrange this educational and spiritual day.

The Annual Meeting was held on March 18 and 19, 1991, at the Radisson Suite Hotel, Oxnard. Our keynote speaker was Patti Browning, wife of Presiding Bishop Edmund Browning, who shared her experiences as an Episcopal Church Woman throughout the world. The Reverend Carol Anderson, Rector of All Saints Parish, Beverly Hills, was our Workshop Leader and Dinner Speaker, her topic being, "The Church Alive." The Los Angeles Region was responsible for the Hospitality Room which generated great fellowship. Likewise, the Exhibit Room was of great interest to many. Installation of new officers by Bishop Borsch was during the Eucharist. Vi Hollenbeck, President; Judy Murray, Treasurer; and Mary Louise Smith, United Thank Offering Coordinator. It was during the luncheon that the gavel was passed to me and I had the opportunity to accolade and gift Jef Short for her many talents and abilities in so very well serving as President the past three years.

Women of Vision modules continue to be programs for region and local meetings. The Memorial Fund has been a blessing to many who needed financial assistance for their medical bills.

Our Annual Board Retreat/Work Retreat was April 1 - 3, 1991, at Mercy Retreat Center, Burlingame, there was a Province VIII meeting. The purpose was to prepare for our Triennial Meeting in Phoenix, July 11-20. Delegates, Province and National Officers from our Diocese attended, which included UTO, CPC, Altar Guild, D.O.K. and Women of Vision. Our National President, Marge Burke, shared this productive time with us.

It's been a busy year but serving the Lord is such a joy, I am looking forward to all the wonderful challenges and many joys ahead. With God's help, all things are possible. My sincere thanks and blessings.

The Diocese of Los Angeles received two grants this year: one grant of \$15,000 for the "Latch Key" program at St. Barnabas, Pasadena, and one a \$10,000 matching grant for a van to be used for the youth program at St. Athanasius & St. Paul Parish, Echo Park.

The Episcopal Home

During the past year the Episcopal Home Alhambra has continued to serve elderly persons in a continuum of care from independent living to skilled nursing. Of particular value has been the addition of the level of care known as personal care or assisted living. Persons at this level are still living as independent residents with assistance for bathing, dressing and medications. This level of service is proving to be an increasing need for the elderly of our society. It is anticipated that The Home will enlarge this level of care to meet the increasing demand.

An extensive remodel of the intermediate nursing facility has been completed resulting in the conversion of a 79 bed unit to skilled nursing care. This has increased the capacity of skilled beds from 99 to 173.

Under the new regulations adopted by the Federal Government The Home has increased its nursing service to the residents receiving care at the facility. The Home's reputation for its high standard of nursing care continues to make it attractive for those needing such care and we find it is not possible to meet all the inquiries for admission that are made.

The Canterbury

The Canterbury is a Retirement Community administered under the auspices of the Episcopal Home in Alhambra. The Canterbury is located in the city of Rancho Palos Verdes and is made up of 127 one and two bedroom units together with a 28 bed skilled nursing facility on a lovely 5 1/2 acre site. In its eighth year of operation The Canterbury is now over 90% occupied. Like our parent institution, The Episcopal Home in Alhambra, we are experiencing a frailer population of residents entering The Canterbury. The increase of support structures such as homemakers services, senior car networks, meals-on-wheels services etc., in our communities enable prospective residents to delay entrance into our facility. Once at The Canterbury utilization of our optional Home Health services increases proportionately so our Home Health department has become an integral part of the services we offer.

Membership in The Canterbury is open to all adults 62 years of age or above in good health. A physical examination by The Canterbury's medical director is required since independent living status must be assured. Units may be purchased outright, with a liberal amortization plan offered, or may be financed. A month to month rental plan is also available. A monthly maintenance fee covers basic services.

The Neighborhood Youth Association

"EVERY GROWING THING NEEDS A CHANCE TO CHANGE...
ESPECIALLY A BOY OR GIRL ON THE BRINK OF TROUBLE"

Founded in 1906, the Neighborhood Youth Association celebrated its 85th birthday by providing services to 3,267 low-income children, youth and families in the Venice, Mar Vista, Culver City, and Santa Monica communities in the West Area and the Carson, Wilmington, Harbor City, Lomita, San Pedro, and Torrance communities in the Harbor Area. But not without some difficulty.

Along with other social service agencies during this period of limited and declining financial resources, NYA struggled through a hard year during which the agency took stringent measures in order to ease a fiscal deficit and to insure its financial stability.

With most of the hard times behind us, I reflect back on this year in writing this report, and as I do so, I am struck by the dedication, the devotion and "stick-to-itiveness" of those people who have been associated with this grand old agency over the past year. The people who believed in us are still with us.

The agency's committed and dedicated staff, who, in spite of salary cutbacks and a reduction in their number, rose to the occasion and developed some of the most innovative and creative programming that we've ever had (and NYA is well known for its creative programs). The children and families served by NYA were well served by a small group of people who cared very much about who we were and what we did in the community. The staff, the kids and parents, the volunteers and the Board..they never gave up.

The agency graduated kids from high school, and sent some to college; and it graduated parents from its Proyecto Adelante (parent empowerment) project in Venice. I attended the parents graduation ceremony held at the Venice Broadway Elementary School, and saw men and women, many who did not speak English, receive their leadership certificates from our staff with a sense of pride and accomplishment that brought tears to our eyes and theirs.

Parents at NYA's Las Doradas Children's Center, moved in to fill the staffing void by volunteering in the classroom, bringing snacks, cleaning the facility, and doing the gardening. And Las Doradas, our wonderful support group in the Palisades area, rallied to raise additional funds for the Center and stuck with us through the hard times. Thanks to Ruth Galanter's office and staff, if all goes well, by this time next year the Children's Center will have a new home behind Broadway Elementary School.

In the Harbor Area, with limited staff, NYA's PEP Project (Peer Education Project) on AIDS education successfully trained 45 young people about the AIDS virus. They, in turn, talked to more than 600 other young people about AIDS.

Through all of this, NYA's Board of Trustees offered support and encouragement, financial assistance and direction and leadership as the agency made its way through troubled waters. They were with us every step

of the way, many of them bringing with them the resources of their respective corporations and institutions.

Yes, it's been a hard year. But it's been a good year, full of challenges and surprises, tears and laughter, and pride...lots and lots of pride. We've all learned and grown a lot...and one thing is for sure, that at 85, NYA is very much alive and doing well, thank you.

And thank you. God bless you all.

St. Barnabas Senior Center of Los Angeles

In 1990-91 St. Barnabas Senior Center continued to do more and more of what it does best: deliver services to the low income elderly designed to preserve their independence and prevent or delay institutionalization.

A Financial Counseling and Money Management Program, funded by the California Community Foundation and the Biely, the Anna Borun & Harry Borun, The H. Leslie & Elaine S. Hoffman, and the Ann Peppers Foundations, was inaugurated. Designed to manage the limited financial resources of severely impaired clients, this program is closely related to the continued independence of these clients. The agency continues to investigate the feasibility of obtaining conservatorships for even more severely impaired persons.

The Alzheimer Day Care Resource Center now operates six days a week at close to capacity enrollment. There is an unmet need for this program, particularly among minority populations, but space considerations limit enrollment at our center to 20 at any given time.

In these and other programs we delivered 561,725 services to 38,998 unduplicated clients in the recently completed fiscal year, each figure a new record for the agency. A staff of 43 was assisted by 140 volunteers donating a total of 55,000 hours in day care, nutrition, telephone reassurance, visitation and other areas of caregiving. A solicitation of transportation clients has been complete and has resulted in additional income as well as an expanded mailing list. The transportation programs are not income-restricted, and it is encouraging to know that many of those we assist in this way wish to support other programs of the agency.

St. Barnabas Senior Center is a team of board members, staff, funding sources, volunteers and clients. Since this annual meeting of the Board of Directors is followed immediately by a staff recognition luncheon, it may be appropriate to include a word of appreciation to our staff of 43. exceptional is the word that occurs to me. I believe that the programs of St. Barnabas are characterized by an excellence that is due primarily to the quality of our staff. I'm proud of them, individually and collectively. And I'm proud of the fact that the Board, through its Personnel Committee, recognizes the importance of the care and nurture of staff. As a

result, St. Barnabas is an exceptional place to work, and we've got exceptional people working here. Thank you all.

Executive Director

St. Margaret's School

The school year began on September 4 with 740 children enrolled in pre-school through grade 12, which is an increase of 50 students from opening day in 1989. Soon after the start of school, St. Margaret's hosted an Early Childhood Education Conference under the auspices of the Diocesan Commission on Schools on October 5-6. Ann Gordon, Chair of the National Association of Episcopal Schools was the Keynote Speaker and over 200 teachers from throughout Southern California attended the workshops and general sessions.

"Service to Others" earmarked the 1990-91 year at St. Margaret's Episcopal School. From September to June the students brought food items each week to help fill the Episcopal Service Alliance cupboards in San Clemente. Baskets were overflowing with canned goods at our Thanksgiving and Easter Eucharists, and the children provided good used clothing to be sold at the ESA Boutique in April. The Upper School girls' Ambassador Club (a service organization) went to an orphanage in Mexico, taking gifts of food and clothing.

A kaleidoscope of activities during the year include Preschool Indian Days, First Grade Africa Day, Third Grade Pioneer Day, the Roman Banquet in the Middle School, Fine Arts Night in the Upper School, and drama productions of "I Never Saw Another Butterfly" and "Peter Pan."

Our graduating Senior Class looks forward to attending such colleges and universities as UCLA, USC, Sarah Lawrence, the University of Oregon, Durham College in England, University of Virginia, and the UC campuses.

With the departure of the School's Chaplain, the Reverend Robert Edwards, in 1990 to become Rector of Christ Church in Redondo Beach, the School began a national search for a replacement and was fortunate to call the Reverend Michael Wlalens from the St. Michael School in Dallas, Texas. Father Wallens will begin in August, 1991. He brings with him is wife, Susan, and their two sons, Luke and Joshua.

In the 1991-92 school year, St. Margaret's plans to expand its outreach programs to the local community and the Diocese at large in view of its role as a Diocesan School, and has hired several new teachers with experience in the area of service. This emphasis should enhance the School's clear Mission to provide the best possible education to college-bound students.

As is well known, every congregation is required by *The Canons of the Episcopal Church* (Title I, Canon 5, Sec.1) to file an Annual Parochial Report with the Bishop of the Diocese (in the Diocese of Los Angeles the Secretary of Convention is designated by the Bishop to actually receive them) by February 1st for the preceding year. In the tables following you will note that six congregations did not file a report (indicated by an asterisk *). Of these six one filed a partial report. Since the final report to New York, the following congregations have filed: Trinity Parish, Los Angeles, October 2nd and Ascension Parish, Sierra Madre, October 10th.

The Constitution of the Diocese of Los Angeles (Article VI, Sec. 16) provides that "The Lay Members (of Convention) shall consist of Delegates chosen in proportion to the number of communicants reported to the Annual Meeting of Convention of the previous year."

REPORT OF INDEPENDENT AUDITORS

Board of Directors
The Protestant Episcopal Church in the Diocese of Los Angeles
Los Angeles, California

We have audited the accompanying statements of assets, liabilities and fund balances arising from cash transactions of the Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) as of December 31, 1990, and the related statements of revenue collected, expenses paid and changes in fund balances for the year then ended. These financial statements are the responsibility of the Diocese's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as stated in the following two paragraphs, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used in significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or various other institutions, parishes, missions and agencies of the Diocese.

The Diocese does not provide for depreciation on buildings and equipment. In our opinion, generally accepted accounting principles require not-for-profit organizations to recognize depreciation on buildings and equipment. It was not practicable to determine the effects of the unrecorded depreciation on the financial statements.

As described in Note A, the Diocese's policy is to prepare its financial statements on the modified basis of cash receipts and disbursements. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation and except for the effects of not recording depreciation, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the Protestant Episcopal Church in the Diocese of Los Angeles as of December 31, 1990, and the revenue collected, expenses paid and changes in fund balances for the year then ended, on the basis of accounting described in Note A.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information on pages 13 to 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation and except for the effects of not recording depreciation, ■ fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE A - Summary Of Significant Accounting Policies

Basis of accounting

The accounting policies of The Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) conform to a modified basis of cash receipts and disbursements which have been consistently applied in the preparation of the financial statements. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accruals are made for pledges receivable and the Agency Funds.

Fund accounting

Financial activities are recorded in the individual funds described below, each of which is deemed to be a separate accounting entity. The financial affairs and operations of each fund are accounted for in separate accounts which represent the funds' assets, liabilities, fund balance, revenue and expenses.

Mission Share Fund

Transactions related to revenue primarily from the churches within the Diocese and used to finance the annual programs and budget of the Diocese as approved at the Diocesan Conventions are accounted for in the Mission Share Fund.

Agency Funds

Transactions for which the Diocese maintains a fiduciary responsibility are accounted for in the Agency Funds.

Missionary Expansion Loan Fund

Transactions related to resources obtained and used for the purpose of providing financing for various missions and parishes are accounted for in the Missionary Expansion Loan Fund.

Endowment and Trust Funds

Transactions relating to resources obtained through an endowment or trust and restricted for specific purposes are accounted for in the Endowment and Trust Funds.

Venture in Mission Fund

Transactions relating to resources obtained through fund raising activities and restricted for specific purposes are accounted for in the Venture in Mission Fund.

NOTE A - Summary Of Significant Accounting Policies - (continued)

San Juan Capistrano Debt Service Fund

Transactions related to funds obtained and used for the acquisition of property and construction of facilities for St. Margaret of Scotland Mission and payment of principal and interest on the related debt are accounted for in the San Juan Capistrano Debt Service Fund.

Property Fund

Transactions related to the capitalization of disbursements for fixed assets are accounted for in the Property Fund. Property and equipment are generally carried at cost. The accompanying financial statements do not reflect depreciation or amortization of exhaustible property.

Total (memorandum only) column

The data shown in the total (memorandum only) column is presented for purposes of additional analysis. Such data merely aggregates the columnar statements by fund types and is not intended to present combined financial information in conformity with generally accepted accounting principles.

NOTE B - Other Episcopal Church Agencies In The Diocese Of Los Angeles

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or other institutions, parishes, missions and agencies for which the Diocese acts solely as an agent.

NOTE C - Diocesan Investment Trust

The Diocesan Investment Trust is included as a portion of a portfolio of various securities maintained and controlled by a board of trustees. The Trust is carried at cost. Aggregate market value of the Diocese's portion at December 31, 1990, is \$2,824,074.

NOTE D - Loans Receivable - Missions And Parishes

Loans receivable from missions and parishes consist of various notes and promises to pay, some of which have no specific due dates or repayment arrangements.

NOTE E - Bonds Payable

Income and capital bonds were issued to fund the construction of facilities for St. Margaret of Scotland Mission. Both issues bear interest at 10% per annum. Simple interest on the income bonds is paid semi-annually. Compound interest on the capital bonds is accrued and paid upon redemption. The maturity dates of the bonds are as follows:

NOTE F - Notes Payable To Bank

The notes payable to bank are as follows:

Description	Amount
Note payable, secured by deed of trust, due August 1993, interest at a rate equal to 1.25% above prime	\$ 1,861,648
Note payable, secured by deed of trust, due August 1994, interest at a rate equal to 1.25% above prime	703,311

NOTE G - Note Payable To Others

The note payable to others consists of an unsecured, non-interest bearing loan payable to the Diocese of San Diego. Principal payments of \$10,000 are due annually.

NOTE H - Employee Benefit Programs

The Diocese is required to contribute 18% of all clergy compensation, as defined, to the Church Pension Fund. The Fund provides retirement and other benefits to members of the clergy. During 1990, the Diocese contributed \$96,000 to the Church Pension Fund. There are no clergy contributions and the Diocese contributions are made quarterly.

The Diocese also participates in the Church Life Insurance Pension Plan for full time lay workers, not covered by other means, who have been employed by the Diocese for one or more years. Lay workers of the Diocesan Corporation are covered under a fixed contribution pension plan. The contributions are computed at 9% of eligible wages and amounted to \$51,970 for the year ended December 31, 1990.

THE DIOCESE OF LOS ANGELES

FORTY-FIRST ANNUAL REPORT

of

THE DIOCESAN INVESTMENT TRUST
OF THE DIOCESE OF LOS ANGELES

For the Year Ended October 31, 1990

To Our Shareholders:

January 9, 1991

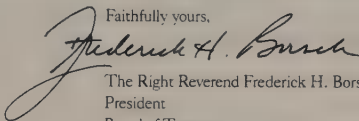

It is my pleasure to present the D.I.T. Annual Report for 1990. It includes audited statements, a 40-year performance chart, a listing of the management team, and a note for shareholders, on the inside back cover, on how the D.I.T. is administered. Summing up the year, one of troubling and challenging times which continue into 1991, the following highlights may be helpful:

- The Total Return for 1990 was a loss of 1.68% (an Income Return of 6.40% and a decline in Share Value of 8.08%). The 10/31/90 Share Value was \$84.66 compared with \$92.11 on 10/31/89.
- Comparative Total Returns for the same period provide a useful perspective: the Dow Jones Industrial Average, down 3.9%; the S&P 500, down 7.4%; the Value Line Composite, down 26%.
- While not happy about a loss, we are pleased with this relative performance and feel it supports the prudence of our investment objectives and strategy as well as the skill of our managers in implementing that strategy.
- In late October, the Trustees moved all funds in Bond Fund of America into the U.S. Government Guaranteed Securities Fund, also a member of The American Funds Group. Yields are comparable and the portfolio of Government Bonds is viewed as having less risk than Bond Fund of America, for the uncertain period ahead.

The first two months of the current fiscal year show the Value per Share on 11/30/90 at \$87.94 and on 12/31/90, \$89.89.

For Shareholders who take an exceptionally dark view of the prospects for financial stability in the coming months and question why any of the D.I.T. money is in common stocks, we encourage study of the 40-year chart and its trend through up and down markets. Also, the Trustees are pleased to discuss, with shareholders, the advice we receive from the D.I.T.'s Investment Advisers and the AIMS service and why the portfolio is balanced as it is.

Faithfully yours,

Dividends per share are each year's total of quarterly dividends paid, or due to be paid in early November in the case of the fourth quarter. Since the number of shares varies through the year, the total shown here will vary slightly from the summary numbers for shares and dividends shown in the financial statements.

²Income return calculated by dividing each year's dividends per share by the average of that and the preceding year's ending share value.

³Each year's net change in share value divided by beginning share value for that year.

*A simple growth rate, calculated by dividing the 746.6% gain (from \$10 to \$84.66) by 41 years, produces an "average annual appreciation" of 18.21%. Adding 4.99% average annual dividend results in an "annualized total rate of return" of 23.20%. The compound growth rate calculation is a more traditional approach. It says, in effect, that \$10 increasing 5.35% a year would grow to \$84.66 in 41 years. In addition, the growing principal amount was yielding an average annual dividend of 4.99%. Thus 10.34%. The DIT was formed in July, 1949 with a beginning share value of \$10.

Report of Independent Accountants

November 19, 1990

To the Board of Trustees and
Shareholders of
Diocesan Investment Trust of
The Diocese of Los Angeles

In our opinion, the accompanying statement of assets and liabilities (including the statement of trust investment securities owned at October 31, 1990) and the related statements of operations and of changes in net assets present fairly, in all material respects, the financial position of Diocesan Investment Trust of the Diocese of Los Angeles at October 31, 1990 and 1989, and the results of its operations, and its changes in net assets for each of the two years in the period ended October 31, 1990, in conformity with generally accepted accounting principles. These financial statements are the responsibility of the Trust's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with generally accepted auditing standards, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall presentation of the financial statements. We believe that our audits, which included confirmation of securities at October 31, 1990 and 1989 by corresponding with the custodian, provide a reasonable basis for the opinion expressed above.

Notes to Financial Statements October 31, 1990 and 1989

Note 1—Summary of Significant Accounting Policies:

The following is a summary of significant accounting policies consistently followed by the Diocesan Investment Trust of the Diocese of Los Angeles (the Trust) in the preparation of its financial statements. The financial statements have been prepared in conformity with generally accepted accounting principles.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Security Valuation

Investment securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year; securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the mean between the last reported bid and asked prices. Mutual fund shares are valued at quoted net asset value.

Investment Income and Security Transactions

Investment securities are recorded on trade date. Realized gains and losses from investment transactions are reported on the average cost basis. Interest income is accrued monthly. Dividends are accrued on the ex-dividend date.

Dividend Distributions

Net investment income is distributed on a quarterly basis.

Income Taxes

The Trust was incorporated in California in 1949 as an investment trust. Subscription to the Trust is limited to churches and other institutions affiliated with the Protestant Episcopal Church in the Southern California area. The Trust is exempt from federal and California income taxes and had no unrelated business income during the years ended October 31, 1990 and 1989. Accordingly, no provision for federal and California income taxes is necessary.

Shareholders of Beneficial Interest

Cash tenders for subscriptions to shares and requests for withdrawal and redemption of shares must be received three business days prior to the end of any period. Share prices for tenders and surrenders are based on the period end net asset value per share determined on the same basis as in the annual financial statements.

Note 2—Investment Policy:

The investment policy of the Trust is to invest approximately two-thirds of Trust assets in mutual funds managed by Capital Research and Management Company with the remaining one-third in assets managed by Cramblit & Carney Inc.

Note 3—Shares of Beneficial Interest Outstanding:

The shares of beneficial interest outstanding include 10,032 shares to be issued for subscriptions received at October 31, 1989.

Note 4—Related Parties:

On August 10, 1990, the Trust changed custodians from Security Pacific National Bank to U.S. Trust Company of California, N.A. The Secretary of the Trust is also Executive Vice President of U.S. Trust Company. Total fees of \$9,100 were paid to U.S. Trust Company for the year ended October 31, 1990.

On Christian Education and Leadership Training

The year 1992 for the Program Group on Christian Education and Leadership Training may well be characterized as a "leap forward" in lay, non-professional leadership of significant programs and developments in educational ministry on the diocesan level. This symbolized by the gathering of Christian Education leaders at St. James in South Pasadena on May 16th and by the training program in Catechesis of the Good Shepherd, held at Church of the Angels, Pasadena in August for six parishes. The DRE gathering not only gave support, new ideas, and inspiration to those gathered but has resulted in volunteer coordinators for three "networks" of congregational education leaders, one in San Gabriel Valley, one in the mid-coastal region, and one in northern San Buena Ventura. These networks will be self-help and autonomous, sharing with each other their resources and support. The need is for more people who are involved in exciting and effective educational ministry in their congregations to volunteer their skills, enthusiasm and ideas on the diocesan level. "Catechesis of the Good Shepherd" has been the vehicle for enrichment of the pre-School through eight year old programs in the congregations of two such people, Linda Catalano of Trinity, Fillmore, and Tracy Gaestel, Church of the Angels. These two women have, with help from both their parishes and the Christian Education office for funds to attend national training programs, have designed and executed a two-week program of intensive training for congregations within the diocese.

The publishing of Access by the Christian Education Office with the help of funds from the grant monies offered by the Church of Our Saviour Parish, San Gabriel is providing a most important tool for the sharing of ideas and program among congregations. CELT members have provided curriculum and video reviews as well as articles for this "hands-on" congregational resource.

CELT continued its planning and support of four regional Teachers' Workshops in October. The LA workshop was planned in specific response to the challenges of healing and rebuilding LA, offering local congregations not only the expertise of national leaders like Tony Massengale, but also specific workshops addressing multi-cultural tensions, gangs, dealing with children in tension, and curriculum for peace building. Kim Rohde of St. Gregory's, Long Beach coordinated the four outstanding programs. Other workshop sites included St. Margaret's, San Juan Capistrano; Trinity, Redlands and St. Columba's, Camarillo.

Adult Education events sponsored by CELT included the February 7th and 8th training event for bible study leaders, co-sponsored by Casa Rusack at Bloy House, with over 100 participants. Plans are in place for the February 5th and 6th, 1993 conference, again co-sponsored by Casa Rusack. The second annual the Gospel for the Year Conference (Matthew) was held on November

7th. Dr. K. C. Hansen, popular Bloy House professor and Matthew scholar was particularly helpful to clergy, teachers and lectors exploring Matthew with new understandings and insights.

CELT takes its first plunge into a family event in Lent of 1993 with a day of preparation for the sacrament of Baptism for both parents and children. The "happening" will occur on March 20th, 1993. Details and plans will be in ACCESS as well as from the Education office.

The Program Group will co-sponsor with other program groups and commissions a Spring Ministry Festival on May 8th. The festival will offer in one place and at one time the riches of program and ideas for ministry to local congregational leaders and commission members.

The long awaited Video companion to the Prayer Book Catechism on Holy Scripture, co-produced by Cathedral Films and CELT will appear shortly in book stores and in the Resource Center.

A truly inclusive membership on CELT remains an elusive goal. The group continues to solicit a full complement of members from the ethnic communities which comprise the Diocese of Los Angeles.

Deacon Phina Borgeson inspires, energizes and empowers CELT to offer our individual and corporate gifts to the educational ministry of the Diocese. For her leadership we are continually grateful.

On Ministry in Higher Education

In this past year, our principle interests have dealt with the following issues: (A) funding the salaried chaplaincies at UCLA, USC and UCI; (B) developing methods of strengthening the ministries of Canterbury Boards; (C) establishing evaluation policies to review the ministries of our salaried chaplains, Canterbury Boards and parish-based ministries.

(A) FUNDING THE SALARIED CHAPLAINS AT UCLA, USC, UCI:

For some time now, there has been discussion between Bishop Borsch and PCMHE concerning sources of funding for our salaried chaplains. Bishop Borsch has been concerned for the long term financial stability of the chaplains. He believes this stability will come through the development of

alumni/ae constituencies and relationships with neighboring congregations who could be the source of capital funds to support each chaplain's ministry.

As reported earlier, the Bishop has suggested that we have a five year program beginning in 1992 with the following guidelines: 1. for the first three years the MSF budget and Corporation Sole would guarantee all of the full salaries; 2. In the next two years the support from Corporation Sole would begin to devolve while the MSF grant held steady; 3. during these five years, the chaplains at UCLA, USC and UCI would work to build up a fund raising support base which would replace the Bishop's support from Corporation Sole while the MSF grant would remain steady at the current level of \$116,500. (The total MSF grant in 1992 is \$120,000 to PGMHE. The remaining \$3,500 is used for parish-based campus ministry.) The MSF budget could increase if additional funds become available. In light of the present budget challenge we are facing however, PGMHE is thankful for the support it receives from Diocesan Council. According to the Bishop's plan, the MSF grant in 1995 would be the steady amount PGMHE could rely on as a base for the chaplains to build upon.

(B) STRENGTHENING THE MINISTRIES OF CANTERBURY BOARDS

PGMHE is currently working with our Canterbury Boards to encourage their greater involvement in the ministries of the chaplains. This would include the recruitment of Episcopalian alumni/ae who are active throughout the Diocese and the development of ministerial relationships with neighboring congregations. As the ministries of the Canterbury Boards develop, two vital interests will be served: (1) the chaplains will not feel as isolated and lonely as they can due to the unique nature of campus ministry; (2) the board members will take on greater responsibility under the chaplain's leadership for building up other sources of income and endowments and in determining the chaplain's salary.

(C) ESTABLISHING EVALUATION POLICIES

If we are to achieve a sense of mutual ministry between the chaplains, the Canterbury Boards and the Diocese, our Program Group believes it is essential that a process of evaluation with clear expectations be developed and implemented. Such evaluations would be done in a spirit of positive reinforcement of our chaplains with an emphasis on looking for what has been working in ministry and what could be done to further expand and strengthen ministry.

Throughout this process of establish new policies for PGMHE, both Bishops Borsch and Talton and Canon MacPherson have been wonderfully supportive. I am thankful for their leadership. I would like to thank Diocesan Council for its continued support of PGMHE as we work toward the goal of making our campus ministries a model program for the Diocese.

Miscellaneous: The Diocese has, for many years, owned a church building located in the Navy family housing section of Long Beach. The Savannah-Cabrillo Navy Family Chapel has been staffed by Navy Chaplains and all

costs connected with parish life was borne by the Navy. With the decision to close the Long Beach Naval Station, the congregation petitioned the Diocese to walk with them and explore the option of coming into the Episcopal family. The Reverend Canon Paul Lawson was appointed as Priest-in-Charge and has begun to work with two neighborhood Baptist churches toward an evolving Anglican/ Baptist congregation which honors both traditions. Rich learning has come out of this unique opportunity and experience.

Conclusion: The recession has dramatically impacted our mission congregations this year as did the necessary reduction to the Mission Development Fund budget of the Program Group by the Diocesan Council. This year, in many ways, could be described as a time of holding in place if not retrenchment.

We have begun to see increasing resistance in many communities to the establishment of new Christian Churches. Our missions which don't have buildings have discovered that the development costs of new construction formerly provided by municipalities is now being passed onto the local church. Such realities have forced us to begin to live into a new paradigm of shared development with other institutions, retrofitting existing buildings or permanently not having buildings of our own. The long term impact of this situation requires us to explore the possibility of shifting resources from declining older parishes to newer churches, engaging in substantial renewal in stewardship, exploring more joint development or radically rethinking our image of what a church look like; if we are to respond to the challenges of growth in newer communities.

The financial crisis may enable us to move beyond renewal toward reformation as we seek to be faithful to our commitment to the Great Commission.

On Youth

The Program Group on Youth is composed of lay persons and clergy, youth and adults who have a strong commitment to youth ministry on parochial, regional, diocesan, provincial and national levels. The group provides support, communications, resources, advocacy, and assistance in the development of youth ministry programs and service. It also offers a wide range of activities and training for youth and youth advisors throughout the diocese.

Three regional Youth Rallies were held this year, one sponsored by the Santa Ana Region at Camp Stevens, and one for junior high and one for senior high youth at The Episcopal Camp at Wrightwood sponsored by the San Gabriel Region. Each of these rallies was supported by the Program Group.

The Program Group on Youth continues to participate with young people from throughout the diocese in the annual Diocesan Convention. Young people act as "pages" and "gophers" and are better known as "Fred's Flyers". During the convention this year, five young people of the diocese, one representing each region, participated as delegates with seat and voice.

The Diocesan Youth News, a newsletter for youth and youth advisors, continues to be published by the Program Group on Youth. This year the newsletter is being published only four times due to the cuts in the budget. Circulation has increased to over 2700 per issue. The newsletter contains articles on issues that young people face and news about what is happening in their church, region and diocese. The Program Group also publishes the Youth Ministry Calendar Book containing dates and information for all diocesan events as well as some regional events for the coming year.

Happening continues to be a part of the diocesan program for youth. Happening is a weekend spiritual experience for young people in the 10th, 11th, and 12th grades, and is a national program. The Program Group also sponsored New Beginnings III at Camp Whittier and IV at the Episcopal Camp at Wrightwood. New Beginnings is a weekend experience for junior high age young people. "Search" was held in April of this year at Camp Whittier in Santa Barbara. "Search" is a spiritual weekend for young people of senior high age and above.

This year, the Program Group again held its Lenten Workshop Day at St. Edmund's Church, San Marino. Young people came together to attend workshops on spirituality, vocation, sexuality, peer pressure and others: to have fun, and to worship together.

For the third year, young people from this diocese were participants in the Provincial Synod, held in Honolulu, Hawaii. Young people had seat and voice in business sessions, and fully participated in all activities.

Greg Totten, member of St. Mary's Mariposa, represented the youth of the diocese again this year on the Provincial Youth Council along with Marge Devine, Youth Ministries Coordinator. The Provincial Council meeting was held in Portland, Oregon for four days in February.

Marge Devine, Corrie Potter, and Greg Totten represented the diocese on the design team for the Provincial Youth Event which was held in August of this year in Spokane, Washington. Forty-three young people and adults represented the Diocese of Los Angeles at the tri-annual PYE, the largest and most representative delegation in the Province.

The Program Group has now recruited a regional youth worker from each of the five regions in the diocese to help support and be a resource person for youth ministry.

In addition to its regular training sessions for youth leaders, the Program Group continues to develop its program of training persons who are presently or feel called to be youth advisors. This program is divided into two phases: 1) "Practical Skills for Youth Ministry", a basic seven-day training event to be held at Wrightwood in August, and 2) an Internship program in conjunction with Bloy House, where participants will study Systematic Theology, New Testament Theology, and Youth Ministry.

Held in January at St. Augustine's Church, Santa Monica, the Bishop's Ball is a fund raiser for the Diocesan Center. Bishop Borsch and Bishop Talton attend this second Bishop's Ball.

The Program Group on Youth continues its work with local churches and regions in the development of youth ministry programs and the search for youth advisors.

The Program Group welcomes all suggestions, questions, and ideas as well as all persons interested in and committed to youth ministry to become involved in work and planning for the expansion of youth ministry in the Church.

On AIDS Ministry

The Commission on AIDS Ministry is composed of members who have a strong commitment to our Lord and his ministry with the HIV community. The Commission is made up of women and men, gay and heterosexual people, and people from many of the ethnic groups that make up the Episcopal Church in the Diocese of Los Angeles. The Commission met monthly, usually on the

the Diocese of Los Angeles. The Commission met monthly, usually on the first Monday of the month, at Diocesan House. The Commission also made its annual planning retreat in April.

The Commission's Mission Statement is "To bring Christian witness and work to the AIDS/HIV community and to bring the AIDS/HIV community to the church." In order to carry out this mission, the Commission is divided into four working committees that met as a part of the regular monthly Commission meetings and at other times as warranted. The Committees are as follows:

SUPPORT, chaired by Commission Vice Chair, Dalton Cole, is responsible for developing and maintaining the Commission's education programs and publications, maintaining the speaker's bureau, and the L.A. County/USC AIDS Clinic Lunch Program. This year trained speakers from the Commission were engaged by St. Mark's, Upland; All Saints', Highland Park; St. Barnabas, Eagle Rock; Advent, Los Angeles; All Saints', Santa Barbara; St. Peter's, Santa Maria; St. Clement's, San Clemente; St. Augustine's, Santa Monica; St. James', South Pasadena; Trinity, Redlands; and St. Matthew's, Pacific Palisades. The AIDS Clinic lunch program was expanded to include St. Mary's, Palms; Holy Nativity, Westchester; and St. Bede's, Mar Vista to form a cluster of parishes to take on an additional luncheon day at the clinic. These parishes join St. Andrew and St. Charles, Granada Hills; St. Cross, Hermosa Beach; All Saints', Beverly Hills; and St. Barnabas, Eagle Rock in providing five lunch days per month at the clinic. The AIDS *Information and Resources Directory* was updated and mailed to each congregation in the diocese in October. An edition of the Commission's newsletter was produced and mailed to each congregation in the diocese in October. A new Commission ministry brochure was printed and distributed diocesan-wide. In coordination with the Diocesan Commission on Schools, a new Christian AIDS education curriculum is currently being written for use in diocesan parochial schools.

CHRISTIAN LIFE, chaired by the Reverend James Corbett, is responsible for the coordination of the annual diocesan AIDS Mass, held during the National Church's AIDS Awareness Month in October of each year; maintaining the diocesan AIDS Memorial Chapel and Book of Remembrance at St. Thomas', Hollywood; supports the Episcopal AIDS Chaplaincies at County/USC Medical Center, Martin Luther King Medical Center, and at the Hospital of the Good Samaritan; and maintains a list of volunteer "chaplains" for service to the HIV community. The Diocesan AIDS Mass was celebrated this year at All Saints', Beverly Hills on October 20th, with Bishop Borsch as President and Bishop John Anderson of the Evangelical Lutheran Church in America as preacher. The reception following the mass was hosted by Diocesan Council. The development of Christian HIV+ support groups and prayer groups is being planned for 1992-93.

DEVELOPMENT, chaired by Sue Scott, is responsible for on-going fund-raising; grant writing; budget development; volunteer coordination; and overall financial oversight. The principal fund-raising event of the year was the *Stars With Hearts* benefit put on by the AIDS Ministry of All Saints', Beverly Hills on May 30th, which raised almost \$40,000. The event, held at All Saints', was a great success due to the talent, and long and untiring work of the All Saints' AIDS Ministry.

NEW HOPE, chaired by Bette Ripp, provides support to the Commission's non-profit corporation, Project New Hope. Project New Hope develops housing and

employment training programs for the HIV/AIDS community. New Hope is currently developing apartment complexes in San Pedro and El Sereno and opening a vocational training center at Trinity Parish, Los Angeles. New Hope funding comes from the Commission, the Federal Government, the State of California, the City of Los Angeles and from private grants.

The AIDS Commission was represented at General Convention in Phoenix, co-sponsoring a booth with the AIDS Task Force of the Diocese of Arizona, with whom the Commission has established a "companion" relationship. The Commission was also present with an information booth at the Diocesan Convention in Riverside in December. The Commission organized the diocese's participation in AIDS Walk Los Angeles in September with approximately fifty Episcopalians from throughout the diocese walking. The Commission supported and participated in the diocesan entry and booth at West Hollywood's Christopher Street West Parade and Festival during which over two hundred Episcopalians marched with Bishop Talton. Prior to the parade one hundred and fifty people participated in a "street" Eucharist.

The Commission financially supports the Episcopal AIDS Chaplain at County/USC Medical Center; Tuesday's Child, an AIDS support program for children; the AIDS Clinic Lunch Program; and Project New Hope. Through the Commission's office, located adjacent to the Hospital of the Good Samaritan and the Bishop's Coordinator for AIDS Ministries, Jack Plimpton, the Commission maintains an on-going counseling and advocacy program with referrals from AIDS Project, Los Angeles, the All Saints AIDS Service Center, Pasadena, and from clergy and parishes from throughout the diocese. The Commission is ably supported by its Diocesan Council liaison John Killefer.

On The Clergy Community Conference

The Annual Clergy Community Conference was held October 13-15, 1992 at Fredericks Holiday Inn in Solvang. The Speaker was our own Dr. Marilyn Adams who spoke on "Suffering and Salvation." The Tuesday morning conversation with the Bishops was another high point of the Conference. At Dinner, Monday evening, we were entertained by the Celtic sounds of "Queen Mab."

We are looking forward to this year's Conference, October 11-13, 1992 at the Ratison Suites in Oxnard where the Speaker will be the retired Archbishop of Canterbury, Robert Runcie.

The Clergy Community Conference is open to all Clergy and Spouses in the Diocese. Financial assistance is available to ensure that all who wish to may attend. We welcome all members of the Clergy Community to join us for this time of refreshment and renewing of friendships.

On Diocesan Human Service Ministries

In addition to annual allocations to St. Barnabas Senior Center, Seamen's Church Institute, and Neighborhood Youth Association, the Commission supported the Episcopal Volunteer Ministry program placed an informational insert in the *Episcopal News*, and assisted the Bishop Gooden Home in painting their facility.

The Commission was instrumental in the formation of the Bishop's Task Force on Lay Employee Benefits which will present two resolutions to Convention. The Commission again seeks representation for Diocesan Institutions at Convention, this year by seat and voice but no vote. It is clear, however, that Convention can and does impact the Institutions financially, as in the case of the lay employee benefits resolutions. That the Institutions have no vote at Convention is tantamount to "taxation without representation".

On Ecumenicity

The ecumenical arena has seen much work being done locally, nationally and internationally to shift from a heavy emphasis on theological dialogue and consensus building to an "ecumenism of the possible" - a stressing of the achievement of short term, attainable, practical goals.

Locally, one of the greatest difficulties has been the lack of funds to accomplish the working, researching, preparing and putting into practical action the multitude of ecumenical opportunities. By the same token, the number of opportunities is a great asset. We hope they can be developed and implemented more and more at the parish level. To this end we have begun the development of a program of Parish Ecumenical Representatives and a possible joint training program with the Archdiocese. An excellent result has been achieved in West Texas, where such a program was begun recently.

Our diocese is one which is undertaking a study and response of the Lutheran/Episcopal "Toward Full Communion and Concordat of Agreement". Our response will be completed by early Spring and join with others for possible action at General Convention.

Through our Faith and Order Group, our diocese is one of 16 in the nation which is making a full response to the Consultation on Church Union's proposal "Churches in Covenant Communion". Although the Episcopal Church has expressed several serious reservations about COCU, we are continuing

our input even though we would not be one of the participatory bodies at this time.

We continue work on a new "Guidelines for Ecumenical and Interreligious Affairs" even though funding is not currently available for its publication and distribution.

We are pleased with the growing plans for joint activities in regard to Lutheran/Episcopal clergy, especially the 1994 Clergy Conference. We see this as only one of several opportunities to implement the "Implications of the Gospel", LED text.

In association with this, we are looking forward to the local LED committee's presentation soon to be announced. We hope this will be the beginning of many joint ventures.

Our Ecumenical Officer is participating on the Steering Committee for the National Consultation on Ecclesiology to be held in October 1993. The theme will be "Ecumenism of the Possible: Witness, Theology and the Future Church." It is hoped that the results of this work will set the direction and much of the working agenda for the ecumenical segment of our Church through the first quarter of the next century.

The Annual ARC event and LARCO retreat were both well attended and well presented. We look forward to the ARC Fall Event this year, October 31, on the topic, "Women as Spiritual Directors". Next year's LARCO Retreat will be March 22-23 with Brother Gregory Elmo from Valyermo as leader.

We have begun work on developing common baptismal certificates to be used with other Christian bodies, notably Roman Catholic.

The Vatican Response to the ARCIC I Final Report, ten years in the making, was a great disappointment to all. It does, however, point out the need to diversify our ecumenical efforts and place all of our efforts in this are in relationship to each other and to intensify our efforts on local cooperation.

We are very excited over the beginning of work on a Covenant relationship with the local Archdiocese and hope to have that work completed in the first half of next year. We are also exploring the development of a covenant relationship with the Lutheran Synod.

We have also been observing the continued declining effectiveness and work of the Southern California Ecumenical Council. Today it does little work other than serve as an umbrella organization for legal purposes for other bodies. On the other hand, several more local ecumenical bodies seem to be developing new life and reaching out into their communities.

This year's National Workshop on Christian Unity and Annual Meeting of the Episcopal Diocesan Ecumenical Officers showed the latter with much more business and interaction being done than in recent years. Our Province conducted one of its most productive gatherings, especially due to its closer location (Denver this year). Father Hand was reelected as the Province of the Pacific Coordinator.

The Fourth of July holiday for 1992 saw our Ecumenical Officer in Chicago attending and speaking at the annual meeting of the Philippine Independent Church for the Diocese of North America.

Many, many local events of ecumenical cooperation are taking place every day. Most are not thought of as ecumenical or of "great" importance, just something done with the church down the street. However, this is when the most important ecumenical statement is made - on the local scene between Christians of various faiths, not between theologians and church politicians. The fervent prayer of this commission is that such activities will become so common place and natural that our Lord's prayer will become real "that we all may be one, as Jesus and the Father are one."

The Commission reports very little activity for the period of July 1, 1991 through June 30, 1992. The ball has been picked up again, and our schedule of meetings will resume for the next period.

Rather than establish our own service for the observation of the annual Week of Prayer for Christian Unity in January as we have done in the past, in 1992 we encouraged members of all churches to support the excellent service sponsored by the churches of Garden Grove, hosted by St. Anselm of Canterbury Episcopal Church.

Episcopal/Lutheran Dialogue

The Episcopal/Lutheran Dialogue Committee has been meeting regularly during the year. The Committee has drawn up a map of Lutheran and Episcopal parishes throughout the Los Angeles County with the purpose of bringing parishes to notice and know their neighbors. Several churches including St. Mark's, Altadena, and St. Barnabas', Eagle Rock, have engaged in parish visitations in which a team of members of an Episcopal congregation visit a Lutheran Church followed by a reciprocal visit by a Lutheran team the next week. The teams give reports to the other congregation on what they observed and felt about their visit, using a prepared questionnaire. It is intended to expand this exchange event in the coming year.

Other activities of the year include the start-up of a joint appointment by the Episcopal Diocese and the Lutheran Synod of a Lutheran/Episcopal Chaplaincy at Occidental College.

In September, a Conference on the two principal documents of Lutheran/Episcopal dialogue - "Towards Full Communion", was held at Cal Lutheran University, sponsored jointly by the two Churches.

Outside the Committee's activities, we hear of several Episcopal parishes which are active in developing Lutheran/Episcopal connections, most notably St. Ambrose in Claremont and St. Francis, Simi Valley. The Committee members would be delighted to hear of other individual projects within the Diocese.

On Episcopal Asiamerican Strategy Task Force (LAD/EAST)

The purpose of LAD/EAST is to support the development of Asian ministries especially Asian congregations in the Diocese of Los Angeles through: fellowship and support; sharing in program design and implementation; funding initiatives; communication with other diocesan leaders and groups; and, participation in diocesan, national and provincial activities.

This year we had the joy of having one of our members, the Reverend Benjamin Pao elected to Executive Council. He is one of two Asians elected, the other being the Reverend Fran Toy.

The budget crunch at both the national and diocesan level (LAD/EAST budget was reduced by 20%) has affected planned programs and grants given to congregations needing the support. The two workshops planned for this year, Youth and Leadership, will not go on as envisioned. Instead, LAD/EAST in concert with Pacific and Asian American Congregations will host an ecumenical workshop on leadership. The purpose will be to increase sensitivity to the diversity in attitudes, values and beliefs among generations within Pacific and Asian congregations.

Several of our members attended the Anglican Encounter in Brazil which was a gathering of Anglicans around the world to discuss issues on peace and justice, racism, violence and oppression of women. The attendees came back from the conference enriched and feeling empowered. Our members participated in the Martin Luther King Legacy Dinner Fund drive. The proceeds were to be used to support not only black students at the three colleges run by the Episcopal church but also for native Americans and Asia-american students as well.

Our By-Laws, a product of our working committee have been approved and will be enforced.

Currently a committee is working on compiling all the LAD/EAST minutes since its inception in 1974.

Members of LAD/EAST attended the annual meeting of the national Episcopal Asiamerican Ministries in Olympia, Washington. A panel discussion on the Los Angeles riots was presented by members of LAD/EAST. Other presentations were the method and opportunities for evangelism and outreach at three doors and the Bible Interpretation from a different perspective.

The Reverend Mitsuo Akiyoshi resigned as chair of LAD/EAST and the Reverend Gregory Bayaca was acting chair until the Bishop appointed Florence L. Munoz as Chair in November 1992.

On Lay Ministry

The Commission on Lay Ministry completed its second year in September 1992. The Commission has strengthened its ties with the Commission on Ministry through the appointment of two of their members as liaison, and it has added new members which increasingly reflect the diversity of the Diocese. The Commission has outlined a three point focus: the development of consciousness regarding the total ministry of all the baptized; participation in the discernment process for those seeking ministry direction, especially

through the Ministry Study Year; and concern for lay professionals within the Diocese. Under our first purpose, the Commission adopted the "Linking Faith and Daily Life" program developed by Auburn Theological Seminary. Members of the Commission were trained in the program, and then a pilot retreat for a congregation was held at St. Columba's, Camarillo, followed by a retreat/training conference for several congregations at Mount Calvary in August. Members of the Commission also attended the National Conference on Total Ministry in North Carolina, which proved to be of great value in the continual development of the Commission's goals. In pursuit of our second purpose, the Commission has co-sponsored a proposal to the organizers of the Ministry Study Year for a retreat on discernment and ministry at some time during the study year. This proposal is a joint effort with the Commission on Ministry. The concerns for lay professionals have been less actively pursued, but the Commission is intending to search for needing funding for continued education for lay professionals.

The Commission on Lay Ministry stands at the cross roads of several Program Groups and Commissions. As such, it feels that the expertise of its members is a resource available for Ministry development and Congregational development, especially among smaller congregations and in areas where a traditional ministry format is economically or socially inappropriate. These are areas which we shall continue to emphasize in the coming year, together with an expanded agenda for educating clergy and laity on the nature of total ministry and one's ministry in the places where we spend most of our days. In 1993 the Commission will host the National Task Force on Total Ministry in Los Angeles, and will share responsibility for an Eastertide Ministry Conference.

On Migration Ministries

The Commission on Migration Ministries has had a very busy year and a difficult one. Changes in the refugee program and administrative changes

at our New York headquarters left us with a difficult decision about the future of refugee resettlement in this diocese. In the end, we asked permission of our Bishop to close this program, and he agreed. It is a sad thing, because we have been serving many displaced people. We owe a deep debt of gratitude to all those churches and individuals who have resettled refugees over the years. But we did feel that this work must be brought to a close at this time.

On the bright side, our initiative to resettle American homeless families -- a program in cooperation with World Vision -- is successful and will continue. The Episcopal Service Alliance of Orange County is now the "umbrella" for this ministry called Project Home Again. We urge every parish and mission to participate in this creative way to address homelessness one family at a time.

Again, the Commission thanks all those who have supported refugee ministry over the years. At the request of our national network and of Bishop Borsch, we will try to find some new way to continue serving refugees. Our final goal as a Commission is to identify this new model and the appropriate persons or group to take up the mantle of this ministry.

Coordinator, Episcopal Migration Ministries

On Ministry

The Commission on Ministry has responsibility to assist the Bishop with regard to the implementation of Canon III: to recruit and select persons for Holy Orders and to guide and examine Postulants, Candidates and Deacons in training for ordained ministry; and to help determine present and future needs for ministry in this Diocese.

In 1992 the Commission experienced a number of changes. Primary was the change of leadership, as the Reverend Kenneth Higginbotham stepped down from his position as Chair at the end of June. Bishop Borsch and Commission members joined in applauding Ken for the fine work he has done as Chair and in previous years as one of the COM's most active participants.

Another important change has been the increased effort to create strong, active subcommittees to handle the bulk of the Commission's heavy work load. 1992 saw the ordination of eight persons to the priesthood, five to the (permanent) Diaconate, and six men and women to the (transitional) Diaconate. The subcommittee on the Diaconate, with Bishop Talton and Canon Paul Lawson, continue to look for ways to clarify and strengthen guidelines for Deacons. Great effort has been made this year to ensure full participation by Standing Committee members in all BACAMS and Conferences.

At the January Ministry Study Year (MSY) Conference, eleven persons (of 22 applicants) were approved to participate in the 1992 MSY. At the February Postulancy BACAM, nine people were made Postulants to the priesthood. In March, five Postulants participated in the Candidacy BACAM; four were made Candidates, the fifth will return to the 1993 BACAM. In May, the third annual Conference on Vocations to the Diaconate was held. Two people were approved as Postulants to the Diaconate, two were asked to return in 1993, and two were not accepted. Several informal Candidacy interviews were also

held during the year, one for a seminarian who is at school at St. John's Seminary, Auckland, New Zealand.

On Peace and Justice

The work of the Commission on Peace and Justice has continued along four main lines: 1) development and expansion of congregational liaisons for better communication with and work at the grassroots level, 2) the Mustard Seed -- a quarterly publication, 3) leadership training workshops to equip those interested in ministries of peace and justice, and 4) the beginning of a legislative network to respond to specific issues.

The Commission has also begun work in the area of cross-cultural peacemaking in Los Angeles. The Commission continues to respond to a variety of issues of interest to the Church.

On Schools

The Commission on Schools meets approximately six times each year, with ongoing work being done by sub-committees as needed. In addition to the expertise and time contributed by Commission members, schools support the Commission's work through dues, donations and administrative assistance.

Bishop Borsch, in consultation with the Commission, established a part-time Executive Director position in August, 1991 in order to assist the Commission in its efforts to support and serve our schools and also to fulfil its responsibilities under Canon 18.03. The Commission on Schools office is presently housed next to the Christian Educations offices at St. James' Episcopal Church in South Pasadena.

The Commission began the 1991-92 school year with a Fall Conference for Rectors, Heads, Chaplains and Teachers. Bishop Borsch was our keynote speaker and Bishop Talton led our closing service. Over 200 enthusiastic participants attended and another conference has been planned for the fall of 1992.

Some of the accomplishments of the 1991-92 school year included the publication a new *Directory of Schools*; the revision of the Certification document and development of a strategy for certifying schools; the establishment of a regular schedule of Commission visits to schools; the conducting of a survey of schools to secure and disseminate information on tuition, salaries and benefits; the development of a proposal for orientation of clergy new to parishes with schools; and the administration of the Franklin Grants program. The Commission is also playing a critical leadership role in planning for the National Association of Episcopal Schools Triennial which will take place in San Francisco in the fall of 1993.

Plans for gathering Heads of Schools and Chaplains on a regular basis have also been established. The Executive Director and various members of the Commission have responded to requests for School Board/Vestry consultations and assisted Heads of Schools with various needs.

The Executive Director, often accompanied by members of the Commission, has visited all thirty-nine schools in the Diocese. In almost all cases, visits were arranged to coincide with a Chapel service and then time was spent touring classrooms, viewing the physical plant and visiting with the teachers, head of school and, if possible, the rector.

The Commission on Schools continues to represent our schools in the California Association of Private Schools Organizations, provides them with legislative information, encourages and fosters a strong Episcopal identity within and between schools, conducts on-site visitations as requested, promotes professional growth for teachers and administrators and encourages professional networking within the Diocesan school family. The Commission also disseminates information to families inquiring about Episcopal school opportunities.

We wish to express deep appreciation to Bishop Borsch, Bishop Talton and members of the Diocesan staff for their support. It is a privilege to assist our schools which currently serve approximately 8200 students throughout the Diocese of Los Angeles.

On Theology and Human Sexuality

The charge to the Commission over the past year was to facilitate and organize discussions in every parish and mission as mandated by General Convention, resolution A 104sa. Several discussions were facilitated by members of the Commission. These were held in parishes, and also were sponsored by a regional clericus, a regional general meeting, and an ECW regional meeting.

The National Church has asked for every church to have discussions during the period of Advent 1992 through Lent 1993. They are providing two recommended syllabuses, training for leaders and a uniform method of reporting. Churches which have had discussions already will be asked to fill out the questionnaire when it is available. There will be regional training offered for people who wish to hold discussions for the remainder of the churches. Members of the Commission will be available as resources.

Santa Ana Region

The Santa Ana Region has actively been supporting a variety of ministries in our area. This year a major grant was given to support a breakfast program at St. Clement's, San Clemente. Grants are also given to the Seamen's Institute, Fullerton Soup Kitchen, Chino Prison Ministry, Canterbury Irvine, the Episcopal Service Alliance, and to assist in the training of Church School teachers.

The Regional Youth Rally was held November 6-8 at Camp Stevens. Youth from all across the Region gathered to discuss the topic of Saints. There they learned that each of us is called to be a Saint as we live our lives. Funds were also used to send three young people to the Provincial Youth Event in Spokane, Washington.

The Regional Celebration was held at St. Anselm's, Garden Grove, April 25, 1992. Over 100 people were Confirmed, Received or Re-affirmed their vows in a tri-lingual service celebrated in Spanish, Vietnamese and English. A picnic followed at a near-by park.

While confronted with the ever present problems of distance and freeway congestion, the Region continues to work together to meet the challenges of our two county area. The Regional Clericus is seeking new ways of meeting for study and mutual support. The Santa Ana Region is alive and well and busily working in the southern portion of God's Vineyard.

SPECIAL REPORTS

Church Periodical Club

1991 has been a year of change. Our national church has changed to the calendar year starting January, 1992. Rosemary Sater became CPC Director of Province VIII and I, Marjorie Strawbridge, became your Diocesan Director on July 1, 1991 at Triennial in Phoenix.

Triennial was very exciting and it was certainly a pleasure to serve as your delegate. The traditional Overseas Bishops Dinner was a festive gathering when bishops from South America, the Caribbean and Mexico spoke

briefly about his diocese and its major concerns. Many were past recipients of CPC grants and thanked us for including their dioceses in our ministry.

"I always knew General Convention has started when I attend the Overseas Bishops Dinner", our Presiding Bishop, the Most Reverend Edmond L. Browning stated when he addressed some 400 delegates, bishops and spouses.

Through your efforts, the delegates granted \$34,972.00 for forty-one requests from twenty states and twenty-one foreign countries.

The Church Periodical Club has only one ingathering a year. Last year our Presiding Bishop designated Sunday, October 6, 1991 as CPC Sunday and our Ingathering totaled \$2,071.00 in Los Angeles.

Have you been collecting pennies at your church for the "Miles of Pennies for CPC"? To date, we have sent four miles of pennies (\$3,379.20) to New York. These funds are used for childrens' books. We received a grant for Hillside's, "Introduction to the Classics"; and one is pending for St. Timothy's School in Compton to replace their large class dictionaries that were destroyed in the L.A. riots. This program will continue and we do urge you to keep collecting those pennies, certainly an easy way to supply the printed word for children all over the world.

For over 100 years CPC has been helping in the fields of Education and Evangelism. I ask for your prayers and support so we may continue spreading the Christian message by means of the printed word.

We thank you.

Marjorie Strawbridge
Diocesan Director

The Anglican Fellowship of Prayer

The Anglican Fellowship of Prayer is an International Fellowship with headquarters in Orlando, Florida. Their Episcopal Director is the Most Reverend Reginald Hollis, formerly Archbishop of Montreal. Their yearly Conference was held in May at the University of Waterloo, near Ontario, Canada.

We continue to be fortunate since we remain a Los Angeles Chapter and are an Associated Organization of the Episcopal Church Women. Our representative on the Board is Shirley Heidrick, 714/539-9301. Because I receive frequent calls for materials and information, I give you her number, or you can call me. We have received many inquiries relative to our past Annual Prayer Fellowship Days, however, the fact of our inability to finance the event, required us to discontinue the yearly program.

Due to testimonials, we continue to have calls for the book that was spawned in the Los Angeles Diocese, *The Personal Prayer Notebook*. We now have *Partner Parishes*, the meaning, just as the name implies.

An article in the last issue of *The Episcopal News* by Shirley was indicative of a "Parish Partnership", reporting amazing and miraculous results of committing, emphasizing and putting into action "what prayer can really do". Persons and parishes throughout the Diocese could engage in a similar activity. Call her to learn about these "prayer possibilities".

The Diocesan Cycle of Prayer we are pleased to report, continues to be of interest and used extensively. Fortunately we are still in tandem with the Diocesan Resource Center in the publication of this book.

Diocesan Convention gives us a good opportunity, through our display, for spiritual material to be put into circulation because of the interests of people.

Inquire about this Prayer Fellowship and become a member. You will receive their publications. "More things are wrought by prayer..." Blessings!

The Bishop's Guild

The Bishop's Guild was founded in 1914 by the Right Reverend Joseph Horsfall Johnson as "an organization concerned with the increase of the sacred ministry and the growth of the Bishop's Scholarship Fund." Its primary purpose is the stimulation of interest in encouraging and recruiting dedicated people to study for the sacred ministry, as well as strengthening these seminarians.

The Guild is funded in a number of creative ways, one of which is from members and from donations. The primary fund raiser is the annual garden party. Funds are also raised from the collection of foreign and commemorative postage stamps, as well as the Memorial Fund where friends can make donations in the name of loved ones.

The Guild meets four times a year in different regions of the Diocese.

In September, 1991, we met at Our Saviour Parish, San Gabriel for our Annual Meeting. In October, our garden party was held at the Wardman House, the historic and official residence of the President of Whittier College. Mr. and Mrs. James Ash hosted a delightful party in their lovely home. In February, 1992, we met at St. Michael's, Anaheim, with Bishop Borsch as our speaker, and in June, the meeting was held at St. Patrick's, Thousand Oaks with Bishop Talton as our speaker.

All men and women are encouraged to become active members of the Bishop's Guild so that our seminarians may be supported as they gird to do the Lord's work.

The Brotherhood of St. Andrew

The Brotherhood of St. Andrew is a men's ministry in the Episcopal and Anglican Church throughout the world. It was started at St. John's Episcopal Church in Chicago in 1883 and was incorporated by an act of the United States Congress in 1909. The Brotherhood is the only group provided authorization to Evangelize by an act of Congress.

The ministry of the Brotherhood is the spread of Christ's Kingdom among men and boys. To this end, each member of the Brotherhood pledges himself to follow three disciplines; Prayer, Study and Service. The discipline of prayer is to pray daily for the spread of Christ's Kingdom especially among men and youth, and for God's blessing on the work of the Brotherhood. The discipline of study is to study the Holy Scriptures regularly and the teachings of the Church to attain a better understanding of how to follow Christ and bring others into His Kingdom.

Through the efforts of the Brotherhood, two organization in the Episcopal Church were started, namely the layreaders program and Faith Alive. The daily Bible reading of Forward Day by Day were initiated by the Brotherhood prior to World War 1.

The members are actively engaged in various outreach programs, among which are: hospital visitations, prison visitations, supporting meals on wheels programs, sponsoring youth groups, layreading, Lay Eucharistic Ministers, helping Boy Scouts, sponsoring church gatherings for Christian fellowship, education and other similar activities.

The Brotherhood of St. Andrew in the Diocese of Los Angeles currently has a membership of approximately 150 men. Some of these men are members of the twelve active chapters in the Diocese and some are members at large. There is one active assembly in the Diocese and it is located in Orange County. It is made up of six chapters.

It is our desire to have an active chapter of the Brotherhood in every church in the Diocese of Los Angeles. If you are a member of the clergy or a layman and wish some help or further information regarding the establishment of a Brotherhood chapter in your parish, please feel free to contact Robert Sheere at 9112 La Grand Ave., Garden Grove, CA 92614 or by phone 714/539-9463.

Camp Stevens

The natural beauty and serenity of Camp Stevens will continue to nurture Episcopalians and many others for generations to come, thanks to the foresight of those who have contributed to the purchase of 32 acres of adjacent wilderness land.

The property, which had been in escrow since February, 1991, became a part of Camp Stevens on June 30th. It includes ridges and canyons, ancient forests, large open meadows and the "Tom Scott" gold mine. From its high point you can see Palomar Mountain to the north and the Pacific to the west.

This addition will ensure continued opportunities for long hikes or quiet walks; for nature study, camping, inspiration and reflection. It will serve also as a critical buffer, protecting the Camp from encroaching development. This land is the most critical part of a master plan to protect the Camp's environment. 18 acres on the north side of Camp Stevens were purchased in 1989 and 1991, and an additional 30 - 40 acres on the west side are to be acquired in the near future. The Camp now encompasses 128 acres.

Most of the funds for this purchase have been raised through gifts to the Campaign for Camp Stevens in the Diocese of San Diego. 800 people made gifts and pledges to the campaign for a total of more than \$530,000.

The San Diego County Supervisors voted in May to use most of their remaining sensitive lands acquisition funds to purchase a magnificent 477 acre parcel at the top of Volcan Mountain. The purchase is adjacent to the existing Volcan Mountain Wilderness Preserve which was created in 1991 when a housing development threatened the nearly pristine mountain.

The predominant view from most of Camp Stevens is of the unaltered natural beauty of Volcan Mountain. This view is now preserved forever, along with the vital habitat for deer, mountain lions and several species of threatened or endangered plants and animals. The new preserve will also be a wonderful resource for day hikes from Camp Stevens.

Camp Stevens celebrated its fortieth anniversary with two festive gatherings filled with singing, dancing, food, games and crafts. Each featured a festival Eucharist. The first, at Campbell Hall School on March 7th, was celebrated by Bishops Borsch, Talton, Garver and Barrett with an inspiring homily from Fr. Brad Karelius, Chair of the Program Group on Camping. Several delightful anthems from Choir Camp were sung by the "Camp Stevens Choir", directed by Polly Campbell.

Bishop Borsch presented director Peter Bergstrom and his family with a beautiful proclamation, done in calligraphy by Emily Easum, commemorating their 20 years of service to Camp Stevens.

Our second celebration was on May 24th at Camp Stevens. Canon Gethin Hughes, newly elected Bishop of San Diego, delivered a heart-warming sermon during a brief thunderstorm with Bishop Wolterstorff celebrating the Eucharist. Camp Stevens' staff presented the Bergstroms with a 20th anniversary gift of a stunning stained glass work by James Hubbell.

More than 5000 persons participated in diocesan or parish programs at Camp Stevens during the year. These included nearly 700 children who enjoyed a week of adventure and Christian community this year at the various summer sessions. One of the sessions featured an exchange program with 36 boys from St. Paul's Jr. High School in Tokyo. International staff members this summer came from Australia, Austria, Denmark, England, Scotland and Switzerland.

The Episcopal Camp at Wrightwood

"ARE ALL THESE TREES REAL?"

A child from St. Martin's, Compton asked me this question during their stay with us this past summer. It was her first time in the mountains.

For a lot of people, their first visit to the camp is full of wonder amid the beautiful forest that surrounds our facility. It is our goal and intention to enhance that wonder and sense of awe as we continue to serve the expanding camping needs of our Diocese. The year 1991 is the first full year of operation for our camp.

During this period, we have hosted over 40 Episcopal groups representing parishes and institutions throughout the Diocese. We are excited that the use of our facility is almost exclusively made up of persons from our Diocese (over 90%). Family groups, youth groups, choirs, adult men and women groups and vestries have all enjoyed weekend and week-long stays with us.

After an extensive consultation process, we have retained architects and planner to help us envision the redevelopment of our camp. It is our great hope that we will be able to remodel some existing facilities and build new structures (meeting hall, assembly hall, chapel space, and a swimming pool) in order to accommodate all of the program needs of our Diocesan family.

We are grateful for your support of this ministry. We look forward to serving your church group in the future.

Canterbury Irvine Foundation

During 1991-92 the Episcopal chaplaincy at UC Irvine has continued to minister in, to and with the community of students, faculty and staff at this university. Our student ministry includes weekly Canterbury Club

meetings and worship and special events. This program offers retreats, speaker/discussions, bible study, service projects, parties, and participation in regional and national student gatherings.

This year, in cooperation with the UCI Counseling Center, I helped to plan and lead two workshops for students, faculty and staff. A Grief Workshop was offered following the death of 10 students during Fall Quarter. In late Spring, a workshop (Healing is Holy) was planned for women survivors of sexual abuse. The chaplaincy regularly offers counseling to members of the campus community.

The Chaplaincy's outreach this year was also ecumenical. Cooperative relationships with the mainline Protestant congregations in Irvine were cultivated with an eye to expanding the number and variety of students served by this ministry.

The Board of Directors was expanded from 12 to 16 members and further strengthened and trained to take a more active role in our ministry and in fund raising. In April, the chaplaincy (board members, students and chaplain) hosted the picnic following the Santa Ana Regional Celebration.

Daughters of the King

The Order of the Daughters of the King is the only Order for Lay Women in the Episcopal Church. The members strive to live out their lifetime vows of prayer and service within their parishes and beyond. The focus of the Order is evangelism, the goal is to bring women and girls into the church and to a relationship with Jesus Christ as Saviour and Lord as we promised in our Baptismal vows. In the Diocese of Los Angeles there are 24 Chapters with about 300 members. St. James Chapter in Los Angeles has decided to become inactive at this time, but a new chapter is being formed at Christ the King in Goleta Valley. A bi-monthly newsletter, *Angel's Wing*, is sent to all members by our skilled editor, Maureen Turk from St. Andrew's, Fullerton.

From the Bishop Gooden Memorial Fund, the Daughters were able to award three scholarships to seminarians: Virginia Benson, Edward Konieczny, and William Hardwick for the 1991-1992 year. Our two long-time missionaries, Elizabeth Daniels and the Reverend Pat Powers, whom we supported in Brazil for years, were successful in their work of training the Brazilians to help

themselves and so have come back to the United States. Our new missionary, Esther Miller, is waiting for Zaire to open its borders again so that she might go to help the women there.

The National Triennial of the Daughters of the King was held in Phoenix the week before General Convention. The Daughters had organized a nation-wide Prayer Vigil in preparation for the Convention. The names of those involved were bound in three volumes and presented to Presiding Bishop Browning at the Opening Service. Our Triennial is always held the week before General Convention in order that we might be praying for all that will be discussed and voted upon. The National Board of the Order elected our own Elizabeth Hart from Prince of Peace Chapter, Woodland Hills as the new National President. She is a second generation Daughter having belonged as a Junior Daughter of the King in Kansas. We feel truly blessed to have her leadership and spirituality.

Two Diocesan Assemblies are held each year. Our Fall Assembly, November 7, was held at St. Michael and All Angels, Corona del Mar at which time the new officers were installed by Bishop Talton during the Eucharist. He then shared his Spiritual Journey with us at lunch. On May 2, Diane Bringold Brown, author of *Life Instead*, joined us for our Spring Assembly at St. Columba's, in Camarillo. Diane was Diocesan President of the Daughters of the King in Los Angeles until she joined her husband, Donald at Trinity Seminary. They now live in Windhoek, Namibia where he is Secretary-Treasurer of the Diocese of Namibia. During her address to the Assembly she shared her life with the Namibians and her role as spiritual supporter for her husband.

Suzanne Farnham, co-author of the book, *Listening Hearts - Discerning Call in Community*, led our Spring Retreat at St. Mary's Retreat House in Santa Barbara. Her meditations and exercises were based on her book. She is the Executive Director of the Christian Vocation Ministry, which is involved in the training of Discerners, and is the wife of the Reverend F. Lyman Farnham, rector of Memorial Episcopal Church in Baltimore, MD.

The Daughters of the King again sponsored prayer vigils in their individual parishes preceding the Diocesan Convention in December and manned a booth in the Exhibit Hall at the Convention held in Riverside.

Again this year we hope to develop chapters for mothers and daughters in order that together they might obtain a spiritual undergirding of their lives, so necessary in today's world. The Order does give its members this undergirding.

The Episcopal Church Women

It's fortunate to be able to report another good year. The basis for this is that our devoted chairpersons and officers handle their positions in a very capable manner. They are generous with their time and give much attention to many activities.

Since this report is from July 1, 1991, the first and outstanding privilege and joy was when the ECW delegates, provincial and national officers participated in the Triennial. It was the 40th Triennial Meeting of the Episcopal Church Women, this year held in Phoenix, Arizona in July. The nearly 500 ECW delegates met concurrently with the General Convention. We met together daily in fellowship and spiritual enrichment, all sharing the Eucharist each day. The Triennial had a well chosen theme: "Restoring God's Creation to Wholeness." The delegates from our Diocesan Board were Modest Bertram, Elise Green, Vi Hollenbeck and Mary Louise Smith. Our Provincial Officers in attendance were Jenny Ladefoged, Province VIII Representative to National and Editor of the *ECW Communique*; Rosemary Sater, Church Periodical Club; Julia Rae Walz, United Thank Offering; and National President of the Daughters of the King, Elizabeth Hart.

Today's Woman was the feature in October and again held the spotlight. Ruth Nicastro gave an excellent keynote address: "Anglican Album of Women who Make a Difference". It was another outstanding day with many inspiring workshops. This is a remarkable program and has become known in many areas beyond our Diocese. Accolades to the initiators and Barbara Colbert, Chair.

The Annual Meeting was held on March 16th and 17th, 1992, at the Radisson Plaza Hotel, across from the Orange County Airport, Irvine. The afternoon speaker on Monday as the Reverend Virginia Erwin, Rector, Trinity, Orange. Her topic was "Leadership in the Church", focusing primarily on the laity. Our First Lady, Barbara Borsch, was the evening speaker and she expanded on the Lay Ministry and a comprehensive vision of our role as women. The following day at the Business Meeting, we elected Hazel Sobers-Robinson, Recording Secretary and Modest Bertram, Corresponding Secretary. A By-law change was also accepted, to add to our Board, a UTO Coordinator-Elect. At the Eucharist, Bishop Borsch installed the newly elected officers and, in turn, installed all the officers in their various positions throughout the Diocese. The Mistress of Ceremonies for the Eucharist was our Chaplain, the Reverend Elizabeth Habecker, Vicar, St. Clare of Assisi, Rancho Cucamonga, and the Homilist, Bishop Chester Talton. The luncheon speaker was the Reverend G. Bradford Hall, Jr., St. Margaret's, Palm Desert. He spoke about personal ethics, current morals, the importance of honesty, integrity and trustworthiness. Interesting subjects and exciting speaker. A point of interest. We were pleased and honored to have our Province VIII President, Teddy West, speak and join with us for the entire Annual Meeting. As always, the Exhibit and Hospitality rooms were of interest and are places that activate good fellowship. The Santa Ana Region handled well the responsibilities for the Hospitality Room.

April was the month for our Annual Board Retreat which is as important for fellowship as it is for spiritual enrichment and a mini-meeting for business. Our Chaplain, the Reverend Elizabeth Habecker, unfolded an outstanding presentation focusing on the women in the Bible. It was again held at the Marywood Retreat Center in Orange.

May 1992 was the month for the 63rd Annual Provincial Synod meeting for the Province of the Pacific (Province VIII). It was held in Honolulu and the Delegates were Vi Hollenbeck and Mary Louise Smith. Also attending were the Provincial and National officers stated in the second paragraph of this report, having attended the Triennial in Phoenix in July 1991. Episcopal Church Women representatives from the eighteen Dioceses that make up Province VIII met concurrently. Another of our Board was elected to the

Province VIII Board. The Reverend Elizabeth Habecker was elected to a position on the Nominating Committee. Bishop Borsch and Bishop Talton participated, as did clergy and laity from the Diocese of Los Angeles. It was another inspirational and educational event.

In June, because of the recent rioting in Los Angeles, Social Services Chairperson, the Reverend Toni Stuart, looked into a need, knowing the Board would want to be involved in giving some assistance. The decision was to give \$1,000 to St. Timothy's School in Compton. Dates were also scheduled for parish work days at St. Timothy's. The Church Periodical Club, through Marjorie Strawbridge, Directress contributed dictionaries. "Food for All" was brought into focus to be utilized and encourage others to participate.

Jenny Ladefoged and Mary Louise Smith continue as presenters for the Women of Vision/GATES program. They are also receiving calls from outside of the Diocese.

This report is indicative of a busy year. Thoughts of the privileges and joys in serving far surpass any thoughts of work. Praise the Lord for these opportunities. May the Lord bless our fellowship as we continue to work in His service.

The Episcopal Home

The Episcopal Home in Alhambra has enlarged its skilled nursing capacity from 99 to 173, eliminating our intermediate level of nursing care. Included in the increased capacity is a separate unit designated exclusively for those suffering Alzheimers disease. The independent residential level has two separate units that offer personal care for non- ambulatory persons who need assistance with the activities of daily living.

The Alhambra campus continues to be upgraded with a remodeled main kitchen and a plan to redecorate the living rooms of the several units.

Fund raising activities have been expanded to cope with the loss of funds from various governmental programs that have suffered reduced funding.

The Canterbury

The Canterbury is a Retirement Community administered under the auspices of the Episcopal Home in Alhambra. It is located in the city of Rancho Palos

Verdes and is made up of 127 one and two bedroom units together with a 28-bed skilled nursing facility on a lovely 5 1/2 acre site. In its ninth year of operation The Canterbury is 85% occupied. Like our parent institution, The Episcopal Home in Alhambra, we are experiencing a frailer population of residents entering The Canterbury. The increase of support structures such as homemaker services, senior care networks, meals-on-wheels services etc., in our communities enable prospective residents to delay entrance into our facility. Once at The Canterbury utilization of our optional Home Health services increases proportionately so our Home Health department has become an integral part of the services we offer.

Membership in The Canterbury is open to all adults 62 years of age or above in good health. A physical examination by The Canterbury's medical director is required since independent living status must be assured. Three kinds of financial plans for living at The Canterbury are offered: (1) an accommodation fee plan; (2) a finance plan; and (3) a month to month plan.

A monthly maintenance fee covers basic services.

The Girls' Friendly Society

The Girls' Friendly Society in the Diocese of Los Angeles continues to provide a parish-centered fellowship for girls, ages 7 - 21. The themes of worship, study, service, and recreation provide the framework for the GFS program. A parish branch program includes a variety of activities to meet the needs, interests, and ages of the girls. Our diocesan organization provides us the opportunity to bring GFS members together for special diocesan events. Currently, there are three active GFS branches and one newly forming branch in the Diocese of Los Angeles. Ten members serve on our GFS Diocesan Board which meets at least five times a year. We have three annual diocesan events: the Annual Meeting in January, and Anniversary Service in the Spring, and Rally Day and Leadership Training in the Fall. In place of GFS Camp which was discontinued several years ago, we have instituted a Mini-Camp weekend. This has met with much enthusiasm. The third Mini-Camp was held in May this year.

We continue to be in contact with the Diocesan Program Group on Youth. We are also an associated organization of the Episcopal Church Women. One of our branches provided table decorations for the ECW Annual Business Meeting this year.

We are planning to work with the Diocesan Hispanic Missioner to help provide training for women who want to be GFS leaders in Spanish. We feel GFS will fill a need for the girls and potential leaders of the Hispanic congregations in the Diocese of Los Angeles.

The Symbol Revision Committee completed work on revising the First Degree Symbol program. They have almost finished their work on revising the Second Degree Symbol program. This updating of information will be most helpful to leaders and girls working on the symbols.

Our branch strength continues to be low, but the girls and leaders are committed and enthusiastic about their involvement. We look forward to the starting of new branches in the Hispanic congregations as well as other parishes. Bishops Borsch and Talton are very committed to the youth in our Diocese and this is both encouraging and helpful. This will help us move forward in the hope that the GFS ministry in the Diocese of Los Angeles will grow and serve more girls.

Hillsides Home for Children

Each year Hillsides Home for Children establishes a list of goals we set out to accomplish. No matter how challenging the goal, we not only meet it -- we exceed our expectations. We are able to do this because of our very committed staff, enthusiastic volunteers, our friends in the community along with corporate and foundation support. Without all of you helping all of us our goals would be mere dreams, difficult if not impossible to turn into reality.

As I reflect back on this past year our highlights have been:

- * Aided over 800 children in need of treatment and care through Hillsides' residential living program, Family Preservation Program and Education Center.
- * Opened an on-campus Child Care Center for children of Hillsides' employees and community members.
- * Funded and began a drug prevention program for Hillsides' children.
- * Developed P.A.L., Parenting Assistance Line, a 1-800 hot line, manned by Hillsides' therapists, for Episcopalian families to call with questions on: child rearing, education, maturation, nutrition and health.
- * Created the Education Fund to enable Hillsides' youth 18 and over, to pursue educational or job related goals.

Originally established in 1913 as the Church Home for Children, Hillsides' mission now is to care for the special needs of abused and neglected children and their families through comprehensive intervention and innovative treatment.

The Neighborhood Youth Association

"Someday, maybe, there will exist a well-informed, well-considered, yet fervent public conviction that the most deadly of all possible sins is the mutilation of a child's spirit; for such mutilation undercuts the life principle of trust, without which every human act, may it feel ever so good and seem ever so right, is prone to perversion by destructive forms of conscientiousness".

Erickson...Death At An Early Age

It is difficult to look back over the year, particularly the last few months, and not feel troubled and saddened at the turn of events that have happened in our city...we went to war with ourselves. The events that unfolded before us, in living color, served to demonstrate the feelings of frustration and despair and anger that lie there just below the surface in our community. Families are the victims here, and the casualties are children.

And even now, as the city becomes involved in Rebuild L.A., one seriously wonders whether, in rebuilding a city, we will take into account the damage that has slowly been happening to the most fragile of human beings, our young people. We're losing them; body and soul. Our kids are out there, on street corners, with nothing to do; or lots to do, all of it wrong. "Life is what you make it", they say,... "And you make it any way you can". NYA works with young people who see life as one hurdle after another; who in many ways, have given up on trying to do it the "right" way, because "what's 'right' anyhow?" We find ourselves working with youth who don't care...about themselves, about others; trusting no one. And they believe no one really cares about them.

Sometimes it makes a difference, our being there, sometimes we lose some kids anyway. Last year NYA worked with over 2,400 children, youth and families. We provided pre-school and after-school services to children at NYA's Children's Center in Venice. In Mar Vista and in Wilmington we provided individual, group and family counseling, drug treatment, drug prevention and educational and employment services.

While we think we helped many of the young people we worked with, we are nevertheless concerned about what we continue to see happening to youth around us: the alarmingly high rate of school drop outs, the increase in drug and alcohol usage by youth younger and younger in age, the escalating number of youth gangs throughout the city. Combine this with poverty, inadequate housing, the lack of adequate education and the lack of training and jobs for youth and adults, and the picture of a community and a city in crisis begins to emerge. What happened in April should have come as a surprise to no one.

I think we have a tremendous job ahead of us; all of us. We have to get involved. Even in this time of limited resources, as we argue away about our state budget, knowing that when it is finally approved it will mean drastic cuts in the very areas that we should be ashamed of cutting, we are squandering away our most precious resource - the next generation. We have to care that the most basic of human needs are not available to thousands of children and families in our communities. And know that, we have to work harder at making life better for children...for your children and theirs. We have to get involved. We have to find ways to restore lost faith, mend broken trusts, and repair damaged souls. We need to find ways

to give young people something to believe in - beginning with themselves. Then, maybe, they can begin to believe in other people. And then perhaps, they will find it within themselves to believe in God.

We have to get involved.

St. Barnabas Senior Center of Los Angeles

The civil unrest in Los Angeles pointed out the many strengths of St. Barnabas Senior Center, but also highlighted a significant weakness. It is true that we closed early both Thursday and Friday to allow clients and staff to reach their homes before the curfew. And it is true that our Koreatown nutrition site was co-opted as a disaster relief center. It is also true that we could no longer do our grocery shopping at the Von's at Third and Vermont and had to patronize another Von's market. But by and large, it was business as usual, and that is our weakness. Day Care continued to care for demented clients. The Alzheimer Clinic continued to see patients. We continued to serve meals at seven of our eight nutrition sites. Grocery Shopping and Delivery continued to provide groceries to frail and homebound seniors. Meals on Wheels continued to be delivered. Taxi and lift-van books continued to be distributed. Our Escort service continued to operate. Case Managers continued to solve clients' problems. And even though we delivered 615,568 services to 48,240 unduplicated clients in 1991-2 before, during, and after the riots, there was nothing dramatic about it. Nothing newsworthy. No photo opportunities or sound bites. Just daily heroism. And that's our problem: when heroism becomes a daily occurrence, it ceases to be noteworthy, and no one pays any attention.

That's our public relations problem, and the Board of Directors is committed to a retreat to clarify goals and objectives and priorities before we possibly undertake a public relations campaign.

Our strategy regarding the proposed City-wide transportation program appears to have been the correct one, at least thus far. We declined to respond to the first request for proposal and opted instead to critique the program proposed therein and lobby City Council offices for a more workable program. As a result, the first request for proposal was withdrawn, and another, which addressed all of our concerns, was issued. We responded and, although the contract has not yet been awarded, we appear to be the successful bidder. Unfortunately, recent actions by the Los Angeles Department of Transportation threaten the existing program. I do not believe that this is the case, but their recent actions could not have been better designed to sabotage the current program.

Contracting with the Department of Aging continues to be frustrating, and we continue to have problems with timely reimbursement from the University of Southern California for the operation of the Alzheimer Disease Diagnosis and Treatment Center.

Phases 2 and 3 of our computer update are nearly complete, and a recently-announced grant from the Ralph M. Parsons Foundation, shepherded by Barbara Blanco, will assure the completion of phases 4 and 5.

Our United Way allocation was reduced 37% for the forthcoming year, making us happy, for the first time, that we are not more heavily dependent on United Way funds.

We express our gratitude at this time for the service and leadership of Ray Herzog who has completed six years of Board membership. Ray came to us from Executive Service Corps as a consultant in board development. When he completed that assignment, he was elected to the Board of Directors, and he now completes six years of service, the last two of them as Chair. Eric Baumgarten also completes six years of Board membership at this time, but he will continue to serve as Treasurer.

We enter the new year with a budget of over \$10.5 million, our largest ever. But we are in the magical business of changing money into services, and we can reasonably expect that our services and our client base will continue to increase in this and forthcoming years.

The Seamen's Church Institute

The Seamen's Church Institute revised its Mission Statement in 1992 to emphasize its commitment to be a Christ centered presence in the seafaring industry:

The mission of the Seamen's Church Institute of Los Angeles is to provide a people centered Christian ministry to support the maritime community within the Los Angeles and Long Beach port areas.

Programs for Mission include:

Ship Visitation/Advocacy and Mediation: Ship visiting is the foundation of our ministry to the active seafarer. Each year over 250,000 seafarers arrive aboard 6,000 ships in the ports of Los Angeles and Long Beach. These seafarers spend over 80% of each year on the sea. Therefore, they are isolated from their families and support groups for long periods of time. Their wages are often marginal and their working conditions are generally stressful. Their stay in port ranges from a few days to a few hours. If they are able to leave the ship it is for only a few hours and they need immediate access to communication systems and transportation. If unable to leave ship they need a means to communicate any problems they might have. Ship Visitors made over 1000 calls in 1991 to ships with magazines, books and an opportunity for the seafarer to make arrangements

to call home, mail a letter, or shop for sundries. In times of crisis, the Ship Visitor may be the only advocate available to resolve a problem in working conditions or personal problems.

Seafarers' Communication Center: The Seafarers' Communication Center (SCC) located at the Los Angeles World Cruise Center serves the passenger ship crews. SCC is "home" to more than 4,000 international crew members each month. This number is expected to grow as more passenger ships use the World Cruise Center. SCC provides 19 telephones for international calls, a full service bank, a full service post office, a lounge and recreation area, and referrals for advocacy and personal counseling in times of crisis. In 1991, seafarers completed 36,150 international long distance telephone calls to the 81 different countries they call home. The postal department helped crew members send 58,786 pieces of mail home to their families and friends.

Flying Angel Seafarers' Center & St. Nicholas Chapel: Visiting international seafarers know the Center at 11th and Beacon as the Flying Angel Seafarers' Center - a safe place to make telephone calls home or relax during their few hours off work. The St. Nicholas Chapel offers scheduled worship services, a weekly bible study, serves as a neighborhood House of Prayer and is frequently used for memorial services for seafarers. The Center is opened to neighborhood and maritime groups for regularly scheduled and occasional meetings and activities.

Guild of The Seamen's Church Institute: Christmas-at-Sea sponsored by the Institute' Guild continues to expand the distribution of ditty bags of gifts and sundries to those seafarers away from home during the Nativity season. The Seamen's Thrift Shop is operated and managed by volunteers from the Guild. The Shop has been located in Old San Pedro for the 24 years it has been operating. The Shop is opened six days a week to serve the neighborhood. Donations of clothing, household items and furniture are solicited from area churches and civic groups and when necessary picked up by volunteers. The proceeds support Christmas-at-Sea and the ministry of the Seamen's Church Institute.

REPORT OF INDEPENDENT AUDITORS

Board of Directors
The Protestant Episcopal Church in the Diocese of Los Angeles
Los Angeles, California

We have audited the accompanying statements of assets, liabilities and fund balances arising from cash transactions of the Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) as of December 31, 1991, and the related statements of revenue collected, expenses paid and changes in fund balances for the year then ended. These financial statements are the responsibility of the Diocese's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as stated in the following two paragraphs, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used in significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or various other institutions, parishes, missions and agencies of the Diocese.

The Diocese does not provide for depreciation on buildings and equipment. In our opinion, generally accepted accounting principles require not-for-profit organizations to recognize depreciation on buildings and equipment. It was not practicable to determine the effects of the unrecorded depreciation on the financial statements.

As described in Note A, the Diocese's policy is to prepare its financial statements on the modified basis of cash receipts and disbursements. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation and except for the effects of not recording depreciation, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the Protestant Episcopal Church in the Diocese of Los Angeles as of December 31, 1991, and the revenue collected, expenses paid and changes in fund balances for the year then ended, on the basis of accounting described in Note A.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information on pages 13 to 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation and except for the effects of not recording depreciation, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Note A - Summary Of Significant Accounting Policies

Basis of accounting

The accounting policies of The Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) conform to a modified basis of cash receipts and disbursements which have been consistently applied in the preparation of the financial statements. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accruals are made for pledges receivable and the Agency Funds.

Cash and cash equivalents

The Diocese considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Short-term investments

Short-term investments consist principally of government treasury bills and notes.

Fund accounting

Financial activities are recorded in the individual funds described below, each of which is deemed to be a separate accounting entity. The financial affairs and operations of each fund are accounted for in separate accounts which represent the funds' assets, liabilities, fund balance, revenue and expenses.

Mission Share Fund

Transactions related to revenue primarily from the churches within the Diocese and used to finance the annual programs and budget of the Diocese as approved at the Diocesan Conventions are accounted for in the Mission Share Fund.

Agency Funds

Transactions for which the Diocese maintains a fiduciary responsibility are accounted for in the Agency Funds.

Missionary Expansion Loan Fund

Transactions related to resources obtained and used for the purpose of providing financing for various missions and parishes are accounted for in the Missionary Expansion Loan Fund.

Endowment and Trust Funds

Transactions relating to resources obtained through an endowment or trust and restricted for specific purposes are accounted for in the Endowment and Trust Funds.

Note A - Summary Of Significant Accounting Policies - (continued)

Venture in Mission Fund

Transactions relating to resources obtained through fund raising activities and restricted for specific purposes are accounted for in the Venture in Mission Fund. Effective in 1991, the Venture in Mission Fund was closed and its assets were transferred to Missionary Expansion Loan Fund or donated to the Corporation Sole.

San Juan Capistrano Debt Service Fund

Transactions related to funds obtained and used for the acquisition of property and construction of facilities for St. Margaret of Scotland Mission and payment of principal and interest on the related debt are accounted for in the San Juan Capistrano Debt Service Fund.

Property Fund

Transactions related to the capitalization of disbursements for fixed assets are accounted for in the Property Fund. Property and equipment are generally carried at cost. The accompanying financial statements do not reflect depreciation or amortization of exhaustible property.

Total (memorandum only) column

The data shown in the total (memorandum only) column is presented for purposes of additional analysis. Such data merely aggregates the columnar statements by fund types and is not intended to present combined financial information in conformity with generally accepted accounting principles.

Note B - Other Episcopal Church Agencies In The Diocese Of Los Angeles

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or other institutions, parishes, missions and agencies for which the Diocese acts solely as an agent.

Note C - Diocesan Investment Trust

The Diocesan Investment Trust is included as a portion of a portfolio of various securities maintained and controlled by a board of trustees. The Trust is carried at cost. Aggregate market value of the Diocese's portion at December 31, 1991, is \$2,949,233.

Note D - Loans Receivable - Missions And Parishes

Loans receivable from missions and parishes consist of various notes and promises to pay, some of which have no specific due dates or repayment arrangements.

Note E - Bonds Payable

Income and capital bonds were issued to fund the construction of facilities for St. Margaret of Scotland Mission. Both issues bear interest at 10% per annum. Simple interest on the income bonds is paid semi-annually. Compound interest on the capital bonds is accrued and paid upon redemption. The maturity dates of the bonds are as follows:

On Christian Education and Leadership Training

Deacon Phina Borgeson, Missioner for Christian Education, continues to encourage, enable and guide members of CELT who are exhibiting great initiative in carrying out programs aimed at its four areas of primary interest as follows:

1. Encouraging the building and resourcing of networks of support for the educational ministry in local congregations.

A TEACHER TRAINING DAY was held on each of the first four Saturdays in October 1992, each Saturday being at a different church and in a different region. The program was aimed at Sunday school teachers, superintendents and Christian education leaders. Attendance was disappointing, so for 1993 the one and only major teacher training event will be the Teacherfest on October 18th at St. Edmund's, San Marino, star-spangled day of workshops, roundtables, and presentations by the best of our educators, including both of our Bishops.

On May 2, 1993 leaders from three congregations from the active cluster of eleven in the northern Santa Ana Region joined in the CHRISTIAN EDUCATION GAME, developed by Kim Rohde to help these groups formulate clear goals and priorities in their programs of Christian education. Participants returned home from this day with a clear idea of the curriculum needed and the printed resources to make it happen.

We would like to facilitate the formation of more such clusters to actively support and share programs for summer ministry and teacher training.

Formation of a TELEPHONE TREE to aid in networking is underway. CELT members will "top" the tree, expanding to clusters and individual leaders who already communicate with each other regarding Christian education matters.

2. Providing resources and events to strengthen the ministry of families to one another and within congregations.

BELONGING TO THE BODY OF CHRIST, exploring the meanings of Baptism together, was a first in the nation, inter-generational event for young children and the important adults in their lives. Held on March 20th, at St. Thomas', Hacienda Heights, profound theological reflection was offered, led by Gertrude Mueller Nelson, author of *To Dance with God*. There were also activities for the whole family to enrich understanding and provide interaction. The 70 persons in attendance, including 35 children, had fun! We think this model is replicable, and are happy to share it with those interested in similar events.

The Catechesis of the Good Shepherd, with a curriculum Montessori in methodology, sacramentally oriented and Christian year based, for the very young is now being used in ten churches. Under the leadership of Tracy Gaestel and Lynda Catalano, this diocese is becoming a major training center. The curriculum is being expanded to upper grade elementary children. Of special interest to this diocese, the training and materials are available in Spanish.

Talleres de Casa Rusack, workshops on how to work with puppets and how to teach a song, co-sponsored by CELT on Saturday, May 8th, was, as reported

by Adela Gomez, a success with 25 plus participants from seven Spanish-speaking congregations.

3. Training and equipping adults for their own growth and ministry.

The Bible Study Conference was held for lecturers, Bible study leaders and clergy at Grace Church, Glendora on November 8th. "Jesus on the Mountain - Getting Ready for the Year of Matthew" was the theme of the day with K. C. Hanson as the principle speaker.

The Adult Bible Study Leaders Event, University of Redlands, February 5th and 6th featured the theme "*Connectando la Cultura y el Evangelio: Linking Culture and Gospel*". Casa Rusack joined for the second year as a co-sponsor of this conference. One result of the emphasis on this theme has been the beginnings of a cross-cultural training team to first explore what is meant by "culture" and then to develop the skills necessary to engage in dialogue with the Gospel and Scripture from the perspective of all ethnic groups, including the traditionally dominant culture of American society and the Episcopal Church.

4. Making available to congregations reviews of resources, both print and video.

Publication of Access with a subscribers list of 240 by the Christian Education Office has provided an important resource for Christian educators. CELT members have contributed occasional features, thought pieces and curriculum reviews, as well as ongoing reviews of Video resources. Curriculum assessment criterion have been developed in an attempt to identify those things important and those things not important as regards Church school curriculum.

We await the marketing of the latest coproduction by CELT and Cathedral Films, the third in a series of video companions to the Prayer Book, *Outline of Faith--The Holy Scriptures*. The Reverend James Friedrich, president of Cathedral Films continues his outstanding work with CELT, both in this series and with producing video footage of CELT bible conferences.

LEADERSHIP CHANGES: JoAnn Semon, administrative assistant to the Missioner for Christian Education, left in June of 1993. We wish to thank her for all the loyal assistance she provided this program group.

The Reverend Shirley Rose tendered her resignation at the June 1993 meeting. A member of CELT for 13 years, she served as Chair the last six. Her role was always a joyful, patient, tolerant, easy going, hardworking, and self-sacrificing one. She will be missed!

With the resignation of the Chair, CELT is trying a new-to-us model of shared leadership with the Reverend Greg Larkin as meeting facilitator, Lynda Catalano as meeting recorder and communicator and myself as reporter. Members of CELT also chair various event sub-committees and task forces which include non-CELT members. We hope this pattern will hold in continuous leadership development and burnout prevention.

MOVING INTO THE FUTURE: The grant from the Church of Our Saviour, San Gabriel, in support of the Christian Education program of the diocese has been generous. Phase I of this grant has been completed. By this time next year the Christian Education Office and Resource Center should have

moved into the Cathedral Center. This move may be considered the end of Phase I in the Christian Education program of this diocese. Christian Education, one of the activities with the high priority in this diocese, may be facing a terminal illness. If there is to be a Phase II, it will require increased financial ownership of Christian Education as a priority by the people of the Diocese. "Put your money where your mouth is" is an expression having much appeal at the end of this report period.

On Ministry in Higher Education

This year has been spent in a variety of ways. First, the Program Group organized ministry reviews for the chaplaincies at UCLA and UCI both of which indicate programs of great value are being offered at each university. Next year, reviews will take place at USC and UCSB.

Second, the Program Group has been dealing with the challenge of funding. Thankfully, contributions from the diocesan budget were not drastically cut and the Bishop was able to continue his contributions from Corporation Sole for which we are grateful. However, with much competition from so many organizations needing funds, we are finding it difficult to raise funds for program. Any and all alternatives are being considered.

Third, the Program Group sent representatives to the 1993 National Student Gathering in Georgia thanks to a generous gift from the Cathedral Corporation. This bi-annual event is helpful in presenting a larger picture to students wanting to know more about the Episcopal Church. Unfortunately, because of finances, a Provincial Gathering for students and chaplains had to be cancelled. Province Eight leaders are looking into alternatives to provincial gatherings. Our Program Group is sponsoring such a gathering for students in the local area as a test case.

Fourth, the Program Group continues to actively support Parish-based campus ministries for universities that do not have full or part time chaplains. The concerns of these chaplains are much the same as the salaried chaplains. Both Parish-based and salaried chaplains serve together on the Program Group along with several very dedicated lay persons. The membership of the Program Group is strong but needs a more diverse representation of various interest groups. Any volunteers?

Lastly, a major concern of the Program Group is keep the morale of our chaplains in good shape. A university chaplaincy is difficult and lonely at times. We see ourselves as called to offer support to the chaplains at

all times. Knowing there is someone who cares about your ministry can make the difference between taking the next step or giving up. We want our chaplains to know how greatly we appreciate their invaluable ministry to the students and faculty of this diocese.

The Reverend Gene R. Wallace
Chair

On Mission Congregations

Clergy Changes:

The following clergy experienced a change in status since the 1992 Convention: Enrico Gnasso retired from St. Martin's, Twentynine Palms; Robert Noble resigned from Grace Church, Moreno Valley; Alex Geston was called to the Diocese of Hawaii from St. Benedict's, Alhambra; Mikel Morrison, vocational deacon, assigned to St. Michael's, Isla Vista and John Willets, vocational deacon, to Grace Church, Moreno Valley; Elizabeth Stingley called Vicar to St. Hilary's, Hesperia; Jo Ann Weeks appointed Priest-in-Charge at Grace Church, Moreno Valley. In addition, we mourn the loss through death of the Reverend Stephen Kim (the elder) at St. Nicholas Church, Hollywood. A layman, Dr. Clinton Vickers was appointed by Richard Harms, as head of school at St. John's, Rancho Santa Margarita.

Property:

Ongoing consultations were held with St. Stephen's, Santa Clarita; Epiphany, Westlake Village; St. Andrew's, Irvine; St. Raphael's, Chino; and St. Clare's, Rancho Cucamonga regarding building and financial enablement. Construction began at Epiphany in Westlake and St. Francis' in Simi Valley. A gymnasium was dedicated at St. John's, Rancho Santa Margarita to be used as a temporary sanctuary. The former Sunrise Baptist Church in Moreno Valley was purchased for use by Grace Church. A new Sanctuary was dedicated at St. Hilary's in Hesperia. Contiguous land was purchased at St. Paul's, Barstow. A vicarage was sold at St. Francis', Norwalk. A renewed Sanctuary was re-dedicated at Christ the King, Palmdale, following a flood and St. John/Holy Child in Wilmington was restored with local congregational funding.

New Ministry Initiatives:

- St. Gabriel's, Monterey Park and Christ the King, Goleta Valley were admitted as parishes at the last Convention.
- A new preaching station, Pueblo Nuevo, was established in MacArthur Park (Los Angeles).
- Galilee Naval Chapel was enabled to become a non-denominational neighborhood church following the severance of a relationship with the Long Beach Naval Station.
- Two regional ministry clusters were established in the San Bernardino Region: (Moreno Valley, Yucaipa, Cucamonga and Banning) and the High-Desert/Mountain Cluster (Apple Valley, Hesperia, Barstow, Arrowhead, Big Bear, Yucca Valley and Needles).
- Linkages were established cross-culturally following the Los Angeles riots which includes St. Francis', Simi Valley; Epiphany, East Los Angeles;

St. Francis, Norwalk and (the former mission of) St. Martin's, Compton; among others.

--Christ the King in Palmdale welcomed two orthodox congregations to share their facilities.

Miscellaneous:

--A Sabbatical Leave Policy which provides for a three month Sabbatical for all full time mission clergy after five years of continuous service was adopted, as recommended by the Program Group, by the Diocesan Council. The policy requires all missions with full time clergy to pay into a pooled fund which can be later utilized to pay interim clergy during the Vicar's leave.

--We acknowledge, with gratitude, the work of the Reverend Carol Anderson who facilitated our Fall 1992 Vicar's Conference on Evangelism Through Preaching.

--We recall with sadness the death of Jim and Ruby Bishop's grandson, the only fatality of the Lander's quake this Spring. Jim was the former Vicar of St. Joseph's, Yucca Valley and St. Martin's, Twentynine Palms. These two churches, thankfully, only received minor damage during the quake as did St. Columba's, Big Bear, later that same day.

--Finally, congratulations to the Reverend Mark Gardner, Vicar at St. Michael's University Chapel at Isla Vista who sharpened his carpenter skills by building (with help), an immersion baptismal font, possibly the only such facility in our diocesan family.

The Future:

As we look to the challenges in the future, we are concerned about reaching and retaining the second (and third) generations in our Asian congregations. More and more, this generation is being called the "1.5 generation" because while they are culturally Asian, increasingly they no longer speak their native languages. As Asiamericans they fit uncomfortably in both cultures and many of these children (and their parents) are under tremendous stress. This provides a rich opportunity for ministry which our Asian churches need equipping to respond to. This year of 1993 marked the 20th year of Episcopal Asiamerican Ministry. As we move into the next decades, we will need to greatly increase our involvement with and commitment to an empowered lay and youth ministry. Obviously, similar observations can be offered regarding Hispanic Ministry. With faithfulness we can become, through intention, a more inclusive Church to the Glory of God.

On Stewardship and Finance

Activities of the Program Group began late this year due to the late appointment of a new Chair. Beginning in February, the Program Group met monthly on the second Wednesday of the month at Diocesan House. On March 13, a workshop for the diocese was held at the Church of Our Saviour in San Gabriel at which over 100 attended. Our speaker was the Reverend Hugh Magers, Stewardship Officer for the Episcopal Church Center in New York. On June 19, the Fourth Annual Bishop's Conference on Stewardship was held at Campbell Hall School for all in our diocese. Over 225 persons attended. In addition to these large educational events consultations were regularly held with individual congregations as requested.

The work of assuring that audits are completed by each congregation is proceeding well. We are receiving better response than in the past and a good follow-up system is in place.

Much work remains to be done in the area of stewardship education. It was the specific and unanimous recommendation of the Program Group to Diocesan Council that a full-time Missioner for Stewardship be employed so that a reversal in the current downward trend of the Mission Share Fund might be realized and that all congregations might be better served in this most important area. At present, the teaching of stewardship issues to all our congregations is left to the volunteer Program Group. We feel that this is less than effective and that the cost of hiring a Missioner for Stewardship should be made up through increased receipts within one year. As of this writing, Council has yet to act on this recommendation.

On Affirmative Aging

The Right Reverend Frederick Borsch reconstituted the Commission on Aging in the autumn of 1992. The group began to meet in November and has met since on a monthly basis. The Chair also serves as Diocesan liaison to the Episcopal Society for Ministry on Aging (ESMA), the national agency of the Episcopal Church devoted to ministry with and for the Church's older members. In October, 1992, he represented the Diocese at the annual meeting of ESMA in Redwood City, California and in May of 1993 he represented ESMA at the annual meeting of the National Interfaith Coalition on Aging, a constituent unit of the National Council on Aging.

In the brief time of its new existence, the Commission has modified its name to be known now as the Commission on Affirmative Aging. This is to signal the development and spiritual growth in the expanded freedom of the later years as well as on the inevitable physical decline that comes with the aging process.

The Commission has adopted a mission statement as follows: "The mission of the Commission on Affirmative Aging of the Episcopal Church in the Diocese of Los Angeles is to affirm and empower all persons for shared ministry throughout the entire lifespan, to be responsive to and an advocate for the special gifts and needs of older persons, and to serve as a resource to congregations and institutions within our diocese."

The Commission designed and sent a survey questionnaire to clergy in charge of all diocesan parishes and missions. The survey instrument was created to gain information about degree of satisfaction with local community aging resources and services, a description of existing local parish/mission senior and intergenerational ministry and expectations for the role of the Commission as a resource for developing new aging ministry. In response to the Commission's invitation, approximately fifty congregations had designated local representatives to the Commission by the time of this writing.

The Commission planned its first major event to take place August 28, 1993, at the Episcopal Home. Emma Lou Benignus agreed to facilitate this initial workshop, "The Dividend of Your Aging With God." The Episcopal Home agreed to co-sponsor this event, offering its space as well as luncheon for the participants. The second event planned was an orientation workshop for the congregational volunteer representatives to take place October 9, 1993, at the Chapel of St. Francis in Atwater Village.

In addition to its goal of training volunteers and offering consultation to congregations on aging ministry, the Commission hopes to explore the development of a resource and referral center that could network aging

ministries across the diocese and link caregivers of the elderly to needed services.

Chair

On AIDS Ministry

The Commission is composed of members who have a strong commitment to our Lord and his ministry with the HIV community. The Commission is made up of women and men, gay and heterosexual people and people from many of the ethnic groups that make up the Episcopal Church in the Diocese of Los Angeles. The Commission met monthly, usually on the first Monday of the month, at Diocesan House.

The Commission's Mission Statement is "To bring Christian witness and work to the AIDS/HIV community and to bring the AIDS/HIV community to the church." In order to carry out this mission, the Commission is divided into three working committees:

CHRISTIAN LIFE, chaired by Randolph Kimmler, coordinated the annual diocesan AIDS Mass, held during the Nation Church's AIDS Awareness Month in October of each year; maintains the diocesan AIDS Memorial Chapel and Book of Remembrance at St. Thomas', Hollywood; supports the Episcopal AIDS Chaplaincies at County/USC Medical Center, Martin Luther King Medical Center, and at the Hospital of the Good Samaritan; and maintains a list of volunteer "chaplains" for service to the HIV community. The Diocesan AIDS Mass was celebrated this year at St. James', Wilshire on October 18th. This committee is also responsible for developing and maintaining the Commission's education programs and publications, maintaining the speaker's bureau, and the L.A. County/USC AIDS Clinic Lunch Program. This year trained speakers from the Commission were engaged by Trinity, Santa Barbara; St. Barnabas, Los Angeles; St. Bede's, Mar Vista; and others. The parishes involved in the AIDS Clinic lunch program now provide five lunch days per month at the clinic. The churches that participate in this program include St. Thomas, Hollywood; St. Mary's, Palms; Holy Nativity, Westchester; St. Bede's, Mar Vista; St. Andrew and St. Charles', Granada Hills; St. Cross, Hermosa Beach; All Saints', Beverly Hills; and St. Barnabas', Eagle Rock. The AIDS Information and Resource Directory was redesigned, updated and mailed to each congregation in the diocese in February. An edition of the Commission's newsletter was produced and mailed to each congregation in the diocese in February and June. A new Commission ministry brochure was printed and distributed diocesan-wide.

DEVELOPMENT, chaired by Vern Woodlief, is responsible for on-going fund-raising; grant writing; budget development; volunteer coordination; and overall financial oversight. The Commission used direct mail to raise funds this year with letters sent out in Advent and Lent. St. Alban's, Westwood, sponsored a fund-raiser for the work of the Commission and Project New Hope with a theatre production of *The Mousetrap*.

NEW HOPE, chaired by Jack Plimpton, provides support to the Commission's non-profit corporation, Project New Hope. Project New Hope develops housing and employment training programs for the HIV/AIDS community. New

Hope is currently developing apartment complexes in San Pedro and El Sereno. In October Bishop Talton broke ground for the first of the planned low-cost housing projects in San Pedro, next to the Seamen's Center. In January Trinity Learning Center, a vocational training center at Trinity Parish, Los Angeles, opened its doors to provide computer training to people who are HIV+. Sixty-three students are currently enrolled at the center. New Hope funding comes from the Commission, the State of California, the Los Angeles Unified School District, and from private grants.

This year the Reverend Malcolm Boyd accepted the position of part-time Chaplain to the Commission. His work involves individual counseling for people living with HIV/AIDS. Several Commission members attended the 1992 NEAC Conference in Washington, DC, participating in and presenting several workshops. As a member of the National Episcopal AIDS Coalition, the Commission agreed this year to host the 1994 NEAC Conference, which will be held February 3-6, 1994, at the Sheraton Miramar in Santa Monica. An ad hoc committee, co-chaired by the Reverend Carmen Guerrero and the Reverend William McCord Thigpen, has been meeting regularly to plan this national conference titled "Hope and Healing: the Church in the Second Decade of AIDS."

Some of the other work of the Commission included a January workshop on HIV and spirituality that the Commission co-sponsored with the Center for Spirituality West. We also co-sponsored a presentation on the AIDS Memorial Quilt at All Saints', Pasadena. The Commission was present with an information booth at the Diocesan Convention in Riverside. In May the Commission gave a reception for Archbishop Okoth of Uganda, who talked about the Ugandan AIDS Project. This year Jack Plimpton met with Chaplains from diocesan parochial schools to continue work on developing a new Christian AIDS education curriculum. The Commission supported and participated in the diocesan entry and booth at West Hollywood's Christopher Street West Festival and Parade where approximately 350 Episcopalians representing 56 parishes, missions, and organizations marched.

The Commission financially supports the Episcopal AIDS Chaplain at County/USC Medical Center; the AIDS Clinic Lunch Program; Project New Hope and other agencies. Through the Commission's office, located adjacent to the Hospital of the Good Samaritan, and the Bishop's Coordinator for AIDS Ministries, Jack Plimpton, the Commission maintains an on-going counseling and advocacy program with referrals from AIDS Project Los Angeles; the All Saints AIDS Service Center, Pasadena; and from clergy and parishes from throughout the diocese.

On Ecumenicity

The Commission on Ecumenicity is being reformed with a new mission statement and emphasis on practical ways of interaction with our sister denominations. Much of this interaction is happening within our Lutheran and Roman Catholic Dialogues. We look, with hope, to resurrecting the Jewish and Muslim Dialogues, and continuing exploration with COCU in the Faith and Order Dialogue.

The pivotal act for 1993 will be the signing of a covenant between Cardinal Mahoney and Bishop Borsch planned for the Feast of Christ the King on Sunday, November 21 at a Vesper Service. As of this writing, the covenant will be expanded to include the Lutheran bishop and be patterned after the covenant signed in the Diocese of Virginia amongst the three denominations. The Ecumenical Officers from the Archdiocese and the Lutheran Synod attend our meetings.

We look forward to joining our Episcopal Dialogues with their counterparts in the Lutheran Synod as we continue conversations with Roman Catholics, Jews and Muslims.

The chair of the commission attended the LARCO Retreat at Manressa Retreat Center in March, the National Workshop on Christian Unity in Milwaukee in May together with the Annual Meeting of the Episcopal Diocesan Ecumenical Officers, and serves as the Bishop's designate to the Southern California Ecumenical Council. She was also asked to bring greetings to the Lutheran Synod in June on behalf of Bishop Borsch.

We look forward to reports from the Faith and Order Commission of the World Council of Churches meeting in Spain this summer as they continue to achieve consensus on the document: "Towards Koinonia in Faith, Life and Witness", the continuing work on the Lutheran Concordat and the future of the Consultation on Church Union.

Ecumenical endeavors now are focusing more on missiology and ways that we can work together in our several expressions of the Christian faith and promise, and less on ecclesiological agreement. In short, let us get on with the work we have been given to do as missionaries in cooperation with our sister churches. Part of that work is to begin holding one another up in prayer.

Episcopal/Lutheran Dialogue

The year began with the holding of a Conference at Cal Lutheran University, Thousand Oaks, on the subject of the Concordat Agreement between Episcopal and Lutheran Churches. Participants were invited to team up locally as parishes, and the Dialogue Team has developed a matching system which can put any Lutheran congregation within the Lutheran Synod in touch with their closest Episcopal church for mutual actions. The Episcopal team wrote a report on the Concordat for submission to the National Church gathering of Eucumenical Officers in May 1993. Six members (two clergy and four laity) now constitute the Episcopal Dialogue team, which meets every six to eight weeks with Lutheran counterparts. The team model their interest in unity through sharing the Eucharist, and currently through studying each other's historical documents. Guidelines, approved by both Bishops, for joint Eucharists have been devised and are being circulated in the Diocese. Currently the team is working on a common baptismal certificate. It has been agreed that the group will send one representative only to the various other ecumenical dialogues to which we are invited, instead of their being an Episcopal and Lutheran representative. We are glad to receive reports of joint activity between parishes. I particularly thank Barbara Mudge for her strong hands-on leadership as Ecumenical Officer in increasing Episcopal participation.

The Dialogue Team is aware of how little mutual assistance is offered each Church at the program group levels of the Diocese and Synod. This is something which we hope to see increased in the coming year. The team is also working with the Bishops on developing a joint call to covenant.

On Episcopal Asiamerican Strategy Task Force (LAD/EAST)

Scheduling our LAD/EAST meetings at the various ethnic churches and allocating time for one ethnic church at each meeting to share what is going on in their respective churches has been an enriching as well as supportive experience for the members.

The Reverend Alex Geston, Vicar of St. Benedict's Church resigned. He was called to be Chaplain at the University of Hawaii. Bishop Artemio Zabala from the Diocese of North Central Philippines was called to be the Vicar of St. Benedict's Church.

LAD/EAST in partnership with PAACE (Pacific and Asian American Christian Education) sponsored a two day Leadership Training workshop at St. Mary's Church, Mariposa on September 25-26, 1992. This workshop was focused on developing effective leadership in multicultural congregations.

St. Gabriel's Church, Monterey Park was granted parish status at the 1992 Diocesan Convention. The Reverend Benjamin Pao is the Rector. St. Gabriel's is the second ethnic church that is now a parish, the other being St. Mary's.

St. Mary's Parish developed and implemented a Sports program and a Summer Youth group outing after the riots for the youth in the neighborhood.

Members of LAD/EAST participated in the 20th Episcopal Asian Ministry consultation held in San Francisco. Presiding Bishop Browning, who attended the five day conference along with the President of the House of Deputies, Pamela Chinnis and Senior Executive for Programs, Diane Porter, listened to the various ethnic Asian reports which they felt will be helpful when they make their recommendations to General Convention in 1994.

On Housing

The Commission on Housing and its non-profit corporation, Episcopal Housing Management Corporation (EHMC), have as their primary mission the encouragement and promotion of affordable housing in the Diocese. EHMC actively managed twenty housing projects and consulted with, advised and entered into agreements with other projects or proposed projects. EHMC does business as Housing Management Associates (HMA). Members of the Commission serve on the Board of EHMC and actively participate in consultation, development and management, according to their talents.

HMA procured and implemented the Skyline Management System, a software package that will put HMA at the cutting edge of property management and make it competitive with any managers in the area.

Three projects were added, Northwest Manor I (44 units), Washington Townhouses (20 units) and Villa Yucatan (14 units), all in Pasadena. The Reverend John Lathrop and his organization were coached and helped toward self-management of these projects, which has not yet been achieved.

At Casa de Los Amigos in Redondo Beach, the dining area was refurbished and redecorated. At Good Shepherd Homes in Inglewood, interior common areas were redecorated and carpeted. Assistance and consultation was given for addition of 30 units, and a new manager was engaged. At St. James Manor in Los Angeles, the cash flow and financial condition were improved through prudent management. At St. Johns Manor in Costa Mesa, redecoration and an automatic entry door were provided.

At St. Timothy's Tower and Manor, the congregation was coached toward self-management, which was granted by HUD in July, 1993.

Two projects sponsored by the Mental Health Association used HMA services. Management was provided and the contractor was supported in rehabilitating the property at 814 Atlantic, Long Beach. Management and assistance in conversion was provided to Crossroads Village in conversion from a commercial motel to SRO quarters for chronically mentally ill patients.

The Reverend Douglas Edwards of St. Ambrose Parish in Claremont was advised in his leading role in Claremont housing in the acquisition of property and conversion or construction of low-income housing.

A letter of intent was drafted with Beyond Shelter, to assist in the redevelopment of a site and construction of 67 units of low-income housing, and the operation of a day care center.

Major capital improvement projects at Kiki Gardens in Chula Vista and at Nikkei Village in Pacoima sought and received consultation and advice from HMA.

The Commission and the Board of Directors of EHMC hold joint meetings quarterly, at which time reports and issues which have been reviewed by an executive committee are presented. The executive committee meets on call, usually monthly, but at least once between Board meetings.

Two members were added to the Board. Two were added to the Commission, one of which is also on the Board. One Commission member resigned during the year.

On Lay Ministry

Parish development of laity continues to be the central focus of the Commission on Lay Ministry. In August 1992, the Commission held a retreat on the theme of linking faith and daily life, using a program established by the Auburn Seminary in New York. The aim of the program is to create the situation whereby parishioners relate to each other through their daily occupations, and see the ways in which their daily lives minister Christ in

the world. The Program encourages the Church as an institutions to discover ways of affirming and empowering people to integrate their "Mondays and their Sundays". Parish groups have been using the program in St. Augustine's, Santa Monica, and St. Barnabas', Eagle Rock. It is planned to double the effort in 1993-4.

The Commission is working together with the Commission on Ministry to respond to the 1992 Diocesan resolution on preparing a comprehensive plan for the development of ministries into the 21st Century. The two groups met in a joint session in June and will spend a day in deliberation in November 1993. It is helpful that time is being spent on examining the relationship of the two Commissions. Since March the ten person Commission is scheduled to meet every first Saturday of the month except July, September and December. In January the Commission hosted the National Task Force on Total Ministry and engages in broader discussion on ministry development through member participation in the Provincial network of Commission on Ministries, the Board of Theological Education, and the Council for Ministry Development. The Commission is increasingly concerned with policy and direction of ministry development, and is making plans for a Diocesan wide Conference focusing on educating for a different kind of Church, using models from ecumenical and Episcopal sources. Two affiliated projects by Commission members this year have been piloting a men's retreat on lay empowerment and "Monday Connecting", and beginning a theological reflection group among LAUSD teachers.

On Liturgy and Church Music

The Commission serves as a resource for the Diocese, for congregations and for individuals seeking advice about worship and church music.

We continue to coordinate training sessions for Lay Eucharistic Ministers. These sessions are held twice a year in each region of the Diocese. We worked, this last year, with the Hispanic Missioner to jointly offer training in Spanish.

We are currently in the process of developing liturgical and musical training for Deacons. This workshop will occur this coming October.

The Commission has met at various congregations around the Diocese in order to get a better feel of what goes on in the different communities. We have spent a lot of time listening and learning, developing our tools to offer truly inclusive opportunities for worship at our diocesan gatherings.

We provide emcee's for all diocesan services. We coordinated the Diocesan Evensong/Choir Festival. We continue to participate in the Association of Diocesan Commissions on Liturgy and Church Music.

On Marriage and Family Life

We have made progress in 1993 in the re-formation of this Commission. Although its initial focus was improving marriages by providing the experience of Episcopal Marriage Encounter, we recognize that our perspective on family life must be broader.

We believe that it is critical that the Church serve as a strong underpinning for the marriage of a man and a woman; however, we must recognize the the composition of "the family" as we know it today is evolving. In our communities there are more children being raised by single and by same-sex parents than in past years.

We hope that in the years to come this Commission will be able to serve as one of the vehicles within the Episcopal Diocese of Los Angeles which helps to strengthen our families by bringing the love of Jesus Christ into our homes.

On Ministry

A primary concern this year has been to help Commission on Ministry membership to better reflect the rich racial and ethnic diversity of this diocese; we have been somewhat successful, and will continue these efforts in the year to come.

The subcommittees of the COM have been active in a wide variety of areas such as Clergy Compensation (a questionnaire was sent to all churches in the diocese, with good response), Clergy Continuing Education and Sabbaticals. Other subcommittees now in place handle such matters as the two year post-ordination education program, those persons ordained in other denominations who wish to become Episcopal priests, and the Diaconate.

The COM has met several times with the Commission on Lay Ministry this year, seeking ways the two commissions can work together to promote the Christian ministry of all the baptized.

In January 1993, 15 persons were approved to take part in our pre-postulancy Ministry Study Year program. In February, seven men and women became Postulants, after interviews with COM and Standing Committee members. In March, eleven people applied for Candidacy. Candidacy was deferred one year for one person. There are presently five people in process towards the Diaconate.

Ordinations in 1993 included: January, five ordained to the priesthood; June, six ordained to the transitional diaconate; November, two persons were ordained to the Diaconate.

On Ministry of the Disabled

In March 1993 the Interim Canon to the Ordinary, the Reverend Kenneth D. Higginbotham asked Ferdinand (Ferd) Barnum if he would serve as Chair of this group. Bishop Borsch was interested in a renewal of activities focusing on ministry of the disabled. Ferd was willing to serve until the end of calendar year 1993.

On April 5th, Canon Higginbotham wrote letters to 12 persons confirming membership for 1993 and requested a response by April 15th, if they wanted to be reactivated in the group. That same day he also wrote 12 persons inviting their reappointment for periods varying from 1993-1994 to 1993-1996. Again he requested response to the invitation by April 15th. One person begged off because of ill-health. In time 13 persons responded positively.

Seven persons were able to gather for the first meeting following reactivation on June 28th at Diocesan House. The following matters were discussed.

1. Charter of the group. In spite of inquiries, no record of activities of the Commission have been located, other than in *The Journal*, Volume 11, part 3 of 1987 and 1990. The following quotation was contained in both referenced volumes: "The Commission works for the fullest possible participation in church and society of persons with disabilities. We pursue this goal through activities which: a) educate the Church about the existence, needs and abilities of disabled people; b) encourage the Church to practice affirmative action with the disabled; and c) promote the well being of the disabled in our communities."

2. This is listed as a Commission in the Journals of Convention. Long term members state, however, that it has been called a program group. The Chair pointed out that the Bishop establishes commissions he considers necessary and useful to the mission of the Diocese. The Bishop defines the function. (Ref. Diocesan Canon XVIII) The Bishop can also establish and appoint program groups with the consent of Diocesan Council to assist the Bishop and his staff in carrying out specific plans and programs approved by Diocesan Council. Diocesan Council defines the function of each program group in conjunction with the program group. (Ref. Diocesan Canon XIX, 19.07; 19.09)

3. Successes: a) Although this commission has been inactive for several years, Virginia Martings has been carrying on a lone crusade to increase accessibility for persons with disabilities. She has worked with St. Mary's (Mariposa) and the Parish of St. Mary in Palms. b) In past years the group has supported activities associated with Disability Awareness Sunday at sponsoring churches. Accessibility surveys were also made at the request of some diocesan churches. Members of the group also made surveys of their own churches using a form prepared by John Cropsey. c) John Cropsey had great influence in the many achievements in making the Prince of Peace Parish, Woodland Hills, so welcoming to those with disabilities.

4. Failures: (some examples) a) Virginia sent a letter to one of the parishes in the diocese regarding lack of accessibility and offering assistance but had no reply from the rector. b) In 1991 Bishop Borsch, in order to develop a stronger ministry for persons with hearing disabilities, liked the idea of starting a pilot program of signing for the deaf in two or three places in the diocese. He was willing to support half the cost

(up to \$750) a year for one year to encourage this in two or three pilot congregations. One of the three Episcopal churches in Riverside was selected as a pilot program site for providing signing during services. Nothing happened. The California School for the Deaf is located in Riverside. There was the potential for attracting some of the students and faculty.

Current goals of the commission are: 1) Near term (within two years) - assure that goals and objectives of this commission are compatible with The Americans with Disabilities Act, Title III (ADA) and California Access Code, Title 24, CCR. 2) Long term - attainment of a diocesan-wide, sincere understanding of the varied and valuable talents of persons with disabilities. "That All May Worship."*

Methods to achieve goals: 1) The Chair will make a draft of revised goals consulting and coordinating with other interested parties and then present the draft at a meeting of the commission. 2) Commission members will develop strategies to accomplish the adopted goals at the above meeting and, if necessary, at subsequent ones.

Two difficulties confronting the commission in achieving results were most prominent: 1) We do not know the size of the population, that is the number of persons with disabilities which this commission should be serving. Questionnaires or queries to the churches in the diocese at an earlier time received few if any responses. 2) Persons with disabilities many times perceive hostility on the part of persons without disabilities who have to accommodate the former at meetings, at church, or at other places in the community.

On Peace and Justice

As was reported in the *Episcopal News* in February 1993, and also in the national journal *Episcopal Life*, the Peace and Justice Commission has this year been named a Jubilee Center on account of the direction it has taken toward focusing upon advocacy and public policy issues. For several months, members of the Commission had been engaged in debate about the primary focus of our mission, concluding that we could best be of service to the parishes and missions of the Diocese by assisting them with the preparation of resources with regard to legislative matters of particular concern to the Church. Last year's threatened AFDC cuts, and the fall initiatives brought before voters as Propositions 165 and 167, served as examples of the kind of legislative issues upon which we found ourselves compelled to encourage members of the Church to raise their voice, collectively and individually. Having begun experimenting successfully with a system whereby we were communicating with an individual liaison in a parish with regard to such issues, we invited Diocesan Convention in December 1992 to encourage all parishes and missions to name such a liaison to what we had not christened our Diocesan Legislative Network. We were delighted that Diocesan Convention saw fit to pass our resolution to that effect with little dissension, and we are currently busily engaged in attempting to

identify suitable liaisons in a number of parishes around the Diocese. We are working to build closer relationships with the Episcopal Church's Public Policy Network in Washington, and with the California Council of Churches Legislative Issues Office in Sacramento as we develop our advocacy work.

We are also playing a full and active part in the national network of peace and justice ministries in the Episcopal Church. The role of our Chair, Elizabeth Davenport, as Chair of the Provincial Peace and Justice Commission, and thus as Province VIII representative on the Steering Committee of the Episcopal Peace and Justice Network, enables us to keep closely in touch with developments on the national level. By the time this report is published, several delegates from the Diocese of Los Angeles will have participated in the national EPJN conference, *Racism, Repentance, Reconciliation: Attitudes of the Heart*, in San Francisco.

We are looking to expand our membership from 12 to 20 and would be happy to receive suggestions from readers of this report concerning potential new members. We would be particularly glad to locate interested representatives of the Latino or Asian communities. We have been delighted to welcome on board this year new members Lily and Russell Gill and Joseph Colletti, and have been very grateful for the consultant role played by Sharon M. Parker on the issue of homelessness.

We pay special tribute to our former Chair, Gary Commins, for the splendid leadership he has given to the Peace and Justice Commission during these past two years. His careful preparation for a new era, in the form of guiding the Commission through a period of restructuring and redefining objectives, has ensured a smooth and happy transition to a new phase of our ministry, for which we warmly thank him.

On Theology and Human Sexuality

During 1992-1993 the Commission has been working on the Dialogues requested by General Convention - Resolution A104. The National Church offered two different syllabuses, one from the Lutheran Church, and one from Province VII. The commission chose the Province VII material. Four training were held for leaders in the congregations (44 churches were represented). Congregational dialogues were held and the national questionnaire was filled out (169 were received). Information submitted by churches which had already done work on the topic was added, and a compilation of the

questionnaires were sent to the Province for submission to the National Steering Committee, and thus to the House of Bishops.

After concluding this work, the Commission took a sabbatical until 1994.

SPECIAL REPORTS

Church Periodical Club

Could you imagine a church without prayer books, hymnals or bibles; a seminarian without textbooks or a library without books on the shelves? Supplying these books is what the CHURCH PERIODICAL CLUB is about.

The Church Periodical Club was founded in 1888 by Mary Ann Fargo, wife of the co-founder of the Wells Fargo State Line. Mary Ann and six of her friends at the Church of the Holy Communion in New York City sent their bundles of books and periodicals westward to missionaries and pioneers via stage coach. As we enter our second century these materials go by jet planes, world-wide.

Ten percent of monies collected in our diocese may be used for needs of the printed word locally. We purchased hymnals for the new Grace Mission in Moreno Valley; a reference book for Bloy House; and Spanish prayer books for Camp Wrightwood. We have a request from St. Mary's, Los Angeles for their Outreach Program "Friends to the Haitians" for bibles.

The National Books Fund has assisted churches and missions, libraries and schools destroyed by Hurricane Andrew. The churches in Kauai received a grant after Ineke struck a year ago. We support the NBF, supplying the tools to preach, heal and proclaim "The Good News".

CPC prays that you will make the Church Periodical Club your personal adventure in faith and your personal means of sending the printed word world-wide.

The Diocese of Los Angeles has sent their fifth mile of pennies to NYC last month to purchase books for children world-wide. That is \$4224.00, so pennies do add up. Please continue the project in your parish.

The Anglican Fellowship of Prayer

The Los Angeles Chapter continues to be an Associated Organization of the Episcopal Church Women. Our representative on the Board is Shirley Heidrick and fortunately she is called to churches interested in encouraging and building up the life of prayer in their parishes.

This is an International Fellowship so it's interesting to know that they have Bishops from all over the world on their Board. Their headquarters is in Orlando, Florida. The fellowship is blessed with an outstanding Director with many talents, formerly Archbishop of Montreal, the Most Reverend Reginald Hollis.

It was in May that the 35th Annual International Conference took place in Richmond, Virginia. The keynote speaker was Bishop Michael Baughen of Chester, England and the banquet speaker, was George Gallup, Jr., Chairman of the Gallup Organization. The title of the Conference seemed very apropos: "Love is the Heart of Prayer". These conferences are very noteworthy. However, finances are a factor relative to attendance.

Inquiries continue relative to our past Annual Prayer Fellowship Days, however, again, the factor of finances is a deterrent. Calls do continue due to testimonials for the book spawned in our Diocese, *The Personal Prayer Notebook*. Members receive the magazine, *Partners in Prayer* plus many resource materials. Our booth at Diocesan Convention is another means whereby much spiritual material is put into circulation.

Since prayer is the cornerstone and arch over all, we pray that more people will respond to the call from this Fellowship and become a member.

Blessings!

The Bishop Gooden Home

The Bishop Gooden Home continues a ministry to drug addicts and alcoholics which began in 1962 by Bishop Gooden and five members of Alcoholics Anonymous. In 31 years thousands of people have left our program to live happy and useful lives in family and society.

The Mission of the Bishop Gooden Home

For 31 years The Bishop Gooden Home has served those who are beginning the process of recovery from alcoholism and drug addiction. Our recovery residence offers a healthy, safe and congenial living environment at a reasonable cost. Our residents participate in 12 Step programs, receive emotional, spiritual and social support and can join together with alumni and other interested persons to foster lasting sobriety. The Bishop Gooden Home helps residents reclaim their lives, their families and their places in work and society.

Program Most residents at the Home work during the day and return to the Home in the evenings for a community meal and group meetings in the House. They usually attend meetings of Alcoholics Anonymous, Narcotics Anonymous, or Cocaine Anonymous later in the evening or on weekends. We have five in-house meetings each week which include group therapy and a spirituality group on Sunday afternoons. The cost for residents is \$235 per week (approx. \$1020/month). There is a scholarship program where the cost is \$195/wk (\$850/month). We also have a contract with the Veterans Administration Hospital in Westwood. We will typically have 5-6 veterans in residence at any one time. At full census we have 25 residents and the average length of stay is approximately three months.

Adapting to changing needs The BGH now must respond to the needs of the drug addict as well as the alcoholic. In years past alcoholism was the only disease we dealt with. Today the men who come to us are younger and most are dually-addicted. It is not uncommon for there also to be other addictions such as sex addiction, compulsive gambling or debting. The 75% of our residents who are not veterans are usually private paying. We receive no government money to fund people. There are many places for the person who has no resources. We are one of the few that is geared to the working person.

Many hospital treatment programs are downsizing or being eliminated. Insurance companies are less inclined to pay for full treatment which can easily run \$30,000 for a 28 day program. Those days are fast coming to an end. The staff and Board of Bishop Gooden Home are studying this changing environment and seeking ways to be at the cutting edge of opportunity. It is our mission to help as many people as we can.

Operation and Staff Development The Board of Directors has recently committed to raising approximately \$300,000 for expansion of our main house. We currently operate out of three buildings of which the main house is 100 years old. The renovation includes a new kitchen, doubling the size of our dining room (it only seats 15 people now) and new offices for the Executive Director, Assistant Director and Program Manager, a small counseling and conference room. The renovation also includes upgraded plumbing and a central heating and air-conditioning system (we currently have 21 window units).

We have already received a grant from the Tom Pike Foundation for \$50,000 and will be seeking additional foundation grants, individual gifts and putting on a couple of special events.

The Board of Directors is setting up a planning retreat to enlist broad Board support in the upcoming fundraising campaign. We are excited about the opportunity this will give us to tell our story again to the community and to ultimately provide larger and better facilities.

The Bishop Gooden Home has been a light hidden under a bushel basket in the Diocese of Los Angeles. It is our hope that stronger bridges can be built between the two constituencies - helping to being the miracle of recovery to more members of our parishes and missions and helping to bring more resources to the residents of The Bishop Gooden Home from the church.

The Brotherhood of St. Andrew

The Brotherhood of St. Andrew is a men's ministry to the Episcopal and Anglican Church throughout the world. It was started at St. John Episcopal Church in Chicago in 1883 and was incorporated by an act of the United States Congress in 1907. The Brotherhood is the only group provided authorization to Evangelize by an act of Congress.

The ministry of the Brotherhood is the spread of Christ's Kingdom among men and boys. To this end, each member of the Brotherhood pledges himself to follow three disciplines: Prayer, Study and Service. The discipline of prayer is to pray daily for the spread of Christ's Kingdom especially among men and youth and for God's blessing on the work of the Brotherhood. The discipline of study is to study the Holy Scriptures regularly and the teachings of the Church to attain a better understanding of how to follow Christ and bring others into His Kingdom. The discipline of service is to make continuous efforts, week by week, to bring others nearer to Christ through His Church.

Through the efforts of the Brotherhood, three organizations in the Episcopal Church were started; namely the layreaders program Faith Alive and Pews in Action. The daily Bible reading of Foward Day by Day was initiated by the Brotherhood prior to World War 1.

The members are actively engaged in various outreach programs, among which are: hospital visitations, prison visitations, supporting Meals on Wheels programs, sponsoring youth groups, layreading, Lay Eucharist Ministers, helping Boy Scouts, sponsoring church gatherings for Christian fellowship, education, welcoming new members to the church and other similar activities.

The Brotherhood of St. Andrew in the Diocese of Los Angeles currently has a membership of approximately 120 men. Some of these men are members of the nine active chapters in the Diocese and 32 are members at large. The 32 members at large includes Bishop Borsch and Bishop Talton. There is one active assembly in the Diocese located in Orange County. It is made up of six chapters. At the time of this writing, 2 new chapters are being formed, one at St. Stephen's in Santa Clarita and one at Trinity in Redlands.

It is our desire to have an active chapter of the Brotherhood in every church in the Diocese of Los Angeles. If you are a member of the clergy or a layman and wish some help or further information regarding the establishment of a Brotherhood Chapter in your congregation, please feel free to contact Robert Sheere at 9112 La Grand Avenue, Garden Grove 92641 or by calling 714/539-9463.

Camp Stevens

One of the most exciting events at Camp Stevens this past year has been the completion in March, 1993 of the new Bishop's Lodge, named in honor of the first bishop of the Diocese of San Diego, Robert Wolterstorff, and Mrs. Helen Wolterstorff. Bishop Bob and Helen have been great supporters of youth and camping programs over the years and frequent visitors to Camp Stevens.

The Bishop's Lodge houses up to twenty-four persons in four bedrooms with shared bath facilities. The common room, with a spectacular view of Volcan Mountain, can comfortably accommodate thirty. That room features a large fireplace with a wonderful mosaic design in local stone, tile and colored glass by renowned artist James Hubbell.

Several friends of Bishop Bob and Helen have joined the Wolterstorffs in making gifts or pledges to the Campaign for Camp Stevens. The Campaign was enthusiastically received in the Diocese of San Diego, providing the new lodge and 50 acres of additional property which will protect Camp Stevens from encroaching development. The Campaign for Camping has now begun in Los Angeles and will eventually provide for further improvements to both Camp Stevens and to the new Episcopal Camp at Wrightwood.

A unique gift to the Campaign came from Japan, as a result of Camp Stevens' exchange program with St. Paul's Jr. High School in Tokyo which has continued since 1978. Last fall the school conducted its own "Campaign for Camp Stevens" and in January sent \$16,000 for the Bishop's Lodge. Contributions came from 120 of the school's parents and teachers!

Suffragan Bishop Chester Talton joined Bishop Wolterstorff and Bishop Hughes of San Diego in a wonderful celebration of the dedication of the Bishop's Lodge at Camp Stevens on Saturday, May 22nd.

Gifts to the *Friends of Camp Stevens* in 1992 provided for several improvements to the camp facilities including new carpet in St. Aidan's and St. Mary's dorm cabins; renovation of the dining hall restrooms; creation of the fireplace mosaic in the Bishop's Lodge by James Hubbell; lighting conversion saving 25% on electricity; a solar water heater at St. Aidan's cabin, and campership funds to help needy children attend summer camp.

Again this past year, nearly 6000 people participated in a weekend or week-long program or retreat at Camp Stevens. This included over 700 children in the summer camping program, as well as several hundred more in outdoor education programs through parish day schools in the fall, winter and spring. Camp Stevens also serves parish family groups and vestries, choirs and other adult groups, and offers three Elderhostel sessions each year.

The Episcopal Camp at Wrightwood

Our story is very simple, but exciting! We have continued to grow in our ministry with the parishes of this Diocese. In the past year, we have hosted over 50 different groups of all ages. It is our joy and honor to be

serving you, the members and friends of this Diocese, through our camp in the forest.

This past summer we initiated many new programs for youth (2nd - 7th grade) and families. It is our pleasure to have a new Assistant Director on site with us, Ms. Shirley Assmussen. Also, our first full-time summer resident staff was comprised of young adults from seven parishes around our Diocese.

We look forward eagerly to the coming year as we plan for new programs and as we continue to refurbish the camp for your use.

Canterbury Irvine Foundation

The primary foci of this ministry are described below with representative activities from 1992-93 listed with each.

Worship Eucharist is celebrated every Thursday at noon at the Interfaith Center, followed immediately by the Interfaith luncheon. Special services, planned ecumenically with the Roman Catholic Community, were offered on Ash Wednesday and Good Friday. Informal worship is regularly a part of Canterbury student programs.

Student Program Bi-weekly to weekly programs are offered for the Episcopal student community (which welcomes other Protestant students). Programs include issue-oriented discussions (speakers are sometimes invited), bible study, meals/parties and a wide variety of other activities.

This year Canterbury organized a tutoring project, and students tutored at Santa Ana High School regularly through the Fall and into the Spring. The chaplain offers counseling, by appointment, to any student, and a good working relationship of mutual referral has been established with the UCI Counseling Center. Vocare is also supported and coordinated on campus by the chaplain.

Other special opportunities offered this year in which UCI students participated were a ten-day work/study trip to Costa Rica (August, 1992) where we were hosted by the Episcopal Diocese of Costa Rica and the Fifth National Gathering of Episcopal Students, St. Simon's Island, Georgia (December, 1992).

Outreach to Faculty and Staff "Women of Spirit" is a reading group for women faculty and staff (women of all religious backgrounds welcomed) co-founded this Fall by the chaplain and an Episcopal faculty member to focus on issues of feminist spirituality and mutual support. The group meets bi-weekly at the Interfaith Center. Also the Eucharist is offered weekly, and counseling, pre-marital preparation, etc. are always available.

In January, the Canterbury Board hosted an "evening of wine and cheese and good conversation" (complete with live jazz pianol) at the home of Board President, Peg Marradudin, for Episcopal and other Protestant faculty. Faculty ideas for future campus-wide programs were solicited.

Outreach to University Community On May 16th Canterbury presented, in cooperation with other campus and community groups, "HATE THY NEIGHBOR? A Conference on the Antecedents of and Antidotes to Hatred." The conference was held at the UCI Student Center, but was widely advertised and open to both the university and local community.

Workshops on varying topics and other speaking engagements at the Women's Resource Center or in the dorms are offered by the chaplain at least once a quarter. Also the chaplain serves on the ad-hoc staff committee which organizes the university's response to the presence of cults on campus.

Canterbury co-sponsors, in cooperation with other Interfaith Center groups, programs of interest to the university community. For instance, this Spring a two-part TRIALOGUE between Christian, Muslim and Jewish students was produced.

Daughters of the King

The Order of the Daughters of the King is the only order for Lay Women in the Episcopal Church. As Daughters of the King we are women of courage who have made a commitment to serve God our King. We wear our crosses as an outward and visible sign that we cannot live one day without Christ in our lives. We see our order as a community of nurturing women accepting all people, bridging differences and cherishing traditions. Moving toward the 21st century, empowered by the Holy Spirit, our vision is to encourage and enable all to be reflections of God's love, reaching out through prayer, service and evangelism to spread His Kingdom.

In the Diocese of Los Angeles there are 27 Chapters with about 350 members. Two new chapters were instituted this year, Grace Chapter at Christ the King Parish in Santa Barbara and Ruth and Naomi Chapter at Epiphany Mission in Agoura/Westlake. At the present time a chapter is being formed at St. Mark's Parish in Van Nuys, and our first Junior Daughters Chapter in a number of years is being considered at Epiphany. It is our prayer that many young girls will be drawn into a closer relationship with the Lord through Junior Daughters, to give them the spiritual undergirding that is so essential in today's environment. This is being organized by our Junior Daughter Directress, Hansel Pollack from Epiphany Mission.

A bi-monthly newsletter, *Angel's Wing*, is sent to all members by our skilled editor, Maureen Turk from St. Andrew's, Fullerton.

From the Bishop Gooden Memorial Fund, the Daughters were able to award three scholarships to seminarians, Virginia Benson, Edward Konieczny, and Stephen Dean for the 1992-1993 year. We are assisting Esther Miller with her missionary work in Malawi, Africa, where she is working with the women teaching them the Good News of Jesus Christ in their own language as well as helping them learn household skills.

Two Diocesan Assemblies are held each year. The Fall Assembly was held on October 31st at Holy Trinity Church in Covina. Workshops were conducted by Elizabeth Hart, our National President, on Sharing Leadership; Lynne Moody on Prayer; Edythe Peters on Handling Grief and other Changes in Our Lives; and Pat Morris on Junior Daughters called Sharing the Future. The Spring Assembly was held at St. Martin's-in-the-Field, Canoga Park with Myrna Larson as our speaker.

The Daughters of the King again sponsored prayer vigils in their individual parishes preceding the Diocesan Convention in December and manned a booth in the Exhibit Hall at the Convention held in Riverside. We are now praying for our Episcopal Church, our bishops, clergy, parishes, our cities, communities and neighborhoods.

The Episcopal Church Women

We have been blessed with another good and busy year. This has been possible because of our capable and devoted officers and chairpersons. It is their interest and enthusiasm that has created the energy for success and many activities.

Through visitations, we have been very impressed with many churches having well organized groups, activities and programs. Assistance has been requested by some and we have shared, counseled and supported. The joys are to learn about their progress and ways in which they, too, are succeeding. Conclusion: the ECW is growing.

Today's Woman had its 12th effective program with the keynote speaker's challenge, "Reach for the Rainbow". This was followed by many inspiring workshops, closing with the Eucharist. A sign language interpreter and Spanish translation were provided.

Other programs being offered throughout the year, upon request, are Women of Vision and GATES (Gaining Authority Through Education and Service).

Our Memorial Fund continues to provide for medical assistance when the need is approved by the clergy. Memorials can be directed to assist this Fund. We welcome inquiries.

Our Social Services Chairperson has launched the "Project Home Again" throughout our Regions, with the question, "How can your church resettle a homeless family?" The ECW is fortunate to be co-sponsoring the Diocesan-wide Conference on this project in October.

The United Thank Offering and Church Periodical Club activities, in their 100 years of existence and granting, are acclaimed through the efforts, devotion and publicity of their Chairpersons.

Our ECW publication "Angels-on-the-Go" continues with supportive comments about the importance of information circulated.

The Annual Meeting was held on April 21 and 22, 1993 at the Red Lion Hotel in Ontario. The afternoon speaker was our ECW Chaplain, the Reverend Elizabeth Habecker. We enjoyed joyous singing and her presentation, "A Call to Ministry," revealed that it was at our Baptism. After group discussion, the culmination was to decorate an Altar Cloth by making symbols to represent ways in which we can fulfill our ministries. The expressions were so impressive that it was used throughout the meeting. The dinner speaker was the notable Right Reverend Barbara Harris from Boston. The audience applauded with enthusiasm and showed inspiring emotion. The next morning at our Business Meeting, the following were elected: Mary Louise Smith, President-Elect; Barbara Colbert, Vice President; and Cristina Young, UTO Coordinator-Elect. The proper installations were presided over at the Eucharist by the Celebrant, Bishop Borsch. The Liturgical Coordinator for the Eucharist was the Reverend Beryl J. Nyre, Associate at St. Gregory's, Long Beach and the Santa Ana Region Chaplain. Included was a Litany she wrote for the World's Children. Since the Province VIII President attended and spoke to us at our meeting, she asked and received approval to use this Litany at the recent Province of the Pacific 64th Synod. The Homilist was the Very Reverend Mary June Nestler, Dean of the Episcopal Theological School at Claremont. Her presentation so engrossed the audience, a request was made and has been fulfilled. Her Homily will appear in our newsletter. All other speakers were recorded and tapes made available at the meeting. After luncheon, we were treated to the pleasure of hearing from our own Bishop, the Right Reverend Frederick Borsch. This was in celebration of his 5th year, recalling his 1st year with us at our Annual Meeting. His message was challenging in that it dealt with the role of women and the many issues of controversy with which the church is now dealing.

Among the pleasantries of this office was the presentation of a Certificate for Devoted Service to Marjorie Strawbridge, St. Paul's, Ventura, for her exemplary work in many areas. Since we have an Outstanding Angel Award Plaque, her name was also added to those having received the award in former years. Susan MacPherson, who was leaving to join Canon Bruce MacPherson in Dallas, Texas, was commended for her outstanding contributions in her work for the ECW, her last office being that of Vice President. She was gifted with a book entitled *Oh, California*. Ruth Nicastro was accoladed for her unprecedented performance as Editor of *The Episcopal News*. Due to the announcement that she was retiring, a presentation was made suitable for use in her chosen activities, following retirement.

The San Bernardino Region members were most exemplary in their managing a happy Hospitality Room in the Presidential Suite. The Exhibit Room created the usual interest and good fellowship. Through having the wares of the African Team Ministries, we received 25% of their gross intake.

May brought us the pleasure of our Annual Over-night Board Retreat at Marywood Center in Orange. We had a mini-meeting, fellowship was important, likewise, spiritual enrichment, and this year we had an

additional interesting experience of learning about ourselves. This was all planned and organized by our GATES presenters, the Reverend Elizabeth Habecker, Jenny Ladefoged and Mary Louise Smith, who offered one Session of the GATES program. It was exceptional and everyone was grateful for revealing and directing us through this educational program.

Our Los Angeles Diocese is unique in that we have two people represented on the National level, three are Province VIII officers, the Reverend Elizabeth Habecker will be the Chaplain to the Triennial in Indianapolis and the Reverend Lynn Jay was elected to Chair our Diocesan Delegation to Triennial.

My term expires at our Annual Meeting in 1994. I have been truly blessed to have had this office and feel thankful for all the opportunities, experiences and pleasures. I'm grateful, too, for the visits to many parishes, friendly fellowship, special activities -- all so outstanding and filled with blessings. Fond memories shall always remain. My sincere appreciation and affection to all who have made this special journey so exceptional. May God multiply His grace to all in His service. My love and God bless!

The Episcopal Home

The Episcopal Home has completed renovation of its nursing units over the past year which has enabled it to operate at full capacity. The Alzheimer's unit is now providing care for eighteen residents who enjoy considerable freedom of movement through the grounds that surround the building.

Construction is in progress on a new entrance and parking area that will serve the whole campus and will eliminate much of the parking now spotted through out the grounds. One of the great assets of the Episcopal Home Alhambra is the garden landscaping. It is anticipated that this feature will be greatly enhanced by the new arrangements.

The Home continues to serve over three hundred and fifty persons at its Alhambra campus. About half of these are in independent residential care and the rest are receiving some sort of assistance which ranges from personal care through skilled nursing care. Refurbishing of the independent residential units will begin this year with a pilot program in one of the eleven separate buildings.

Executive Director

The Canterbury

The Canterbury is a Retirement Community administered under the auspices of the Episcopal Home in Alhambra. It is located in the city of Rancho Palos Verdes and is made up of 127 one and two bedroom units for independent living seniors. There is also a 28-bed skilled nursing facility on site providing 24-hour nursing care. We are set on a 5 1/2 acre site overlooking the Los Angeles basin and this year we celebrated our 10th year of operation.

Membership in The Canterbury is open to all adults 60 years of age or above in good health. A physical examination by The Canterbury's medical director is required since independent living status must be assured.

Three financial plans for living at The Canterbury are offered: (1) an accommodation fee plan; (2) a finance plan; and (3) a month to month plan. A monthly maintenance fee covers basic services.

Those interested in residency can arrange for a tour by phoning The Canterbury at 310/541-2410.

The Episcopal Theological School at Claremont (Bloy House)

The 1992-93 academic year began under the leadership of new dean, the Very Reverend Mary June Nestler, who had been appointed by the Board of Trustees on June 1st to succeed the Very Reverend Jon Hart Olson. In addition to the Dean, members of the faculty teaching the regular curriculum included Dr. Barbara Dee Bennett Baumgarten, Dr. Darrell Cox, Ms. Pamela J. Edwards, the Reverend Dr. Edmund W. Fisher (celebrating his twentieth year as a member of the faculty), Ms. Marilyn J. Lundberg, Dr. Michael J. McGrath, Dr. G. Franklin Shirbroun, and Dr. William Yarchin. All of these instructors were elected to the rank of adjunct professor at the School of Theology at Claremont, the United Methodist institution which hosts ETSC on its campus and with which ETSC maintains the cooperative agreements described below. Two other members of the faculty, Ms. Adelle Yeaton and the Reverend Gordon Yeaton, teach special courses for the training of youth ministers. Ms. Janet Frazier continued her long-time, enthusiastic service to the School as Registrar.

Forty-three students enrolled in classes for the fall semester, some registering exclusively at ETSC and pursuing its certificate and others taking ETSC classes as part of their requirements for the School of Theology at Claremont (STC). The students represent a broad cross-section of Episcopalians and non-Episcopalians alike. Most manage admirably well to balance their studies with full-time jobs, family, and church responsibilities, while a few enjoy the luxury of full-time study. Roughly a third of the students are postulants or candidates for holy orders from the dioceses of Los Angeles and San Diego, another third are aspirants to holy orders in a process of discernment before they enter a formal diocesan program, and a final third are lay persons seeking to strengthen their ministries by further study and reflection on the graduate level. ETSC was pleased to number among its students a Lutheran candidate for ordination

and a candidate for special ministerial certification of the Disciples of Christ.

Students may choose from among several paths for study at ETSC. They may wish to take only a few courses for credit or audit, or they may pursue the entire four-year program (equivalent to two full-time years of seminary) leading to the ETSC certificate in theological studies. Students wishing to attain a Master of Divinity or a Master of Arts in Theology degree may enroll in the joint program of ETSC and STC, which requires the student to complete the entire ETSC curriculum and then to engage in a year of additional studies at STC. The degree is awarded by STC and is fully accredited. This joint program, which normally spans five years, may be accelerated to four years.

In 1992 ETSC began another joint venture with the Program Group on Youth Ministry of the Diocese of Los Angeles. This path of study, leading to a certificate in youth ministry awarded by ETSC, is aimed at training competent leaders of youth ministries on the parish level. Students in this program pursue two years of study, two courses each semester of Bible, systematic theology, and youth ministry. Four persons completed the first two years of this program, and ETSC was proud to graduate them in May.

The School sponsored its first-ever day for clergy continuing education on May 26, 1993, and sixty-nine clergy and lay persons attended from across the diocese. The School plans to host four such days each year on different topics, affording clergy and lay leaders an opportunity to keep abreast of issues in theological education.

ETSC is proud to be one of the founding institutions of the newly-formed Claremont Theological Cluster, a cooperative association of programs which share the STC campus: The School of Theology at Claremont, The Disciples Seminary Foundation, the Southern California extension of The Pacific Lutheran Theological Seminary and the Southern California extension of The Presbyterian Seminary of the West, and ETSC. Students in any of these programs may cross-register into classes of another. Directors of these programs met regularly during the past year to solidify and define our relationship and to discuss innovative, exciting visions of theological education for the next decade and the next century.

The Board of Trustees elected to meet monthly this past year to work on issues of board development, public relations, and financial management. A new president of the Board, Mr. Stephen Wilburn, a member of St. Edmund's Church, San Marino, demonstrated his able leadership, and he and other members of the Board are to be thanked for their dedication in attending faithfully to the business of the School. Members of the Board established and contributed generously to a new scholarship endowment fund. The Board also approved the establishment of another scholarship fund in memory of the Reverend Emily Stevens Hall, the first woman graduate of ETSC. The School is grateful to Mrs. Hall's family and friends for their support of this fund, which will begin disbursing monies to students in the fall of 1993.

The Dean and members of the Board of Trustees wish to thank President Robert Edgar, former Dean Allen Moore, and incoming Dean Marjorie Suchocki of the School of Theology at Claremont for their gracious hospitality to

ETSC on the STC campus, and for their support of its programs in many, many ways. ETSC is enriched by its ecumenical environment and is delighted to be an Anglican presence in the midst of other Christian traditions.

The Neighborhood Youth Association

The Neighborhood Youth Association celebrated its 87th year by working with 2900 youth and families in need, through all its various programs and services in the Harbor area in Wilmington, Carson, Lomita, San Pedro and on the westside in Venice, Mar Vista, Culver City and Palms. With programs such as the Linking Lifetimes mentoring program, Seniors and Youth program, adolescent drug treatment, early intervention and prevention programs, pre-school and after-school programs, and through such services as individual, group and family counseling, educational and employment services and recreational activities, NYA reached out and touched the lives of many young people and their families in very significant ways.

We helped kids learn how to get along better with their families, and their peers; we helped keep kids in school. This year we helped six of our young women go to college through scholarships provided by members of our Board, agency friends and by the Friends of NYA. All of whom are the first in their families to go to college. The children in NYA's Las Doradas Children's Center completed a coloring book as an adjunct to their travelling anti-drug puppet show which they performed for children in the community.

We keep doing our job here, in spite of funding cuts due to a worsening economy that seems to be affecting everyone. This year, after 34 years of service in the Harbor area, NYA closed its Wilmington branch in July due to funding cuts. NYA services will now be focused on the westside in the Venice, Mar Vista, Culver City area.

During this program year, we said good-bye to one of our dearest friends, Margaret "Peg" Mudgett, NYA's Executive Director from 1947 to 1972. Her death this past December was truly a loss to NYA, to the social work community, and to those of us who knew and loved this very special human being. She was the pioneer that developed the creative and innovative services that gained NYA national recognition of its work with troubled youth and laid a solid foundation on which NYA was able to build and expand its services to children and families in the Los Angeles area.

Margaret Mudgett left behind a legacy richer in the finest of human virtues ...compassion, tolerance, vision, humor...through her respect and encouragement for the aspirations of all people. The Neighborhood Youth Association and I are deeply grateful for the many blessings we received from this extraordinary woman. We will truly miss her.

St. Barnabas Senior Center of Los Angeles

The adoption of three five year goals by the Board of Directors at a weekend retreat in Santa Barbara may prove to be the most important achievement of the year for the future of St. Barnabas Senior Center. The goals -- to develop a model residential facility for low-income, urban victims of Alzheimer's Disease and other dementias, to double privately funded services, and to achieve a national reputation as a casemanagement-oriented senior center -- are worthy and challenging goals and have the potential to shape St. Barnabas' destiny for years to come. A public relations audit is in progress, and a feasibility study for the residential facility is underway.

The last of our previous set of goals, to accept conservatorships of low income persons without family or friends able to do so was achieved during the year. The agency was also, through the graciousness of the H. Leslie and Elaine S. Hoffman Foundation and Eugene P. Carver, fortunate to host a presale showing at Sotheby Galleries in Beverly Hills. It was a successful donor acquisition event and a very pleasant experience.

As has been the case in each of my seventeen plus years with the agency, the number of clients served increased over the previous year. We delivered 592,417 services to 54,702 unduplicated clients during the year.

Our budget, although smaller at \$3.7 million, is somewhat more realistic in the year beginning July 1, 1993, because we will no longer be reimbursing transportation providers in Los Angeles. The City of Los Angeles Department of Transportation will reimburse them directly. We were successful in being awarded the CityRide contract, but that success has been a mixed blessing at best. Dealing successfully with government bureaucracy and bureaucrats is always challenging and sometimes impossible.

We lose from the Board of Directors several veterans who have been extremely generous with their time and talents over many years. Lucy McBain and retiring Chair Gene Carver have given us five years each. Geneva Clymer, Albin Davis, and Frank Omatsu each served six years. Treasurer Eric Baumgarten served seven. But the real veteran is Barbara Blanco who served nine years. St. Barnabas has benefitted from their counsel and is a better place because of them.

Their loss is partly tempered by the fact that five talented people join the Board at this time: Claire de Briere, Keith Kosco, Mark Maurer, Bob Williams, and Luis Zuniga.

Another loss, after his more than 20 years at St. Barnabas, is Emilio Leon. Starting as a Secretary/Bookkeeper, Emilio retired as Director of Aging Programs, and he will be sorely missed.

It is time to recognize and thank all those people who make St. Barnabas what it is. Board members, staff, volunteers, contributors, and, yes, our clients, make St. Barnabas a haven of help for low income senior citizens of the inner city. I can only add my appreciation to what, I hope, is the satisfaction of meaningful work, well done.

The Reverend Richard C. Hall
Executive Director

St. Margaret's School

Located just a mile from Interstate 5 in San Juan Capistrano, St. Margaret's Episcopal School is a Diocesan Day School serving students from the Orange County area. The School's mission centers on the development of each student's spiritual, emotional, physical and academic growth and well-being. St. Margaret's is unique because of its commitment to academics, small class size, the quality of its faculty and an outstanding college placement record.

St. Margaret's is accredited by the California Association of Independent Schools, the Western Association of Schools and Colleges, and the National Association for the Education of Young Children.

791 bright and eager students returned to the campus on September 3, 1992, to begin the academic year. September and October found them participating in class retreats, service projects in the community, a Jog-A-Thon and Halloween parades. November brought an in-gathering of food for the needy and a Thanksgiving Eucharist. The campus resounded with the music of Christmas carols and alums returned for a spirited basketball game on a December evening. Everyone enjoyed the drama production of "The Sound of Music" in March, and two soon it was time to say goodbye to the Senior Class. The Class of 1993 will be attending such colleges and universities as Stanford, UC Berkeley, Spellman, Bucknell, UC San Diego, Dartmouth, Vanderbilt, Julliard, NYU and SMU.

Community Service is an important part of the School's curriculum. The Lower School students chose a project which included planting a tree in the community, playing games with people at the Adult Day Care, working with the Surfrider Foundation to keep our beaches clean, visiting at the Senior Center in San Clemente and making sandwiches at the Episcopal Service Alliance.

Our Middle and Upper School students visited at Olivecrest Home for Abused Children and played with children who needed special love and care, built homes with Habitat for Humanity in Tijuana, went to Los Angeles for the LA Experience where they worked in a Soup Kitchen, and were counselors at our "Special Camp for Special Kids."

All four schools (Preschool, Lower School - Grades K-5, Middle School - Grades 6-8, and Upper School - Grades 9-12) agree that 1992-93 was a year in which the students gained confidence and competence as they participated in the challenging journey toward adulthood.

REPORT OF INDEPENDENT AUDITORS

Board of Directors
The Protestant Episcopal Church in the Diocese of Los Angeles
Los Angeles, California

We have audited the accompanying statement of assets, liabilities and fund balances - cash basis of the Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) as of December 31, 1992, and the related statements of revenue collected, expenses paid and changes in fund balances - cash basis for the year then ended. These financial statements are the responsibility of the Diocese's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as stated in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used in significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or various other institutions, parishes, missions and agencies of the Diocese.

As described in Note A, the Diocese's policy is to prepare its financial statements on the modified basis of cash receipts and disbursements. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances - cash basis of the Protestant Episcopal Church in the Diocese of Los Angeles as of December 31, 1992, and the revenue collected, expenses paid and changes in fund balances - cash basis for the year then ended, on the basis of accounting described in Note A.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information on pages 12 and 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except that the financial statements do not include all Episcopal Agencies in the Diocese of Los Angeles which results in an incomplete presentation, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Note A - Summary Of Significant Accounting Policies

Organization

The Protestant Episcopal Church in the Diocese of Los Angeles (the Diocese) is a not-for-profit corporation providing services at the level of administration above the various congregations within the Southern California region under the guidance of the National Episcopal Church.

Basis of accounting

The accounting policies of the Diocese conform to a modified basis of cash receipts and disbursements which have been consistently applied in the preparation of the financial statements. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Fund accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Diocese, the accounts of the Diocese are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Mission Share Fund

Transactions related to revenue primarily from the churches within the Diocese and used to finance the annual programs and budget of the Diocese as approved at the Diocesan Conventions are accounted for in the Mission Share Fund.

Designated Agency Funds

Transactions for which the Diocese maintains a fiduciary responsibility are accounted for in the Designated Agency Funds.

Missionary Expansion Loan Fund

Transactions related to resources obtained and used for the purpose of providing financing for various missions are accounted for in the Missionary Expansion Loan Fund.

Endowment and Trust Funds

Transactions relating to resources obtained through an endowment or trust and restricted for specific purposes are accounted for in the Endowment and Trust Funds.

Note A - Summary Of Significant Accounting Policies - (continued)

Property Fund

Transactions related to the capitalization of disbursements for fixed assets are accounted for in the Property Fund. Property and equipment are generally carried at cost. The accompanying financial statements do not reflect depreciation or amortization of exhaustible property.

Total column

The data shown in the total column is presented for purposes of additional analysis. Such data merely aggregates the columnar statements by fund types and is not intended to present combined financial information in conformity with generally accepted accounting principles.

Cash and cash equivalents

The Diocese considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Note B - Other Episcopal Church Agencies In The Diocese Of Los Angeles

The financial statements do not include the assets, liabilities or fund balances of the Bishop of the Protestant Episcopal Church in Los Angeles (a corporation sole) or other institutions, parishes, missions and agencies for which the Diocese acts solely as an agent.

Note C - Prior Period Adjustments

Designated Agency Funds

The Designated Agency fund balance at the beginning of the year has been restated from amounts previously reported to reclassify the liability, funds held for others, as designated fund balance. The effect of the correction was to increase the Designated Agency fund balance by \$4,572,095.

Missionary Expansion Loan Fund

The Missionary Expansion Loan fund balance at the beginning of the year has been restated from amounts previously reported to reflect property acquisitions previously accounted for in the property fund. The effect of the correction was to reduce the Missionary Expansion Loan fund balance by \$1,686,000.

Endowment and Trust Funds

The Endowment and Trust fund balance at the beginning of the year has been restated from amounts previously reported to reflect securities held in trust for others by the Diocese which were previously reported as Diocesan assets. The effect of the correction was to reduce the Endowment and Trust fund balance by \$150,000.

Property Fund

The Property fund balance at the beginning of the year has been restated from amounts previously reported to reflect a correction of accounting for the acquisition of property and equipment and related notes payable. The effect of the correction was to reduce the Property fund balance by \$753,325.

Note D - Investments

Investments represent the Diocese's respective ownership percentage of a portfolio of various securities maintained and controlled by the Diocesan Investment Trust. Investments are presented in the financial statements in the aggregate at the lower of cost or fair market value.

	<i>Cost</i>	<i>Market</i>
Designated Agency Funds	\$ 139,142	\$ 169,724

Note E - Loans Receivable - Missions And Parishes

Loans receivable from missions and parishes consist of various notes and promises to pay with various repayment arrangements and due dates.

Note F - Bonds Payable

Income and capital bonds were issued to fund the construction of facilities for St. Margaret of Scotland Parish and School. Both issues bear interest at 10% per annum. Simple interest on the income bonds is paid semi-annually. Compound interest on the capital bonds is accrued and paid upon redemption. The maturity dates of the bonds are as follows:
